#### SEATTLE PROPERTY TAX COMPONENTS

# 1. General Purpose Levy

- Not subject to voter approval
- Growth is limited to 1% + new construction

# 2. Voter-Approved Levies for Specific Purposes

- $\circ$  Known as levy "lid lifts" because voters authorize taxation above the statutory lid
- $_{\odot}$  Examples: 2009 Housing Levy, Seattle Preschool Program, Move Seattle

# 3. Levy to Pay Debt Service on Voter-Approved Bonds

- $\circ$  Known as an "excess" levy because it does not count against the City's rate limit
- Examples: 1998 Libraries for All, 2012 Waterfront Seawall
