

# EPOC SEATTLE 101

## Who

We are a growing community of leaders of color who work on environmental issues. We are an all volunteer organization, housed under the Center for Diversity and the Environment. Our Seattle chapter is one of many including Atlanta, New York, Portland, LA, DC, and Kansas City.

### Committees

Convene  
Development  
Amplify

We have general responsibilities to the CDE, who provides general fundraising and financial support.

1. Establish Chapter Leadership
2. Host quarterly gatherings; be it social, educational, or service-oriented.
3. Co-manage a Google Group for EPOC members and encourage national dialogue with membership via Facebook or LinkedIn.

### EPOC SEATTLE COMMITTEES

#### Convene

Schedules regular meetings, keeps chapter calendar updated, organizes social events/happy hours

#### Development

Focuses on membership and recruitment, relationships to grant/funding partners, and branding/marketing

#### Amplify

Highlights chapter accomplishments and advocates for the voice of our membership, organizes outreach/tabling and public relations

## What

Our vision is to grow and strengthen representation of people of color in leaderships roles by facilitating leadership skills, building community and networking, providing connections to jobs and internships, and encouraging innovation and partnerships across projects, program, and organizations.

### CORE VALUES

#### Inclusion

Empowerment of all members; a spirit of co-creation & contribution

#### Equity

Use of best practices for supporting & partnering with people of color groups

#### Collaborative Leadership

Striving to embody humility, curiosity and compassion
