Description: This amendment would increase appropriation authority by \$50,000 in the Civil Rights BCL and provides resources to the Office of Civil Rights (OCR) to fund technical support for the racial equity toolkit (RET) process the City Attorney’s office has been asked to complete on its pre-filing diversion program. The City Council’s Gender Equity, Safe Communities & New Americans Committee specifically requested additional support from OCR to the City Attorney’s Office in conducting the RET for the pre-filing diversion program. This funding supports a consultant providing technical assistance and guidance to the City Attorney’s office for the RET, which includes developing the overall framework for the process.
