[REDACTED]

I possess a Specialty Electrician's 06a license, which required completion of 2000 hours of related trade work under the supervision of a journeyman (4000 hours total). I also carry a current Universal Refrigeration license, and I am a qualified BOA welder. I have a BA degree from the UW.

I have been certified in all of the following at one time in my hands on career (all of which required training):

Trak Pipe installer  
PE Pipe fuser  
Flagger  
Asbestos worker

Shoring and excavation  
Operator Qualification Training for Gas  
Workers  
Boiler Operator

I helped train four different Gas Worker Trainee groups (40-50 workers) over a 5 year period with Puget Sound Energy.

I believe in the apprenticeship model, and I am proud to be a skilled worker. I encourage and participate in any activities that support the apprenticeship model of career advancement.
