## Budget Action Description:

This Council Budget Action (CBA) would add \$200,000 GF (2023) to the Office of Housing (OH) for the Home for Good Program (Program) and impose a proviso.

Funding for this CBA would come from a reduction of \$200,000 included in the 2022 year-end supplemental budget ordinance (CB 120451). That funding was appropriated for the Home for Good Program in the 2022 Adopted Budget but was not needed due to the pandemic which delayed full program implementation. Specifically, the State postponed moving people off the Housing and Essential Needs (HEN) income support program during the pandemic and while the state of emergency was in place.

The Home for Good Program provides rental assistance and light case management services for

individuals who are at risk of homelessness due to transitioning from HEN to federal Social Security Insurance or Social Security Disability Insurance, which provides a lower level of income support. This results in less income to cover costs, such as rent, for these individuals.

The Program has received prior City funding of approximately \$750,000 that will be fully expended by the end of 2022. In order to support existing clients through the end of 2023, a total of \$325,000 is needed. Therefore, in addition to the funding included in this CBA, it is the Council's intent that \$125,000 in federal rental assistance funding proposed to be authorized in CB 120450 be provided to bring total funding for the Home for Good program to \$325,000 in 2023.

This Council Budget Action assumes approval of CBO-502-B-001-2023 and CBO-503-B-001-2023, which pass as amended Council Bill (CB) 120450, the year-end grant acceptance ordinance, and CB 120451, the year-end supplemental budget ordinance

This Council Budget Action would impose the following proviso:

"Of the appropriation in the Office of Housing's 2023 budget for the Multifamily Lending BSL, \$200,000 is appropriated solely for the Home for Good Program and may be spent for no other purpose."
