DESCRIPTION OF THE BONDS

Bond Details

The Bonds will be dated the date of their initial delivery. Interest on the Bonds is payable semiannually on each April 1 and October 1, beginning October 1, 2016.

Registration and Book-Entry Transfer System

The Bonds will be issued only in registered form as to both principal and interest by the fiscal agent of the State (the "Bond Registrar"), currently U.S. Bank National Association in Seattle, Washington (or such other fiscal agent or agents as the State may from time to time designate). The Bonds initially will be registered in the name of the Securities Depository, which is defined in the Bond Legislation as the Depository Trust Company, New York, New York ("DTC"), or any successor thereto.

Election of Maturities

The successful bidder for the Bonds shall designate whether some or all of the principal amounts of the Bonds maturing on and after April 1, 2027, shall be retired as shown in the table below as serial bonds maturing in such year or as amortization installments of Term Bonds maturing in the years specified by the bidder. Term Bonds, if any, must consist of the total principal payments of two or more consecutive years and mature in the latest of those years.

- (1) Preliminary, subject to change. See “Bidding Information and Award—Adjustment of Principal Amounts and Bid Price After Receipt of Bids” below for a description of the City’s right to adjust the principal amounts after the bids are received.
- (2) These amounts will constitute principal maturities of the Bonds unless Term Bonds are specified by the successful bidder, in which case the amounts so specified will constitute mandatory sinking fund redemptions of Term Bonds.

Redemption

Optional Redemption. The Bonds maturing on and before April 1, 2026, are not subject to redemption prior to maturity. The City reserves the right and option to redeem Bonds maturing on and after April 1, 2027, prior to their stated maturity dates at any time on or after April 1, 2026, as a whole or in part, at a price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption. See “Description of the Bonds—Redemption of Bonds—Optional Redemption” in the Preliminary Official Statement.

Mandatory Redemption. As indicated on the schedule above, Bonds that are designated by the successful bidder as Term Bonds will be subject to mandatory sinking fund redemption. See “Description of the Bonds—Redemption of Bonds—Mandatory Redemption” in the Preliminary Official Statement.

Selection of Bonds for Redemption. If fewer than all of the Bonds are to be redeemed prior to maturity, the selection of such Bonds for redemption shall be made as described under “Description of the Bonds—Redemption of Bonds—Selection of Bonds for Redemption” in the Preliminary Official Statement.

Purpose

The Bonds are being issued to pay for part of the costs of various projects of the City’s Drainage and Wastewater System, to make a deposit into the Reserve Subaccount, to refund, subject to market conditions, certain outstanding obligations of the Drainage and Wastewater System, and to pay the costs of issuing the Bonds and administering the Refunding Plan.

Security

The Bonds are special limited obligations of the City payable from and secured solely by the Net Revenue of the Drainage and Wastewater System (including all utility local improvement district assessments pledged to Parity Bonds) and by money in the Parity Bond Account and subaccounts therein (including the Reserve Subaccount). Net Revenue is pledged to make the payments into the Bond Account and the Reserve Subaccount required by the Bond

Legislation, which pledge constitutes a charge and lien upon such Net Revenue prior and superior to all other liens and charges whatsoever. The Bonds are on a parity with the Outstanding Parity Bonds and all Future Parity Bonds, without preference or priority of right or lien.

The Bonds do not constitute general obligations of the City, the State of Washington (the "State"), or any political subdivision of the State, or a charge upon any general fund or upon any money or other property of the City, the State, or any political subdivision of the State not specifically pledged thereto by the legislation authorizing the issuance of the Bonds. Neither the full faith and credit nor the taxing power of the City, nor any revenues of the City derived from sources other than the Drainage and Wastewater System, are pledged to the payment of the Bonds.

BIDDING INFORMATION AND AWARD

Bidders are invited to submit bids for the purchase of the Bonds fixing the interest rate or rates that the Bonds will bear. Interest rates included as part of a bid shall be in multiples of 1/8 or 1/20 of 1%, or any combination thereof. Bidders must specify interest rates of equal to or greater than 4% for each maturity of the Bonds maturing on or after April 1, 2027, and no interest rate greater than 5% is allowed for any maturity of the Bonds. No more than one rate of interest may be fixed for any one maturity of the Bonds.

No bid will be considered for the Bonds that is less than an amount equal to 108.5% of the par value of the Bonds nor more than an amount equal to 122.5% of the par value of the Bonds. For the purpose of this paragraph, "price" means the lesser of the price to the redemption date, if any, or the price to the maturity date.

Bids for the Bonds must be unconditional. No bid for less than the entire offering of the Bonds will be accepted. Bids may not be withdrawn or revised after the cut-off time for receiving bids. The City strongly encourages the inclusion of women and minority business enterprise firms in bidding syndicates.

Bidding Process

Bids for the Bonds must be submitted via Parity. By submitting an electronic bid for the Bonds, each bidder thereby agrees to the following terms and conditions:

- (i) If any provision in this Official Notice of Bond Sale conflicts with information or terms provided or required by Parity, this Official Notice of Bond Sale (including any modifications provided by the City to Parity) shall control.
- (ii) Each bidder is solely responsible for making necessary arrangements to access Parity for purposes of submitting a timely bid in compliance with the requirements of this Official Notice of Bond Sale (including any modifications provided by the City to Parity).
- (iii) The City has no duty or obligation to provide or assure access to Parity, and the City shall not be responsible for the proper operation of Parity, or have any liability for any delays or interruptions or any damages caused by use or attempted use of Parity.
- (iv) Parity is acting as an independent contractor, and is not acting for or on behalf of the City.
- (v) The City is not responsible for ensuring or verifying bidder compliance with Parity's procedures.
- (vi) If the bidder's bid is accepted by the City, this Official Notice of Bond Sale (including any modifications provided by the City to Parity) and the information that is submitted electronically through Parity shall form a contract, and the bidder shall be bound by the terms of such contract.
- (vii) Information provided by Parity to bidders shall form no part of any bid or of any contract between the successful bidder and the City unless that information is included in this Official Notice of Bond Sale (including any modifications provided by the City to Parity).

Good Faith Deposit

The winning bid must be backed by a good faith deposit in the amount of \$1,650,000. The good faith deposit must be paid by federal funds wire transfer within 90 minutes after notice from the City to the apparent successful bidder for the Bonds. Wiring instructions will be provided to the apparent successful bidder at the time of the notice from the City.

1
2
3

The good faith deposit for the Bonds shall be retained by the City as security for the performance of the apparent successful bidder and shall be applied to the purchase price of the Bonds upon the delivery of the Bonds to the apparent successful bidder. Pending delivery of the Bonds, the good faith deposit may be invested for the sole benefit of the City. If the Bonds are ready for delivery and the apparent successful bidder fails or neglects to complete the purchase of the Bonds within 30 days following the acceptance of its bid, the good faith deposit shall be retained by the City as reasonable liquidated damages and not as a penalty.

Award

The Bonds will be sold to the bidder making a bid for the Bonds that conforms to the terms of the offering and is, based on the City's determination of the lowest true interest cost, the best bid. The true interest cost will be the rate that, when used to discount to the date of the Bonds all future payments of principal and interest (using semiannual compounding and a 30/360-day basis), produces an amount equal to the bid amount, without regard to the interest accrued to the date of the Bonds. The true interest cost calculations for the Bonds will be performed by the City's Financial Advisor, and the City will base its determination of the best bid for the Bonds solely on such calculations. If there are two or more equal bids for the Bonds and those bids are the best bids received, the Director of Finance will determine by random selection which bid will be presented to the City Council.

The apparent successful bidder for the Bonds will be notified by the City and must provide a good faith deposit as described above. The bid for the Bonds will be presented to the City Council at approximately 1:30 p.m., Pacific Time, on the date set for receiving bids and shall remain in effect until 5:00 p.m., Pacific Time, on that date. Such bid shall be considered awarded upon the City Council's adoption of a resolution accepting the bid.

The City reserves the right to reject any or all bids submitted and to waive any formality or irregularity in any bid or the bidding process. If all bids for the Bonds are rejected, then the Bonds may be sold in the manner provided by law. Any bid presented after the cut-off time for receiving bids will not be accepted.

Adjustment of Principal Amounts and Bid Price After Receipt of Bids

The City reserves the right to increase or decrease the preliminary aggregate principal amount of the Bonds by an amount not to exceed 10% of the aggregate principal amount of the Bonds after the cut-off time for receiving bids. The City also reserves the right to increase or decrease the preliminary principal amount of any maturity of the Bonds shown on Parity by an amount not to exceed the greater of \$500,000 or 15% of the preliminary principal amount of that maturity.

If the preliminary principal amount of the Bonds is adjusted by the City, the price bid by the successful bidder for the Bonds will be adjusted by the City on a proportionate basis to reflect an increase or decrease in the principal amount and maturity schedule. In the event that the City elects to increase or decrease the principal amount of the Bonds after receiving bids, the Underwriter's discount, expressed in dollars per thousand, will be held constant. The City will not be responsible in the event and to the extent that any adjustment affects (i) the net compensation to be realized by the successful bidder, or (ii) the true interest cost of the winning bid or its ranking relative to other bids.

Issue Price Information

Upon award of the Bonds, the successful bidder for the Bonds shall advise the City and Bond Counsel of the initial reoffering prices to the public of each maturity of the Bonds (the "Initial Reoffering Prices"), for the City's inclusion in the final Official Statement for the Bonds. Prior to delivery of the Bonds, the successful bidder shall furnish to the City and Bond Counsel a certificate in form and substance acceptable to Bond Counsel:

- (i) confirming the Initial Reoffering Prices,
- (ii) certifying that a *bona fide* offering of the Bonds has been made to the public (excluding bond houses, brokers, and other intermediaries),
- (iii) stating the first price at which a substantial amount (at least 10%) of each maturity of the Bonds was sold to the public (excluding bond houses, brokers, and other intermediaries), and
- (iv) if the first price at which a substantial amount of any maturity of the Bonds is sold does not conform to the Initial Reoffering Price of that maturity, providing an explanation of the facts and circumstances that resulted in that nonconformity.

1
2

A draft form of such certificate will be available prior to the sale date from the City's Financial Advisor. See "Contact Information" in this Official Notice of Bond Sale.

Insurance

No bid for the Bonds may be conditioned upon obtaining insurance or any other credit enhancement, or upon the City's acceptance of any of the terms of insurance or other credit enhancement. Any purchase of municipal bond insurance or commitment therefor shall be at the sole option and expense of the bidder, and any increased costs of issuance of the Bonds resulting by reason of such insurance, unless otherwise paid, shall be paid by such bidder, but shall not, in any event, be paid by the City. Any failure of the Bonds to be so insured or of any such policy of insurance to be issued shall not in any way relieve the successful bidder of its contractual obligations arising from the acceptance of its bid.

If the successful bidder purchases insurance for any of the Bonds, the City may require the successful bidder to furnish to the City and Bond Counsel a certificate in form and substance acceptable to Bond Counsel confirming that the present value (calculated using the same yield as the yield on the insured Bonds) of the insurance premium is less than the present value (calculated using the same yield as the yield on the insured Bonds) of the interest cost savings represented by the comparative differences between interest amounts that would have been payable on the various maturities of the insured Bonds at interest rates on the insured Bonds issued with and without the insurance on the insured Bonds.

Ratings

The Bonds have been rated "Aa1" and "AA+" by Moody's Investors Service, Inc. and Standard & Poor's Ratings Services, respectively. The City will pay the fees for these ratings; any other ratings are the responsibility of the successful bidder.

DELIVERY

The City will deliver the Bonds (consisting of one certificate for each maturity of the Bonds) to DTC in New York, New York, or to the Bond Registrar on behalf of DTC for closing by Fast Automated Securities Transfer, prior to the date of closing. Closing shall occur within 30 days after the sale date. Settlement shall be in immediately available federal funds on the date of delivery.

If, prior to the delivery of the Bonds, the interest receivable by the owners of the Bonds becomes includable in gross income for federal income tax purposes, or becomes subject to federal income tax other than as described in the Preliminary Official Statement, the successful bidder for the Bonds, at its option, may be relieved of its obligation to purchase the Bonds and in that case the good faith deposit accompanying its bid will be returned without interest.

The City will furnish to the successful bidder for the Bonds one CD-ROM transcript of proceedings; additional transcripts will be furnished at the successful bidder's cost.

Legal Opinion

The approving legal opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, Seattle, Washington, Bond Counsel, with respect to the Bonds will be provided to the successful bidder for the Bonds at the time of the delivery of the Bonds. The form of Bond Counsel's opinion is attached to the Preliminary Official Statement as Appendix B. A no-litigation certificate will be included in the closing documents for the Bonds.

CUSIP Numbers

It is anticipated that a CUSIP identification number will appear on each Bond, but neither the failure to insert such number nor any error with respect thereto shall constitute cause for a failure or refusal by the successful bidder for the Bonds to accept delivery of and pay for the Bonds in accordance with the terms of this Official Notice of Bond Sale.

The successful bidder for the Bonds is responsible for obtaining CUSIP numbers for the Bonds. The charge of the CUSIP Service Bureau shall be paid by such successful bidder.
