

Amendment 6b to C.B. 118952 (1st Quarter Supplemental)

On page 4, after Item 2.4, insert a new Item 2.XX as shown below.

Item	Fund	Department	Budget Control Level	Amount
2.XX	General Subfund (00100)	Executive	Planning and Community Development (00100- X2P00)	\$4,300,000

Renumber the items in Section 2 accordingly.

Adjust the total for Section 2 accordingly.

Description: This amendment would appropriate \$4,300,000 of General Subfund to the Office of Planning and Community Development with automatic carryover to contract with an outside entity for the development of a ground floor cultural community center, providing comprehensive language, social, vocational and cultural services, within the development of a multi-story building with affordable housing on the upper floors. It is intended that the Office of Planning and Community Development will coordinate the issuance of this contract with the Office of Housing, which could contract for affordable housing on the upper floors, so that the entire project can be funded together.

It is intended that the Executive will offset the cost of this item by reducing “sweeps” of homeless encampments, thereby reducing planned expenditures on homeless encampment cleanup from appropriations made to other departments including, but not limited to: Seattle Department of Transportation and the Seattle Police Department.
