Section 9. Damage or Destruction

If Grantor's Property is destroyed or damaged by vandalism, fire or other casualty during the Term of this Covenant and Easement, Grantor, to the extent of available insurance proceeds, shall commence restoration of Grantor's Property within eighteen (18) months after the event of loss and diligently pursue such restoration to completion. In such event, the Term

shall be extended by the number of months that Grantor's Property was closed due to casualty loss.

Section 10. Grantor's Representations and Warranties

Grantor represents and warrants as follows:

(i) Grantor is a nonprofit corporation duly organized and in good standing in accordance with the laws of the State of Washington; that Grantor has the right, power and authority to execute, deliver and perform this Covenant and Easement; and that all requisite actions of Grantor to enter, deliver and perform this and to authorize the execution by the person signing on behalf of Grantor (including the consent of third parties if applicable) have been taken.

(ii) No provision of this Covenant and Easement is in conflict with any provision of any other agreement or instrument by which Grantor is bound or to which Grantor's Property is subject; nor shall the execution, delivery or performance of this Covenant and Easement constitute an event of default under any such agreement or instrument.

(iii) Grantor is the Owner of Grantor's Property.

(iv) This Covenant and Easement is legal, valid, and binding upon Grantor, and is enforceable in accordance with its terms, subject to the effect of bankruptcy, reorganization and other similar laws and general principles of equity.

Section 11. Easement, Covenants and Obligations Run With Property

The parties intend that this Covenant and Easement and the easements, covenants, restrictions and obligations contained herein shall, for the Term or until any earlier termination of this Covenant and Easement, be covenants running with Grantor's Property and equitable servitudes that touch and concern Grantor's Property, and shall be binding upon Grantor, its successors and assigns and all subsequent owners of Grantor's Property and their grantees, successors, heirs, devisees or assigns.

Section 12. Force Majeure

The time period or deadline required for performance of Grantor's obligations under this Covenant and Easement shall be extended for events of Force Majeure, and such extension shall be for such time period as such events shall continue. An event of "Force Majeure" shall mean (1) a strike, labor shortage or unavailability of materials, (2) a riot, insurrection or war, (3) a flood, earthquake, fire or other casualty or act of God, (4) a governmental order or decree, or (5) any other event or occurrence beyond the reasonable control of Grantor and which, by the exercise of due diligence, Grantor was unable to have avoided or overcome. Lack of or inability to procure funds to fulfill Grantor's obligations hereunder shall not be an event of Force Majeure. The Term shall be extended by the length of the event of Force Majeure.

Section 13. Insurance

A. General.

Grantor shall maintain at all times during the Term the following insurance:

(i) All risk property insurance on Grantor's Property. The amount of insurance shall be not less than the current replacement cost of the improvements on Grantor's Property as established upon each annual insurance policy renewal. The City of Seattle shall be an additional insured and loss payee as its interest may appear.

(ii) Commercial general liability insurance written on an occurrence form at least as broad as ISO CG 00 01, with Minimum Limits of Liability:

**\$1,000,000 per Occurrence
\$2,000,000 General Aggregate
\$2,000,000 Products/Completed Operations Aggregate
\$1,000,000 Personal/Advertising Injury Liability
\$1,000,000 Damage to Premises Rented to You**

Coverage shall include: Premises and Operations; Broad Form Property Damage (Including Completed Operations); Liability assumed under an Insured Contract (including tort liability of another assumed in a business contract); Personal Injury and Advertising Liability; Independent Contractors; Severability of Interest Clause; Waiver of Subrogation endorsement in favor of Grantee as required by contract; General Aggregate Limits of Insurance shall apply separately; "Claims Made" and "Modified Occurrence" policy forms are not acceptable.

The limits of liability described above are minimum limits of liability only. Regardless of provisions to the contrary under the terms of any insurance policy maintained by Grantor, the specification of any such minimum limits shall neither be (a) intended to establish a maximum limit of liability to be maintained by Grantor as respects this Agreement, nor (b) construed as limiting the liability of any of Grantor's insurers, which must continue to be governed by the stated limits of liability of the relevant insurance policies.

The City of Seattle shall be an additional insured for primary and non-contributory limits of liability.

Each insurance policy required hereunder shall be (1) subject to reasonable approval by Grantee that it conforms with the requirements of this Section 13, and (2) be issued by an insurer rated A-:VII or higher in the then-current A. M. Best's Key Rating Guide and licensed to do business in the State of Washington unless procured under the provisions of chapter 48.15 RCW (Unauthorized insurers).

B. Waiver of Subrogation

Unless such waiver would void the property insurance coverage to be provided pursuant to this section, the Grantee and Grantor waive all subrogation rights each may have against the other, or any subtenant, for damages caused by fire or other perils to the extent covered by property insurance obtained pursuant to this section or other property insurance applicable to the Premises

C. Evidence of Insurance

On or before the first day of the Term, and thereafter not later than the last business day prior to the expiration date of each such policy, the following documents must be delivered to Grantee at its notice address shown in Section 18 as evidence of the insurance coverage required to be maintained by Grantor:

- (i) certification of insurance documenting compliance with the coverage, minimum limits and general requirements specified herein; and
- (ii) a copy of the policies' declarations pages, showing the insuring company, policy effective dates, limits of liability and the Schedule of Forms and Endorsements specifying all endorsements listed on the policy including any company-specific or manuscript endorsements; and
- (iii) a copy of the CGL insurance policy provision(s) documenting the City of Seattle and its officers, elected officials, employees, agents and volunteers as additional insureds (whether on ISO Form CG 20 26 or an equivalent additional insured or blanket additional insured policy wording), showing the policy number, and the original signature and printed name of the representative of the insurance company authorized to sign such endorsement.

Section 14. Indemnification

A. Grantor's Indemnification.

Grantor shall have control over and responsibility for the day-to-day operation and maintenance of Grantor's Property in addition to the maintenance obligations for Grantee's Property and the adjacent alley, as more particularly described on Attachment 1 to Exhibit A. These obligations are in addition to any requirements that may be contained in the annual Street Use Permit referred to in Exhibit A, Section I.D. Grantor agrees to defend, indemnify, and hold the City of Seattle, its elected officials, officers, employees, and agents harmless from any and all damages, claims, liabilities, losses, and/or costs of any kind, including attorney's fees, that arise on account of Grantor's negligence in the use or maintenance of Grantor's Property, Grantee's Property and the adjacent alley.

B. Grantee's Indemnification

Grantee shall indemnify and defend Grantor for any injury to persons, damage to Grantor's Property, and any other claim, expense or liability incurred by Grantor, other than normal wear and tear, caused by the acts or omissions of Grantee, its agents, employees,

contractors or invitees in connection with uses by Grantee pursuant to this Covenant and Easement.

C. Survival of Indemnification Obligations; Waiver of Immunity

This indemnity obligations contained in this Section 14 shall survive any termination of this Covenant and Easement. Grantor and Grantee each waive, solely with respect to the other party hereto and only with respect to this Covenant and Easement, its immunity under RCW Title 51, Industrial Insurance. Grantor and Grantee acknowledge that this waiver has been specifically negotiated and that neither would have entered into this Agreement absent this waiver.

Section 15. No Waiver

No failure of a party to insist upon the strict performance of any covenant or obligation of this Covenant and Easement or to exercise any right or remedy upon a breach thereof shall constitute a waiver of any such breach or of any other covenant or obligation. In its sole discretion, a party may waive any of its rights or waive any covenant or obligation of the other party hereunder. No waiver shall alter this Covenant and Easement, and every term hereof shall continue in full force and effect with respect to any other then existing or subsequent breach thereof.

Section 16. Entire Agreement

This Covenant and Easement includes the Recitals and the Exhibit and attachments hereto. The provisions of this Covenant and Easement represent the entire agreement of Grantor and Grantee with respect to the subject matter hereof.

Section 17. Construction

The terms of this Covenant and Easement shall not be amended, revised or terminated except by an instrument in writing duly executed by the Grantee and Grantor and recorded. This Covenant and Easement shall be construed liberally to accomplish the public benefits intended hereby and shall not be construed strictly against the drafter.

The captions used in this Covenant and Easement are for convenience only and do not control or affect the meaning or construction of any provisions of this Covenant and Easement.

Section 18. Notices

Any notices required or permitted hereunder shall be effective when hand-delivered during normal business hours or two (2) business days after mailed, postage prepaid, to a party at the address set forth below for such party, or such other address as such party may provide by written notice in accordance with this Covenant and Easement.

Throughout the Term of this Covenant and Easement, Grantor shall comply at its sole expense with all applicable laws of the United States and the State of Washington; the Charter, Municipal Code, and ordinances of The City of Seattle; and rules, regulations, orders, and directives of their administrative agencies and the officers thereof (all of the foregoing are referred to as "applicable laws").

Without limiting the generality of the foregoing, Grantor shall comply, and cause all contractors and subcontractors working on Grantor's Property to comply, with all applicable equal employment opportunity and nondiscrimination laws of the United States, the State of Washington, and the City of Seattle, including but not limited to Chapters 14.04, 14.10 and 20.42 of the Seattle Municipal Code (SMC), or any successor provisions, and rules, regulations, orders, and directives of the associated administrative agencies and their officers.

Section 22. Attorneys' Fees

If by reason of any default or breach under this Covenant and Easement by either Grantor or Grantee, it becomes necessary to institute suit, the prevailing party in such suit shall be entitled to recover, as part of any judgment, fees and costs incurred by its attorneys and paralegals in such suit (including any appeal) determined as follows: (a) if both Grantor and Grantee have used in-house counsel, the fees and costs reasonably incurred by attorneys and paralegals of the prevailing party shall be calculated at the

actual rate of such employees; or (b) if one party has used outside counsel and the other party has used in-house counsel, (i) if the party using outside counsel prevails, the fees and costs reasonably incurred by its attorneys and paralegals shall be calculated at their actual rates; and (ii) if the party using in-house counsel prevails, the fees and costs reasonably incurred by its attorneys and paralegals shall be calculated at the rates charged by attorneys and paralegals in private practice in a downtown Seattle law firm, comparable in size to that party's internal Law Department, who have been working as such for approximately the same period of time as have the in-house attorneys and paralegals representing that party.

Section 23. Right of First Refusal

In the event of any offer acceptable to Grantor, or to Grantor's successor in interest, at any time or times during the Term hereof, for the sale of all or any portion of Grantor's Property or for a lease thereof exceeding 5 years, prior to acceptance thereof, Grantor shall give Grantee, with respect to each such offer, written notice thereof and a copy of said offer including the name and address of the proposed purchaser or lessee. Grantee shall have the option and right of first refusal for sixty (60) days after receipt of such notice within which to elect to purchase or lease Grantor's Property, as the case may be, on the terms of said offer. If Grantee shall elect to purchase or lease Grantor's Property pursuant to the option and first refusal herein granted, it shall give notice of such election within such sixty (60) day period. Grantee's failure at any time to exercise its option under this paragraph shall not affect this lease and the continuance of Grantee's rights and options under this and any other paragraph herein. The right of first refusal granted herein shall not be applicable to the encumbrance of Grantor's Property by Grantor of any deed of trust or mortgage in favor of an institutional lender or governmental entity nor any foreclosure sale of all or any portion of Grantor's Property by such lender or governmental entity.
