## Marci Carpenter

### Qualifications and experience

- \* lifelong transit rider
- \* West Seattle resident (2004-present)
- \* Board member, West Seattle Transportation Coalition (2014-present)
- \* President, National Federation of the Blind of Washington (2014-present)
- \* President, Greater Seattle Chapter, National Federation of the Blind of Washington (2012-2015)
- \* Boulder Valley Ad Hoc Transportation Committee-Boulder, Colorado (1986-1988)
  - This was a 7-member committee appointed by Boulder City Council. We worked with city and county staff, engineering and public process consultants and developed a Transportation Master Plan for the Boulder Valley; a multi-model transportation master plan adopted by City Council and still in use today. As the most frequent transit user I advocated for planning and implementation of the transit component. I also co-chaired dozens of public outreach meetings throughout the community.
- \* Boulder Citizens Transportation Advisory Committee (1988-1993)
  - (Chair; 1991-1993)
    - This was the next iteration in the transportation planning and implementation process. This committee was also appointed by Boulder City Council. I worked extensively on employer and school/university based transit pass programs. I negotiated with the Denver Regional Transit District (RTD) for these programs and for increased transit service within Boulder and between Boulder/Denver and surrounding communities. I chaired twice monthly meetings and public outreach events for 2 years. I collaborated extensively with Go Boulder, a newly formed division of the City of Boulder Transportation Department tasked with promoting alternative modes of transportation; a very new concept at the time.
- \* lifelong activist and volunteer in the disability community
- \* Board member-Center for People with Disabilities, Boulder, CO; Independent Living Center and Service Agency (1988-1994)
  - Vice Chair (1989-1991) Chair (1992-1994)
