

Amendment 3 to C.B. 118952 (1st Quarter Supplemental)

On page 8, after Item 6.13, strike Item 6.14 as shown below.

Item	Department	Position Title	Position Status	Number
6.14	Seattle Police Department (SPD)	Video Specialist II	Full time	2.0

Renumber the items in Section 6 accordingly.

Adjust the total for Section 6 accordingly.

Description: This proposed amendment would remove the request for 2.0 FTEs for video specialists to support the Body-Worn Video (BWV) program, because the need for the positions has been deferred. The department deployed cameras at the end of 2016 and early 2017, but does not currently have body-worn cameras on the streets while the BWV policy is under further consideration by the federal court overseeing the City’s consent decree. The positions will eventually be needed to support the Body-Worn Video program to process public disclosure and legal requests for BWV recordings when the cameras are deployed; these positions were contemplated in, and would be funded by, the BWV CIP project that was approved by the Council for the 2017-2022 CIP budget.
