Budget Action description:

This budget action establishes a proviso on 2017 HSD spending on homeless outreach services. The Council's intent is to ensure consistency of management and delivery of homeless outreach services with the pending recommendations of the All Home Outreach Continuum Work Group.

Council expects that this coordination will extend across multiple service providers engaging with the different populations of people experiencing homelessness in Seattle. Council also expects that training for outreach workers will help to ensure that all providers involved in implementing city policies meet and maintain compliance with the standards recommended by the Work Group and that the compliance will be regularly verified.

This green sheet imposes the following proviso:

"Of the appropriation in the 2017 Budget for the Human Services Department's Division of Homeless Strategy and Investment BCL, \$1,600,000 is appropriated solely for homeless outreach services. It is expected that these services will be managed and delivered consistently with the recommendations of the All Home Outreach Continuum Work Group."
