1. BILL SUMMARY

Legislation Title: AN ORDINANCE relating to the City’s criminal code; amending Sections 3.33.030, 12A.08.140, 12A.08.170, 12A.10.150, 12A.14.010, 12A.14.160, and 12A.16.040 of the Seattle Municipal Code; adding Sections 12A.08.165, 12A.08.180, 12A.08.190, and 12A.10.160 to the Seattle Municipal Code; and repealing Sections 6.36.010, 6.36.020, 6.36.030, 6.36.040, 6.36.050, 6.36.060, 6.36.070, and 6.36.080 of the Seattle Municipal Code to conform the Seattle Municipal Code with changes in state law and make technical corrections.

Summary and background of the Legislation: This legislation changes Seattle’s criminal code mostly to reflect changes made to corresponding state statutes by the 2016 Legislature. It specifies that the prosecution has a right to a jury trial in Municipal Court, provides definitions of terms used in the crimes of possession of another’s identification, unlawful carrying of a pistol, unlawful delivery of a pistol by a dealer and unlawful possession of a loaded rifle in a motor vehicle, clarifies the definition of a term used in the crime of disclosing intimate images, creates the crimes of spoofing and electronic data tampering, prohibits carrying an air gun onto school premises and prohibits giving false identification to a police officer issuing a parks exclusion notice. The legislation also moves the crime of permitting the unlicensed practice of massage or reflexology from Chapter 6.36 to Chapter 12A.10 and repeals the remainder of Chapter 6.36 as the City cannot enforce its own licensing regulations where the state licenses massage practitioners and reflexologists.

4. OTHER IMPLICATIONS

- a) **Does the legislation have indirect or long-term financial impacts to the City of Seattle that are not reflected in the above?** There would be some indirect cost to the Police Department in enforcing these new crimes and expanded crimes, the City Attorney’s office in prosecuting the same and Municipal Court in adjudicating and sentencing the same. Inasmuch as the number of such violations undoubtedly will be very small, these indirect costs should be minimal.

- b) **Is there financial cost or other impacts of not implementing the legislation?** These new crimes are crimes under state law, which would be enforced in Seattle by the Police Department regardless of the legislation so the cost to that Department would not be affected by not implementing the legislation. The costs to the City Attorney’s office and Municipal Court would be avoided by not implementing the legislation.

- c) **Does this legislation affect any departments besides the originating department?**
This legislation would affect the Police Department, as officers would be enforcing these new crimes and expanded crimes, the City Attorney's office in prosecuting the same and Municipal Court in adjudicating and sentencing the same.
- d) **Is a public hearing required for this legislation?** No.
- e) **Does this legislation require landlords or sellers of real property to provide information regarding the property to a buyer or tenant?** No.
- f) **Is publication of notice with *The Daily Journal of Commerce* and/or *The Seattle Times* required for this legislation?** No.
- g) **Does this legislation affect a piece of property?** No.
- h) **Please describe any perceived implication for the principles of the Race and Social Justice Initiative. Does this legislation impact vulnerable or historically disadvantaged communities?** None seems apparent.
- i) **If this legislation includes a new initiative or a major programmatic expansion: What are the long-term and measurable goals of the program? Please describe how this legislation would help achieve the program's desired goals.** This legislation does not include any new initiatives or major programmatic expansions.
- j) **Other Issues:**
