CITY CLERK

April 21, 2016

Office of the City Clerk
Seattle City Hall
600 4th Avenue
3rd Floor
Seattle, WA 98104

Dear Office of the City Clerk:

On April 7, 2016 I electronically filed the enclosed letter, UW Notice of Intent to Update 2003 UW Master Plan. Please find the enclosed hard copy for your records.

SMC 23.76.040 G3 states for a notice of intent to prepare Major Institution master plans, the Director shall provide the notice of intent to prepare a master plan to the City Clerk promptly after the notice of intent is received.

SDCI will process a Type IV Major Institution master plan application under project #3023261.

Sincerely,

Lindsay King
Senior Land Use Planner
Seattle Department of Construction and Inspections

Re: Notice of Intent to Update 2003 UW Master Plan

Dear Mr. Torgleson,

On behalf of the University of Washington, I would like to inform you that the University is updating the Major Institution Master Plan for its Seattle Campus. The updated Plan will guide the physical development of the Seattle Campus over the next 15 years and will follow the 1998 City University Agreement as it formulates the Plan. The updated Plan is being developed because the University will be close to completing three million square feet of development capacity approved by the Seattle City Council and Board of Regents by 2018. Based on our current schedule, we anticipate the updated Plan will be complete and approved by 2018.

We look forward to working with the City, the City-University Community Advisory Committee, and other interested parties in the preparation, review, and approval of our updated 2018 Seattle Campus Master Plan. We do not plan to submit for our MIMP until September, when we hope to issue our Draft Plan.

For updates on our progress toward completing a draft updated Plan, please see our 2018 Seattle Campus Master Plan website, pm.uw.edu/campus-master-plan.

Very truly yours,

Theresa Doherty,
Senior Project Director, Campus Master Plan
UW Planning & Management
