WHEREAS, the Central Area is a diverse and inclusive neighborhood with a rich history of civic

engagement on matters affecting the Central Area; and

WHEREAS, The City of Seattle is committed to strong partnerships building with communities

engaged in inclusive and innovative community planning, visionary neighborhood plans,

and effective action plans; and

WHEREAS, in 1998, the City Council recognized the Central Area Neighborhood Plan; and

5 Area vision while balancing the different interests of the community. The 23rd Avenue
6 ACT consists of local leaders representing diverse backgrounds; over 50 percent are
7 Black/African American, over 30 percent are small business owners, and over 50 percent

21 additional comments on the proposed 23rd Avenue Action Plan (Union-Cherry-Jackson),
22 UDF and rezones; and

1 WHEREAS, this robust engagement process with the 23rd Avenue ACT and the broader
2 community resulted in an Action Plan with five priorities: A Destination with a Unique
3 Identity; Connected People and Community; A Great Business Community; Livable
4 Streets for All; and A Healthy and Stable Community; and an Urban Design Framework
5 containing a broad set of recommendations to address community concerns and indicate
6 and provide options for zoning changes in the neighborhood; and

7 WHEREAS, on April 28, 2014 and October 16, 2015, the City Council passed Ordinance
8 124458 and 124887 respectively, amending the Seattle Comprehensive Plan with updates
9 to the Central Area Neighborhood Planning Element and the Future Land Use Map
10 changes recommended in the 23rd Avenue Action Plan (Union-Cherry-Jackson); and

11 WHEREAS, the proposed rezones increase the allowed density and intensity of the 23rd and
12 Union commercial node to concentrate commercial and residential growth, and support a
13 greater variety of shops, services, and housing including affordable housing; and

14 WHEREAS, on June 29, 2015, the Office of Planning and Community Development (OPCD)

16 that the rezones will not have a significant adverse environmental impact; and

17 WHEREAS, in September 2014, the City Council adopted Resolution 31546, in which the
18 Council and Mayor proposed that a Seattle Housing Affordability and Livability Agenda
19 (HALA) Advisory Committee be jointly convened by the Council and the Mayor to
20 evaluate potential housing strategies; and

21 WHEREAS, the HALA Advisory Committee provided final recommendations to the Mayor and
22 City Council on July 13, 2015; and

1 WHEREAS, the HALA Advisory Committee recommended extensive citywide upzoning of
2 residential and commercial zones and, in connection with such upzones, implementation
3 of a mandatory inclusionary housing requirement for new residential development and
4 commercial linkage fees for new commercial development; and

5 WHEREAS, the July 13, 2015, Statement of Intent for Basic Framework for Mandatory
6 Inclusionary Housing and Commercial Linkage Fee (commonly referred to as the “Grand
7 Bargain”) states that the mandatory housing affordability requirements for residential and
8 commercial development should achieve a projected production level over 10 years of no
9 less than 6,000 units of housing affordable to households with incomes no greater than 60
10 percent of median income, and that, if the projected production level falls below the
11 target, all parties agree to develop and consider options to achieve the agreed-upon
12 production target; and

13 WHEREAS, in November 2015, the City Council adopted Ordinance 124895, which established

19 housing incentive programs providing for the development of low-income housing units
20 through development regulations or conditions on rezoning or permit decisions, or both;
21 and

22 WHEREAS, this ordinance would increase development capacity, in the form of an increase in
23 the amount of height or floor area allowed by zoning, and implement the Affordable

1 Housing Impact Mitigation Program for commercial development and mandatory
2 housing affordability for residential development in the 23rd Avenue Corridor; and

3 WHEREAS, increased residential development in the 23rd Avenue Corridor will assist in
4 achieving local growth management and housing policies; and

5 WHEREAS, the proposed rezone increase the allowed density and intensity of neighborhood
6 commercial areas, and provide for pedestrian-oriented commercial districts by
7 concentrating commercial and residential growth along 23rd Ave at E Union Street, E

9 greater variety of shops, services and housing including affordable housing that serve the
10 Central Area community, enhance the sense of community and identity for the Central
11 Area, and support equitable development and community ownership; and

12 WHEREAS, staff has determined that the increased development capacity provided by this
13 ordinance in the 23rd and Union node can be achieved subject to consideration of other
14 regulatory controls on development; and

15 WHEREAS, the Council finds that the proposed rezones meet the Land Use Code rezone criteria
16 contained in Chapter 23.34, Amendments to Official Land Use Map (Rezoning), as
