## Budget Action description:

This green sheet would pass C.B. 118836 increasing the marijuana business license fee charged by the Department of Finance and Administrative Services (FAS) in 2017 as follows:

1. Marijuana Business License - Located in Seattle	(( <del>\$1,000</del> )) <u>\$1,500</u>
2. Marijuana Business License - Located outside Seattle	(( <del>\$500</del> )) <u>\$750</u>
3. Marijuana Business License - Reinspection, Reinstatement,	
or Relocation of Physical Address Fee	\$250

The current fees are not sufficient to cover FAS' costs to regulate the industry, requiring GSF support to FAS of approximately \$368,000 in 2016. The new fees will also generate insufficient revenue to cover costs in the future.
