1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to City employment; authorizing the execution of a collective bargaining agreement between The City of Seattle and Teamsters Local Union No. 117; and ratifying and confirming certain prior acts.

Summary and background of the Legislation: This legislation authorizes the Mayor to implement a collective bargaining agreement between the City of Seattle (“City”) and the Teamsters Local Union No. 117, Evidence Warehouse unit (“Evidence Warehouse”). The collective bargaining agreement is a four-year agreement on wages, benefits, hours and other working conditions for the time period January 1, 2015 through December 31, 2018. This legislation affects up to approximately 10 regular City employees.

The collective bargaining agreement provides for wage adjustments of 2 percent in 2015, 2 percent in 2016, 2.5 percent in 2017 and 2.75 percent in 2018. Employees who work a graveyard or swing shift will receive an additional \$0.10 per hour effective on December 30, 2015. Employees in 2016 will receive an increase of \$20 for boots, clothing or tools, and an additional \$20 increase for the same in 2017.

The City and union agreed to continue health care cost sharing the same as in the previous agreement: the City will pay up to 7 percent of annual healthcare cost increases and then additional costs will be covered by the Rate Stabilization Fund. Once that Fund is exhausted, the City will pay 85 percent and employees will pay 15 percent of any additional costs.

The collective bargaining agreement provides other terms and conditions. Employees who furloughed in 2010 will receive the same number of hours taken and those hours will be split equally in 2016 and 2017; the leave cannot be cashed out or carried over from year to year. The City and unions also agreed to a SCERS II retirement system for new employees hired on or after January 1, 2017, among other items. The Evidence Warehouse agreement is pending ratification of union membership; the Mayor is not authorized to execute the agreement unless and until it has been ratified by Evidence Warehouse’s union membership.

2. SUMMARY OF FINANCIAL IMPLICATIONS

X This legislation does not have direct financial implications.

Labor Relations developed the estimate below to approximate the costs of ratifying the new Evidence Warehouse workers agreement along with other employee groups who receive the same increases. Costs for the Evidence Warehouse workers collective bargaining agreement – which includes City contributions to retirement, social security and Medicare – were included in the cost of the 2015-2016 biennial budget. Funds were set aside in the 2016 Adopted Budget to cover these cost increases; separate, future legislation will be forwarded by the City Budget Office in early 2016 to authorize appropriations of funds to departments.

Union members' base wages will increase by 2 percent for 2015, 2 percent for 2016, 2.5 percent for 2017 and 2.75 percent for 2018. The aggregate cost of wages for unions in the Coalition of City Unions (and for non-represented employees, which have historically been extended the same increases) is estimated to grow from \$823 million in 2014 to \$916 million in 2018. (Note: this estimate does not include minimum wage costs. The minimum wage funds were authorized in the 2015 Budget and will be appropriated in the same City Budget Office legislation noted above.)
