Budget Action description:

This green sheet would add \$25,000 GSF in 2017 and \$25,000 GSF in 2018 to the Office of Labor Standards (OLS) for staff training.

The 2017 Proposed Budget would increase OLS's staff training budget from \$0 in 2016 to \$50,000 in 2017. An additional increase of \$25,000 in funding (for a new total of \$75,000) for staff training in 2017 will help ensure staff have access to necessary training given the proposed increase in the office from nine to 22 FTEs and the complexity of the laws enacted. Currently investigators are trained on the job by their supervisor; and in 2017, OLS will have one enforcement supervisor and one enforcement manager. Additional funding for staff training will allow for more formal training as well as on the job training.
