- 1. Seattle Youth Employment
- 2. Office of Economic Development
- 3. Educurious
- 4. Community-Based Organizations
- 5. Private sector

Mayor's Youth Employment Initiative

Youth Violence Prevention Reinvestment

Youth Violence Prevention Reinvestment

➤ HSD's goal is to **invest in what works** to address and interrupt youth violence so that young people have the support and resources to successfully reach adulthood.

➤ Investment priorities include:

- Systems approach
- Prevention continuum
- Gang related interventions
- Juvenile domestic violence interventions
- Young adults 18 to 24 years old
- Making measurable impact that address racial equity

Re-entry Work

- Career Bridge seeks to connect low-income people of color who face multiple barriers to jobs and education/training on a pathway toward living-wage careers.
- ➤In 2015, Career Bridge's impact included
 - 107 of enrolled participants identified as low-income
 - 96 identified as homeless.
 - 13 females and 94 males
 - 82% Black, African American and other African
 - 7% identified as immigrant or refugee

Affordability

- ➤ UDP: The Utility Discount Program offers a discount of about 60% on your Seattle City Light bill and a 50% discount on your Seattle Public Utilities bill for eligible customers.
- > \$20 car tab rebate: Provides income-eligible households that have cars registered in Seattle with a \$20 rebate on their cartab fees.
- ➤ ORCA Lift: Income-eligible riders save 50 percent, or more, on public transportation.

Food Access

➤ Child Care Nutrition Program

- 156 providers 78% of children served are low-income
- 1614 is average number of children participating per month

> Farm to Table

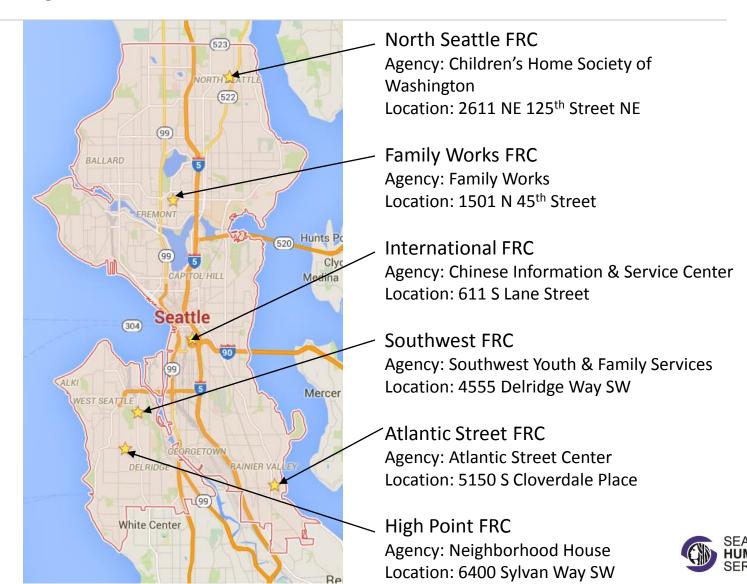

- 66 Sites
- 3595 children served

➤ Summer Food Service Program

- 4,624 children served
- 103 sites
- 233,583 meals served

Family Resource Centers

Measureable and Meaningful Impact

2015 YFE Performance Data

- >20,779 people were enrolled for utility discount (UDP)
- ≥1,096 young people were placed in internships
- >231,359 meals were served last summer to children
- >878 youth and adults engaged in violence prevention services
- >808 youth making academic progress towards graduation
- >9,977 families were served by one of the six Family Centers
