

1 The proposed amendment removes the changes in the bill that would eliminate the requirement for public
2 comment as part of the one-year review of major public project construction variances from noise
standards.

3 **CITY OF SEATTLE**
4 **ORDINANCE** _____
5 **COUNCIL BILL** _____

6 ***

7 Section 82. Section 25.08.655 of the Seattle Municipal Code, enacted by Ordinance
8 122923, is amended as follows:

9 **25.08.655 Major ~~((P))~~public ~~((P))~~project ~~((C))~~construction ~~((V))~~variance**

10 ***

11 **D. One-year review and decision~~((-))~~**

12 1. No later than one year after the start of construction to which a major public
13 project construction variance applies, the Administrator shall review and provide opportunity for
14 public comment on ~~((, and provide opportunity for public comment on,))~~ the operation of the
15 variance during the first year, including the provisions of the Noise Management and Mitigation
16 Plan, and the conditions of the variance. For purposes of determining the date of the start of the
17 project's construction work, site exploration work is excluded.

18 2. ~~((After considering the public comments received, t))~~ After considering the
19 public comments received, the Administrator may modify the terms and conditions of the
20 variance or the Noise Management and Mitigation ~~((p))~~ Plan as needed, or revoke the variance, if
21 the Administrator determines that the current variance, the conditions of the variance, or the
22 Noise Management and Mitigation Plan are not adequately protecting the public health and
