CM Juarez - Homelessness

The Lake City Winter Shelter, operating in the Seattle Mennonites building, is an overnight seasonal shelter for single adults that includes case management and dinner and breakfast for guests. The shelter has HSD funds to run through the end of the calendar year. As the city moves towards a more comprehensive shelter and housing program to address homelessness there is a need to maintain crisis interventions during the next 2 years as the new approach formulates.

2017 \$85,700 2018 \$85,700
