## 4. OTHER IMPLICATIONS

a) Does the legislation have indirect or long-term financial impacts to the City of Seattle that are not reflected in the above?

(If yes, explain here.)

No.

Martha Lester LEG Council QJ Rules 2015 SUM June 8, 2015 #2

### b) Is there financial cost or other impacts of not implementing the legislation?

(Estimate the costs to the City of not implementing the legislation, including estimated costs to maintain or expand an existing facility or the cost avoidance due to replacement of an existing facility, potential conflicts with regulatory requirements, or other potential costs or consequences.)

No.

### c) Does this legislation affect any departments besides the originating department?

(If so, please list the affected department(s), the nature of the impact (financial, operational, etc), and indicate which staff members in the other department(s) are aware of the proposed legislation.)

Other City departments and offices (e.g., Department of Planning and Development, Hearing Examiner) have roles in quasi-judicial matters, but no effects on their operations are anticipated due to the revisions of these rules.

### d) Is a public hearing required for this legislation?

(If yes, what public hearing(s) have been held to date, and/or what public hearing(s) are planned for the future?)

# e) Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?

(For example, legislation related to sale of surplus property, condemnation, or certain capital projects with private partners may require publication of notice. If you aren't sure, please check with your lawyer. If publication of notice is required, describe any steps taken to comply with that requirement.)

Nο

### f) Does this legislation affect a piece of property?

(If yes, and if a map or other visual representation of the property is not already included as an exhibit or attachment to the legislation itself, then you must include a map and/or other visual representation of the property and its location as an attachment to the fiscal note. Place a note on the map attached to the fiscal note that indicates the map is intended for illustrative or informational purposes only and is not intended to modify anything in the legislation.)

No.

# g) Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?

(If yes, please explain how this legislation may impact vulnerable or historically disadvantaged communities. Using the racial equity toolkit is one way to help determine the legislation's impact on certain communities.)

No implications for RSJI.

h) If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program's desired goals.

(This answer should highlight measureable outputs and outcomes.)
