| Total Budget Balance Effect | \$0 | \$150,618 | | | |

Budget Action description:

This green sheet would cut a proposed Executive 1 position and \$150,618 of general fund appropriations from the proposed Office of Planning and Community Development. The proposed organizational structure of the new department includes a Planning Director (Executive 2), and two Executive 1 positions proposed to act as division directors. These division director positions are in addition to existing management the Executive proposes to transfer from the Department of Planning and Development. The Executive has provided a

preliminary structure for the department that identifies only 4.5 FTE reporting to one of the two Executive 1 positions. This green sheet would eliminate that position. The budget would still provide for a new Executive 1 position and a new Executive Assistant to support the Planning Director, in addition to existing staff.
