RECITALS

On April 24, 1998, the City acquired title to portions of the Naval Station Puget Sound at Sand Point from the United States government under terms and conditions requiring, among other public and community uses, the development and management of housing for the homeless and related services.

The City entered into that certain Lease dated April 22, 1998 between City as lessor and Sand Point Community Housing Association (“SPCHA”) as lessee (the “Original Lease”), with respect to all of the land conveyed by the United States under the Navy Deed, as defined below. SPCHA ultimately dissolved and transferred its interest in the Original Lease to Sand Point Community Connections LLC, a Washington limited liability company (“SPCC”) that is an Affiliate of Lessee, and the Original Lease was amended and restated by that certain Amended and Restated Lease dated as of April 23, 2008, which, as further amended by a First Amendment to Amended and Restated Lease and Partial Termination of Lease dated as of February 5, 2010 (“First Amendment”), a Second Amendment to Amended and Restated Lease dated as of December 4, 2012 (“Second Amendment”) and a Third Amendment to Amended and Restated Lease and Partial Termination of Lease dated as of

_____, _____ (“Third Amendment”), each between City as lessor and SPCC as lessee, is referred to as the “Amended Lease”. The First Amendment removed Parcel B of Seattle Short Subdivision No. 9904055. The Second Amendment extended the term of the Amended Lease through December 31, 2085 for Parcel A only of Seattle Short Subdivision No. 9904054. The Third Amendment removed Parcels C, D, and E of Seattle Short Subdivision No. 9904055 from the Amended Lease.

This Lease shall be in effect from the execution date of this Lease (“Effective Date”) through December 31, 2092 (“Term”), unless sooner terminated as provided elsewhere in this Lease.

3.2 Termination if Premises No Longer Used for Homeless. The Premises shall be deemed to be in use for the benefit of Homeless Persons for purposes of this Section if all of the housing units on the Premises are used solely as residential housing for Homeless Persons on terms consistent with the MOP, and any other improvements on the Premises, are used only by or for residents of those units and their invitees.

4. RENT

4.1 Rent. Lessee shall pay Lessor base rent for the Premises during the Term at the rate of ONE DOLLAR (\$1.00) per year. Rent shall be due and payable by Lessee to Lessor on the execution date of this Lease for the first year of the Term and subsequently payable by Lessee on each anniversary of the execution date of this Lease. Lessee reserves the right to prepay the entire Term or portions thereof, but no acceptance of prepayment shall affect the right of the Lessor to terminate this Lease upon the circumstances set forth herein, and there shall be no right to any rebate of prepaid rent upon any such termination.

5. PREMISES; USE

5.1 Use of Premises.

(a) Lessee agrees that, except as otherwise expressly provided herein, the Premises shall be solely devoted to the development and operation of a residential living complex for Homeless Persons (including landscaping, gardens, playgrounds and other open and communal space available to such residents), and for related facilities and services for Homeless Persons and as may be consistent with applicable federal or state laws and regulations.

(b) Any nonresidential space in the Improvements on the Premises shall be used solely for services provided without charge to Homeless Persons unless otherwise expressly agreed in writing by the Lessor. Lessee shall maintain and produce for inspection and copying, upon demand by the Lessor or HUD, records demonstrating compliance with this Section.

6. OWNERSHIP OF BUILDINGS AND IMPROVEMENTS

6.1 Ownership. Subject to the terms of this Lease, Lessee, or its Sublessees, shall hold title to all of the Improvements until the expiration of this Lease, and such title shall vest in Lessee, or its Sublessees, to the full extent permitted by law and the terms of any liens thereon (including any liens in favor of Lessor). Lessee and Lessor agree that Lessee shall be treated as the owner of the Improvements and shall be entitled to all tax benefits relating to the Improvements, including depreciation and federal low-income housing tax credits. Lessee and its Sublessees shall have no right to remove, destroy, damage or alter (except as otherwise provided in Sections 10.3 and 10.4) any Improvement or portion thereof, without the express written consent of the Director, and Lessee shall not cause or consent to any action to remove, destroy, damage or alter (except as otherwise provided in Sections 10.3 and 10.4) any Improvement or portion thereof without the express written consent of the Director. At the expiration of the Term, or if this Lease is earlier terminated as provided under this Lease, the Improvements, together with all related Personal Property, shall become the property of Lessor without any payment by Lessor; provided, that the Lessor may require the Lessee to remove, within sixty (60) days after notice to Lessee, at Lessee's sole expense, any fixtures or structures on or under the Premises that were constructed, affixed or substantially modified

without the approval of the Lessor or in violation of applicable laws, regulations or Codes, or that were permitted by Lessor on condition that they be removed upon expiration or termination of this Lease.

7. MANAGEMENT AND OPERATION

7.1 Management and Operating Plan. The operation and management of the Premises by Lessee shall be conducted consistent with the MOP, and consistent with the plans and guidelines referred to in Article 32, subject to the express provisions of this Lease and to requirements of applicable laws, regulations and ordinances.

7.2 Property Manager. Lessee may contract with one or more property managers to manage the operation of the Premises consistent with this Lease and the MOP, but no delegation of any duty or obligation to any property manager shall limit the responsibility or liability of Lessee hereunder.

7.3 Rules and Regulations. The Lessee agrees to observe, and to take all reasonable measures to cause Sublessees, Tenants and other Persons allowed on the Premises to observe, such reasonable rules and regulations governing the Premises as the Lessor as landlord may promulgate from time to time.

8. DELAY IN PERFORMANCE

8.1 Force Majeure. Lessee shall not be considered in breach of its obligations under this Lease, including but not limited to the commencement and completion of construction of the Improvements, or the development or operation thereof, in the event of delays in the performance of its obligations due to causes beyond Lessee's reasonable control, including but not restricted to, any delays or suspensions of construction, development or operations compelled by court order, acts of God, acts of the public enemy, reasonably unforeseeable acts of a unit of local, state or federal government, reasonably unforeseeable acts or omissions by other parties, fires, floods, strikes, embargoes, delays in essential utility services and unusually severe weather or delays of contractors or subcontractors due to such causes. The time for the performance of the obligation shall be extended for the period of the enforced delay if Lessee shall give notice of the delay within thirty (30) days after Lessee becomes aware of the cause of any such delay. Provided however, failure of the Lessee to obtain sufficient funding for the work described in Section 10.3, after exercising its best efforts, shall not be considered a cause beyond Lessee's reasonable control under this Section.

9. TAXES AND UTILITY CHARGES

9.1 Taxes. The Lessee shall pay, before delinquency, all taxes, levies, and assessments arising from its activities on or occupancy of the Premises, including, but not limited to taxes arising out of the activity or business conducted on the Premises such as the rental or sale of goods or services; taxes levied on its property, equipment, and improvements

on the Premises; and taxes on the Lessee's interest under this Lease and any leasehold interest deemed to have been created thereby under Ch. 82.29A RCW. In the event the State of Washington makes any demand upon the City as Lessor for payment of leasehold excise taxes resulting from the Lessee's occupation of the Premises or withholds funds due to the Lessor to enforce collection of leasehold excise taxes, the Lessee shall, at its sole expense, contest such action and indemnify the Lessor for all sums expended by, or withheld by the State from, the Lessor in connection with such taxation.

9.2 Utility Charges. The Lessee, at the Lessee's sole expense, shall pay for, when due, all costs for providing all utilities and other services on or to the Premises and Improvements, including but not limited to, elevator service, electricity, gas, water, telephone, sewer, garbage, heating and janitorial, and shall also pay all charges for utility installation and modifications thereto within or in the immediate area of any of the buildings on the Premises, including new connections to water or sewer mains required in connection with the construction, rehabilitation, modification or use thereof as contemplated hereby. The Lessor shall not be responsible for connections, meters and related installations that would be the responsibility of the owner or developer of a building on private property according to standard policies of Lessor for utilities. The Lessor shall not be liable for any injury, loss or damage caused by or resulting from any interruption or failure of utility services due to any causes whatsoever except the Lessor's gross negligence or breach of this Lease. The Lessee shall not be entitled to an offset, reduction, or return of Rent as a result of any interruption or failure of said services.

9.3 No Charges for Service to Other Property. Nothing contained herein shall require Lessee to pay any gas, electrical, water, sewer or any other charge for utility service furnished to property other than the Premises and Improvements.

9.4 Lessee's Right to Contest. Lessee shall have the right to contest or review by legal proceedings or in such other manner as may be legal, any tax, assessment, utility charge or other governmental imposition mentioned above and to pay such items under protest; provided, that nothing in this Section shall be construed to restrain the exercise of any remedy by any City utility for nonpayment, and provided further that notwithstanding any protest or challenge Lessee shall timely pay such amounts as are necessary to avoid interruption in service, including any interruption that would occur from application of the normal policy or procedure of any City utility.

10. ALTERATIONS; CONDITION AND CARE OF PREMISES

10.1 General Condition. The Lessee shall at all times keep the Premises in a neat, clean, safe and sanitary condition, and shall use and maintain the Premises in accordance with the laws of the State of Washington and Charter, ordinances and Codes of The City of Seattle, and in accordance with all valid rules and regulations of the Health Officer, Fire Marshal, Director of SDCI and other appropriate officers of The City of Seattle. The Lessee shall comply with the previous sentence at the sole cost and expense of the Lessee, except as

otherwise expressly provided herein. The Lessee shall not cause or permit any waste, damage, or injury to the Premises; maintain anything on the Premises that may be dangerous to life or limb; permit any objectionable noise or odor to escape or to be emitted from said Premises; or permit anything to be done upon said Premises that in any way will tend to create a nuisance.

10.2 Lessee Accepts Premises **AS IS**; Maintenance-Repairs:

(a) Lessee has fully inspected the Premises. Lessee is fully familiar with the condition of the Premises. Lessee accepts the Premises **AS IS**, in their condition on the Effective Date, and **ASSUMES THE RISK** of any defects in the condition of the Premises and of all the matters set forth below. Lessor makes **NO WARRANTIES OR REPRESENTATIONS OF ANY KIND**. Lessee agrees that any express or implied representations or warranties made by or on behalf of the Lessor prior to the date hereof, unless expressly set forth in this Lease, are hereby revoked and canceled and shall have no force or effect. Lessee further agrees that no representations or warranties are implied by any provision of this Lease or any other words or conduct in connection with this transaction.

(b) Without limiting the generality of the foregoing paragraph, Lessee agrees that, except as may be specifically set forth in this Lease, neither Lessor nor any Person for whom Lessor may have any responsibility makes any representation, warranty or promise of any kind with regard to any of the following: (1) the physical condition of the Premises or improvements (land, buildings, fixtures, or infrastructure), whether or not readily determined by inspection; (2) the presence or absence of any underground tanks or any hazardous or defective substances or conditions on or about the Property, or on adjacent properties; (3) the history of the Property or activities that may have occurred or been conducted thereon or thereunder; (4) soils conditions or drainage; (5) square footage of land or buildings; (6) encroachments; or (7) location or condition of utility lines.

(c) Except as otherwise expressly provided in this Lease, Lessee hereby irrevocably releases and waives any and all claims that Lessee has or may have hereafter against Lessor with respect to the condition of the Property or any Improvements or arising pursuant to the federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended, or the Washington State Model Toxics Control Act, as amended.

(d) Lessee agrees that the Lessor shall have no liability or obligation as a result of any defect or condition of the Premises or Improvements, including without limitation latent defects. The Lessor shall have no obligation for any repairs, maintenance, or work of any kind except as expressly set forth in this Lease.

(e) Notwithstanding the foregoing, the Lessor and Lessee intend that Lessee shall have the right to enforce the provisions of the Navy Deed with respect to hazardous substances and the indemnity contained in Section 5 of the Navy Deed.

(f) Lessee and Lessor acknowledge that this Section has been specifically bargained for and that Lessor would not be willing to lease the Premises on the terms and conditions set forth herein without Lessee's agreement to the terms of this Section.

10.3 Rehabilitation and New Construction. The parties agree that the development of the Premises shall include the conversion of accessory space into eight dwelling units (the "New Units") and the rehabilitation of 42 dwelling units at Building 224 (commonly known as Santos Place) and 27 dwelling units at Buildings 26 North & South (commonly known as Sand Point Family Housing) (collectively, the "Existing Units"), all to be used solely for the benefit of Homeless Persons. No later than September 30, 2017, the Lessee or its Sublessees shall commence the construction of New Units and rehabilitation of Existing Units and related site improvements, all substantially as shown on plans prepared by Environmental Works dated April 24, 2017 as provided to the Lessor (the "Project"). Lessee shall complete the Project, at Lessee's sole expense, and obtain Certificates of Occupancy, if applicable, or provide proof of passing final inspection by SDCI, for all Residential Buildings, no later than June 1, 2018, subject to Force Majeure as provided in Section 8.1. In the planning, design and construction of any additional Improvements the Lessee shall comply fully with all of the following plans approved or to be approved by the Lessor, as the same may be amended by Lessor: Physical Development Management Plan and Historic Property Reuse and Protection Plan.

10.4 Alterations.

(a) With the exception of New Units and the Existing Units described in Section 10.3, the Lessee shall not make, or cause to be made, any alteration, addition or improvement in the Premises, including without limitation installation, removal or modification of fencing or landscaping, without first obtaining the written consent of the Director for such work, except in each case alterations or improvements required to maintain the Property and Improvements in safe condition and in compliance with applicable laws and ordinances. The Director's approval of alterations, additions or improvements expressly contemplated by this Lease shall not be unreasonably withheld, conditioned or delayed. Ordinary repairs and any non-structural alteration of any structure that, together with all other items of the same nature during the calendar year, cost less than \$100,000.00, and emergency repairs immediately necessary for the usual and customary usage of the Premises, in each case if at the sole expense of Lessee, shall not require such prior written consent. All alterations, additions and improvements made shall be at the sole cost and expense of the Lessee, and unless otherwise agreed in writing by the Director, shall remain in and be surrendered with the Premises as a part thereof at the expiration or termination of this Lease, without disturbance, molestation or injury. This subsection and any consent under this subsection shall not affect or substitute for any requirement for approvals, permits or consents under any law, ordinance, regulation, or any document other than this Lease.

(b) The Lessor reserves an unqualified right to make repairs or alterations to the Premises or to the buildings thereon (i) where conditions deemed by the Director to constitute an emergency exist, or (ii) after prior written notice to Lessee requesting Lessee to make such repair or alteration in order to correct deficiencies in compliance with any applicable law, regulation or Code. Lessee shall reimburse Lessor on demand for the cost of any such repairs or alterations if made after the Lessee shall have failed or refused to do so. The Lessor also reserves the right to make general alterations to the Premises at no cost to Lessee, where such general alterations will not unreasonably interfere with the ordinary operation of the Premises by the Lessee or its permitted Sublessees, but not the right to construct any Buildings or to modify any buildings except as provided in Article 16 below.

10.5 Access, Keys.

(a) The Lessor reserves for itself, its officers, employees, agents and contractors, free access to said Premises, including the buildings thereon, at all reasonable times for the purpose of inspecting, cleaning, or making repairs, additions or alterations to the Premises or any other property owned by or under the control of the Lessor, but this right shall not be construed as an agreement on the part of the Lessor to make said inspections, or to clean or make repairs, additions or alterations.

(b) Lessee acknowledges that it has keys to all locking doors of each Building, exterior and interior. Lessee shall provide Lessor with one copy of each such key on request. Any change in locks shall be at the sole expense of the Lessee. If a lock change is made to the exterior door of any Building, Lessee shall provide the Director with one (1) key for each lock changed immediately after such change has been completed.

10.6 Signs. Lessee shall not display, inscribe, paint or affix to any part of the Premises any sign except those indicating the name of Lessee or its Sublessee and the names and nature of the programs, services and facilities provided by Lessee and Sublessees on the Premises, without approval in writing by the Director prior to such placement.

10.7 Installation of Artwork.

(a) Prohibition against Installation or Integration of Works of Visual Art on Premises. Lessee shall not permit the installation or integration on or in the Premises of any "work of visual art," as that term is defined in the Visual Artists Rights Act of 1990, as now existing or as later amended, if the removal of such artwork is reasonably likely to result in its distortion, mutilation, modification or destruction unless Lessee delivers to City an executed waiver of the creator's right of integrity regarding such art work, for the benefit of City and its successors and assigns, in a form that satisfies both City and the requirements of 17 U.S.C. section 106A(e), as the same now exists or is hereafter modified.

(b) Lessee's Indemnification of City against Liability under Visual Artists Rights Act of 1990. Lessee shall protect, defend, and hold City harmless from and against any and all

claims, suits, actions or causes of action, damages and expenses (including attorneys' fees and costs) arising as a consequence of (a) the installation or integration of any work of visual art on or into the Premises; or (b) the destruction, distortion, mutilation or other modification of art work that results by reason of its removal; or (c) any breach of subsection (a) of this Section; or (d) any violation of the Visual Artists Rights Act of 1990, as now existing or hereafter amended, by Lessee or any of its officers, employees or agents. This indemnification obligation shall exist regardless of whether City or any other person employed by City has knowledge of such installation, integration, or removal or has consented to any such action or is not required to give prior consent to any such action. The indemnification obligation of this subsection shall survive the expiration or earlier termination of this Lease.

10.8 Equipment; Personal Property. All equipment and all appliances such as dishwashers, stoves, refrigerators, washers, and dryers located on the Premises shall be maintained and repaired by the Lessee, and replaced by Lessee when necessary, at no cost to the Lessor.

10.9 Contracting for Alterations, Maintenance, Repairs, and Construction. Lessee shall ensure that all contracts and subcontracts for any alterations, maintenance, repairs, and construction activities (including contracts for related professional services) shall be made, entered into, and performed in full compliance with all applicable laws, regulations, ordinances, fund source requirements, and the terms of this Lease (collectively, "requirements"), whether such contracts are let or made by the Lessee or by a Sublessee or other Person. Lessee shall ensure, under all such contracts and subcontracts, that work shall be performed by licensed and qualified contractors, and that wages and benefits shall be paid in compliance with all applicable requirements. Lessee shall defend, indemnify and hold harmless the Lessor and its officers and employees from any claim, demand, liability, or cost (including reasonable attorneys fees) resulting from any failure by Lessee to ensure compliance as set forth in this Section.

10.10 Hazardous Waste or Materials.

(a) Restriction on Use; Definitions. Lessee shall not dispose of or otherwise allow the release of any Hazardous Substances in, on or under the Premises, or any adjacent property, or in any Improvements placed on the Premises, except as expressly permitted under this Section. Lessee represents, warrants and agrees that Lessee's uses of the Premises (including uses by Tenants, invitees or licensees) shall not involve the use, production, disposal, release or bringing onto the Premises of any Hazardous Substances, except for the proper storage and use of De Minimis Amounts of paint, cleaning and maintenance supplies normally used in the operation of similar buildings and commercially reasonable amounts of gasoline and motor oil used in connection with lawn maintenance equipment. Any Hazardous Substances shall be used, stored and disposed of in compliance with all applicable laws, regulations and prudent practices.

(i) The term “De Minimis Amount” means an amount of a Hazardous Substance either being used or being stored for use by Lessee or its Sublessees or their contractors or subcontractors on the Property within a year from its original arrival on the Property in connection with such parties’ current or anticipated operations as permitted under this Lease, that both (i) does not constitute a violation or threatened violation of any Environmental Law or require any reporting or disclosure under any Environmental Law or present any risk to the health or safety of occupants of the Premises, and (ii) is consistent with customary and prudent business practice for such operations in the state and locality where the Premises are located.

(ii) “Environmental Law” means and includes any of the Federal Resource Conservation and Recovery Act of 1976, 42 U.S.C. Section 6901 et seq., Federal Comprehensive Environmental Response, Compensation, and Liability Act of 1980, 42 U.S.C. Section 9601 et seq., Federal Hazardous Materials Transportation Control Act of 1980, 42 U.S.C. Section 1801 et seq., Federal Clean Air Act, 42 U.S.C. Section 7401 et seq., Federal Water Pollution Control Act, Federal Water Act of 1977, 93 U.S.C. Section 1251 et seq., Federal Insecticide, Fungicide and Rodenticide Act, Federal Pesticide Act of 1978, 7 U.S.C. Section 136 et seq., Federal Toxic Substances Control Act, 15 U.S.C. Section 2601 et seq., Federal Safe Drinking Water Act, 42 U.S.C. Section 300f et seq., Washington Water Pollution Control Act, RCW Chapter 90.48, Washington Clean Air Act, RCW Chapter 70.94, Washington Solid Waste Management Recovery and Recycling Act, RCW Chapter 70.95, Washington Hazardous Waste Management Act, RCW Chapter 70.105, Washington Hazardous Waste Fees Act, RCW Chapter 70.95E, Washington Model Toxics Control Act, RCW Chapter 70.105D, Washington Nuclear Energy and Radiation Act, RCW Chapter 70.98, Washington Radioactive Waste Storage and Transportation Act, RCW Chapter 70.99, Washington Underground Petroleum Storage Tanks Act, RCW Chapter 70.148, any regulations promulgated under any of the foregoing from time to time, and any other federal, state or local law, whether common law, statute, ordinance, rule, regulation, or judicial or administrative decision or policy or guideline, pertaining to Hazardous Substances, health, industrial hygiene, environmental conditions, or the regulation or protection of the environment, and all amendments thereto as of this date and or made the future and any successor statute or rule or regulation promulgated under any of them.

(iii) As used herein, the term “Hazardous Substance” means and includes any of the following:

(A) Any substance, material, or waste that is included within the definitions of “Hazardous Substances,” “hazardous materials,” “hazardous waste,” “toxic substances,” “toxic materials,” “toxic

waste,” “dangerous” or words of similar import in any Environmental Law;

(B) Those substances listed as Hazardous Substances by the United States Department of Transportation (or any successor agency) (49 C.F.R. 172.101 and amendments thereto) or by the Environmental Protection Agency (or any successor agency) (40 C.F.R. Part 302 and amendments thereto);

(C) Any substance, material, or waste that is petroleum, petroleum-related, or a petroleum by-product, asbestos or asbestos-containing material, polychlorinated biphenyls, flammable, explosive, radioactive, freon gas, radon, paint, resins, solvents, or a pesticide, herbicide, or any other agricultural chemical.

(b) Receipt of Information; Treatment of Existing Hazardous Substances.

Lessee acknowledges that it has received a copy of the report of the “Lead Inspection Data, NAVSTA Puget Sound, Seattle, Washington” prepared by Environmental Engineering Branch, Code 414, Navy Public Works Center, Norfolk, Virginia (undated), the Department of the Navy’s Finding of Suitability to Lease dated July 1, 1996; the Washington Department of Ecology’s “No Further Action” Letter dated May 16, 1996 (including Appendix I thereto); the Department of the Navy’s Draft Environmental Impact Statement dated November 1996 and the lead-based paint disclosure document dated on or about the date hereof, and that all documents referred to in the foregoing, plus the materials compiled by the Department of the Navy regarding asbestos-containing material (“ACM”) on the Premises, have been made available to the Lessee. Prior to the removal of ACM and lead-based paint, Lessee shall use due care not to disturb or cause the deterioration or release of any such ACM or lead-based paint. Lessee shall, in connection with any work done on any Building containing the lead-based paint or ACM, cause all lead-based paint hazards to be abated, and cause ACM to be removed and disposed of, or professionally encapsulated if such alternative is in accordance with applicable laws, regulations, and prudent practices. Lessee shall cause all abatement and encapsulation work to be performed, and all disposal activities to be performed, in full compliance with all applicable laws, regulations and guidelines, including without limitation 24 CFR Part 35 and the most recent edition of the “Guidelines for Evaluation and Control of Lead-Based Paint in Housing” issued by the United States Department of Housing and Urban Development (“HUD”), as in effect at the time such work is performed, and Lessee shall maintain adequate documentation to demonstrate such compliance.

(c) Compliance. Lessee shall promptly comply at Lessee’s expense with all statutes, regulations and ordinances, and with all orders, decrees or judgments of governmental authorities or courts having jurisdiction, relating to the use, collection, treatment, disposal, storage, control, removal or cleanup of Hazardous Substances in, on or under any other part of the Premises or any adjacent property if resulting from a release

caused by the act or omission of Lessee, any Sublessee, or any of their respective employees, agents, contractors, Tenants, licensees or invitees.

(d) Rights of Lessor. After notice to Lessee and a reasonable opportunity for Lessee to effect such compliance, Lessor may, but is not obligated to, enter upon the Premises and take such actions and incur such costs and expenses to comply with any applicable laws, regulations or guidelines regarding Hazardous Substances as the Lessor deems advisable to protect its interest in the Premises, provided, however, that Lessor shall not be obligated to give Lessee notice and an opportunity to effect such compliance if such delay may reasonably result in material harm to the City, the Tenants, providers, the public or the United States and, (i) Lessee has already had actual knowledge of the situation and a reasonable opportunity to effect such compliance, or (ii) an emergency exists. Whether or not Lessee has actual knowledge of the release of Hazardous Substances, Lessee shall reimburse Lessor on demand for the actual costs and expenses incurred by Lessor in connection with compliance activities with respect to Hazardous Substances for which Lessee has responsibility under subsection 10.10(b) or (c) of this Lease, and such obligation shall continue even after the termination of this Lease.

(e) Lessee's Duty to Notify and Cooperate; Response to Release. Lessee agrees to cooperate in any environmental assessments conducted by the Lessor's staff or independent third parties. Lessee agrees to provide the Lessor with notice of every governmental inspection of the Premises, notice of violation, and order to clean up contamination, within five (5) days after the receipt thereof by Lessee. Lessee agrees to permit the Lessor to participate in all settlement or abatement discussions. In addition, Lessee shall notify Lessor immediately of the presence or release of any Hazardous Substances as described in subsection (c) of this Section (other than Hazardous Substances permitted under subsection (a) that are stored, used, handled and disposed or in compliance herewith) and shall take timely and appropriate steps to protect Persons and property from, and remedy the effects of, any such Hazardous Substances, which steps shall include immediate action in the case of any material release of Hazardous Substances.

(f) Removal Upon Surrender. Upon surrender of the Premises to the Lessor, whether upon expiration or earlier termination of this Lease, Lessee shall remove and properly dispose of any Hazardous Substances that were introduced into, or released on, in or under, the Premises at any time during the Term hereof, whether by Lessee, any Sublessee, or any of their respective employees, agents, contractors, Tenants, licensees or invitees, or any other Person except for the Lessor or its employees, agents or contractors.

(g) Indemnity. Lessee agrees to defend, indemnify and hold harmless Lessor against any and all losses, liabilities, suits, obligations, fines, damages, judgments, penalties, claims, charges, clean-up costs, remedial actions, costs and expenses (including, without limitation, consultants' fees, reasonable attorneys' fees and disbursements) that may be imposed on, incurred or paid by, or asserted against Lessor or the Premises by reason of, or in connection with (i) any misrepresentation, breach of warranty or other default by Lessee

under this Lease; (ii) the acts or omissions of Lessee, any Sublessee or any of their respective employees, agents, contractors, Tenants, licensees or invitees, resulting in the release of any Hazardous Substances; (iii) any actual or alleged injury, illness, death or damage to any Person resulting from the presence or release of any hazardous substance in, on, or under the Premises, whether or not present at the inception of this Lease; or (iv) any off-site disposal, handling, treatment, storage, or transportation of any Hazardous Substances, including petroleum products, removed from the Premises by Lessee or its Sublessees, or their respective Tenants, invitees, contractors or subcontractors. Notwithstanding the foregoing, Lessee shall have no obligation to defend, indemnify or hold harmless Lessor for any loss, liability, suit, obligation, fine, damage, judgment, penalty, claim, charge, clean-up cost, remedial action, cost or expense (including, without limitation, consultants' fees, reasonable attorneys' fees and disbursements) that may be imposed on, incurred or paid by, or asserted against Lessor by reason of, or in connection with (i) any misrepresentation, breach of warranty or other default by Lessor under this Lease; (ii) the acts or omissions of Lessor or any of its employees, agents, contractors, licensees or invitees after the date hereof that causes the presence or release of any hazardous substance in, on, or under the Premises. These indemnity provisions shall survive termination or expiration of this Lease.

(h) No Waiver of Federal Obligations; Notices and Enforcement by Lessee. Nothing in this Section shall be construed to relieve the United States government or any department thereof from any liability or responsibility with respect to Hazardous Substances. In the event that Lessee becomes aware of any hazardous substance condition, or any complaint, notice or claim related to any hazardous substance(s), with respect to which the United States or a department thereof may have any obligation pursuant to the terms of the Navy Deed or pursuant to applicable law, the Lessee shall give written notice of the pertinent facts, together with a copy of any written complaint, notice or claim, to the Director and to the United States Department of the Navy as soon as practicable and in any event not later than ninety (90) days after learning of any such condition or fifteen (15) days after receipt of any such complaint, notice or claim, whichever is earlier. Lessee shall provide the United States Navy, and any other agency responsible for investigation, remediation, or defense of the matter, all additional documents and cooperation requested or required by the terms of the Navy Deed or by law. To the full extent permitted by the terms of the Navy Deed and applicable law, the Lessee shall have the right, after consultation with Lessor, to make demand on the United States to fulfill its obligations with respect to any Hazardous Substances discovered in, on or under the Premises and to enforce such obligations in its own name, provided that (i) Lessee shall not waive or release any rights without the express written consent of the Director; (ii) Lessee shall send copies of all related correspondence to the Director immediately upon sending or receipt thereof by Lessee; (iii) Lessee shall not request or authorize any excavation, demolition or other response action without the written consent of the Director if such action could reasonably adversely affect any Improvements on the Premises or any utilities on, in, or under the Premises, or if such action could reasonably interfere materially with the use of any portion of the Premises for the purposes intended by this Lease.

(i) Mutual Obligations to Cooperate Regarding Federal Environmental Obligations. If any circumstances arise that would provide reasonable grounds for the enforcement of any obligations (including without limitation indemnities) of the United States regarding environmental matters in the Navy Deed, or any obligations of the United States with respect to the Premises under applicable laws regarding environmental matters (either generally or with respect to base closures), and if Lessee or Lessor gives notice to the other of such circumstances and requests cooperation in pursuing such enforcement, then the other party shall cooperate in securing the benefits of such obligations. Nothing in this subsection 10.10(i) shall require either party (A) to expend funds except as authorized by its governing body, in its discretion, nor (B) to bring or join in any legal or administrative action if such party determines in good faith that such action would not be in the best interests of such party.

11. MAINTENANCE

11.1 Protection and Maintenance Obligations of Lessee.

(a) Lessee shall at all times keep the Improvements in a neat, clean, safe and sanitary condition; shall not cause or permit waste, damage or injury; and shall use and maintain the Improvements in accordance with the laws of the State of Washington and Charter, ordinances and Codes of The City of Seattle, and in accordance with all valid rules and regulations of the Health Officer, Fire Marshal, Director of SDCI and other appropriate officers of The City of Seattle.

(b) Unless otherwise agreed in writing by Lessor, Lessee shall be responsible for the prompt removal of any rubbish deposited on the Premises by Lessee or its Sublessees or their respective Tenants, licensees or invitees, including without limitation any abandoned automobiles or appliances. Lessee shall comply and ensure compliance with City of Seattle ordinances and regulations regarding trash, recycling and composting.

11.2 Grounds Maintenance Obligation; City Obligation for Streets. Lessee shall be responsible for all maintenance of the grounds on the Premises, including lawn mowing, trimming or removal of plants when required, control of noxious weeds, clearing of leaves and other natural debris, and street, parking area and general access maintenance. Lessee shall be responsible for clearing snow, ice, obstructions and hazards from sidewalks, driveways, parking areas, walkways, steps, ramps and other paved surfaces in the Premises and for repair of holes, cracks, or other defects in such surfaces. With regard to the streets serving the Premises, the City shall have only such obligations as the City has generally for all streets, and shall have no special obligations under this Lease.

12. COMPLIANCE WITH LAWS AND FEDERAL REQUIREMENTS

12.1 General Requirement. The Lessee, at its sole cost and expense, shall perform all obligations imposed on the owner, occupant or operator of the Premises under, and shall comply with, all applicable laws of the United States and the State of Washington; the

Charter, ordinances and Codes of The City of Seattle and permits issued thereunder; the rules, regulations, orders, and directives of their administrative agencies and officers thereof, in each case as now in effect or hereafter amended or enacted, relating to or affecting the condition, use, operation or occupancy of the Premises; and all requirements associated with any fund source for the improvement of, or operations on, the Premises. Lessee shall take all reasonable measures to cause each Sublessee and Tenant, and each of their invitees and licensees, to comply with all requirements of all of the foregoing, and shall not use or permit the Premises or any part thereof to be used for any purpose or in any manner in violation of any municipal, county, state or federal law, regulation, rule, ordinance or permit.

12.2 Licenses and Similar Authorizations. The Lessee, at no expense to the Lessor, shall secure and maintain in full force and effect during the Term of this Lease, all required licenses, permits, and similar legal authorizations, and comply with all requirements thereof

12.3 Nondiscrimination and Affirmative Action.

(a) Fair Housing and Other Nondiscrimination Laws. Lessee agrees to and shall comply with, and shall require all Sublessees to comply with, all Federal, State and local laws and ordinances, including without limitation Fair Housing, now in effect or hereafter enacted or amended, including without limitation prohibitions on discrimination with regard to race, color, national origin, age, “families with children status,” ancestry, creed, religion, political ideology, sex, sexual orientation, gender identity, marital status, the presence of any sensory, mental or physical handicap or the use of a guide or service animal by a person with a disability.

(b) Equal Employment Opportunity and Nondiscrimination. The Lessee shall comply with, and shall require all Sublessees to comply with, all applicable equal employment opportunity and nondiscrimination laws of the United States, the State of Washington, and the City of Seattle, including but not limited to Chapters 14.04, 14.10, and 20.42 of the Seattle Municipal Code (SMC), as they may be amended; and rules, regulations, orders, and directives of the associated administrative agencies and their officers.

12.4 Lead-based Paint. Lessee shall comply with all requirements of applicable laws and regulations with regard to lead-based paint. Without limiting the foregoing, Lessee shall comply with all requirements of federal regulations at 24 CFR Part 35. In accordance with such regulations, Lessee shall provide all required information to, and shall obtain signed acknowledgments from, each residential Tenant of any Building, and shall provide copies of such documents to the Lessor upon the Lessor’s request. To the extent that the Premises are subleased other than directly to residential Tenants, Lessee shall cause each Sublessee to comply with the terms of this Section.

12.5 Historic Preservation. Lessee shall comply, and shall cause each Sublessee and Tenant (and the invitees and licensees of any of the foregoing) to comply, with all applicable laws, regulations and ordinances concerning historic preservation, and with all

provisions in the Navy Deed with respect to historic preservation. In addition, Lessee shall comply with all provisions of the Historic Property Reuse and Protection Plan to the extent it applies to the Premises. It shall be the sole responsibility of Lessee to make timely application for, and to obtain, any and all permits and approvals related to historic preservation in connection with any renovation, repairs, construction or excavation.

12.6 U.S. Government and Funding Agency Restrictions. Lessee agrees to comply, and to take all reasonable measures to cause each Sublessee and Tenant, and all invitees or licensees of any of the foregoing, to comply with (a) the terms and conditions of all covenants and restrictions imposed by the United States contained in the Navy Deed to the extent they apply to the Premises, and (b) all agreements now in effect or hereafter entered into by the Lessee or any Sublessee for the funding of the Improvements; the construction, maintenance, repair, or rehabilitation thereof; or the operations thereof. Without limiting the foregoing, Lessee agrees that as between Lessee and Lessor, each and every covenant of "Grantee" in the Navy Deed, as such covenant relates to the Premises, for so long as this Lease remains in effect, shall be the obligation of Lessee, and that Lessee shall defend and indemnify Lessor from any liability, loss, damage or expense (including reasonable attorneys' and experts' fees) arising from Lessee's breach of any such obligation. Lessee acknowledges that prior to the execution of this Lease the Lessee has reviewed the Navy Deed.

13. LIENS

13.1 If, because of any act or omission of Lessee or any Sublessee, any mechanic or other lien or order for payment of money shall be filed against the Premises or the Improvements, Lessee shall at its sole expense cause the same to be discharged or bonded within thirty (30) days after the date of such filing.

14. LIABILITY AND INSURANCE.

14.1 Indemnity: The Lessee hereby releases the Lessor from, and shall indemnify and hold the Lessor harmless from, any and all losses, claims, actions, damages and expenses arising or that may arise in the future out of or resulting from any occurrence in or on the Premises, except to the extent, if any, that such losses, claims, actions, damages and expenses are proximately caused by either (a) the negligent or otherwise wrongful act of the Lessor or its employees, agents or contractors in violation either of a duty of care owed to the third party making a claim or of a duty owed by the Lessor to Lessee; or (b) the failure of the Lessor to perform an express obligation of the Lessor under this Lease. Neither the approval by the Lessor of any action, omission or policy proposed by Lessee, nor the failure by the Lessor to enforce any obligation of Lessee or a Sublessee, shall give rise to an exception from the foregoing release and indemnity. In the event that any suit based upon such losses, claims, actions, damages, or expenses is brought against the Lessor, the Lessee, upon notice of the commencement thereof, shall defend the same by counsel reasonably satisfactory to the Lessor at Lessee's sole cost and expense (provided that the Lessor shall have the right to appear in and defend any such action by its own counsel); and if final judgment be adverse to

the Lessor, or the Lessor and the Lessee jointly, or if the Lessor shall enter into a reasonable settlement of any such claim or action after notice to and consultation with Lessee, the Lessee shall promptly satisfy the same. Except as stated in clauses (a) and (b) of the first sentence of this Section, the obligation of Lessee to indemnify the Lessor described in this Section shall not be diminished by the fact, if it be a fact, that any such death, injury, damage, loss, cost or expense may have been contributed to, or may be alleged to have been contributed to, in part, by an act or omission of Lessor, its officers, employees or agents, provided that to the extent that RCW 4.24.115 (or successor provision) applies, (1) this indemnity shall not apply in case of any liability for damages arising out of bodily injury to persons or damage to property caused or resulting from the sole negligence of the Lessor, its agents or employees, and (2) in case of liability for damages arising out of bodily injury to persons or damage to property caused by or resulting from the concurrent negligence of (a) Lessor or its agents or employees, and (b) Lessee or its agents or employees, this indemnity shall apply only to the extent of Lessee's negligence.

If any of the above documents is not available when required as stated above, the Lessor's Risk Manager may accept, in his or her discretion, a binder showing the stated requirements. In such case Lessee shall cause all the above documents to be delivered to the City as soon as available, and in any event within such period as the Lessor's Risk Manager shall specify.

In addition, within five (5) days of any request by Lessor, the Lessee shall provide full copies of all insurance policies for the Premises, together with all amendments and endorsements and proof of premiums paid.

(e) Approval of Risk Manager; Adjustments. All policies shall be subject to approval by the Lessor's Risk Manager as to company (must be (i) issued by a company rated A- or better and with a size rating of VII or higher in the A.M. (f) Definitions. Capitalized terms used in this Section and not otherwise defined in this Lease shall have the meanings commonly ascribed to such terms in the insurance industry.

14.5 Contractors' Bonds. Unless otherwise expressly permitted in writing by the Lessor or not required by law, the Lessee shall require each contractor used by the Lessee or

any Sublessee for any demolition, rehabilitation, repair or construction work in connection with any improvement, alteration, or addition to be made on the Premises, to secure and maintain, at no cost to the Lessor, a performance and payment bond with dual obligee rider payable to the Lessee and the Lessor in the full and just sum of the total amount of the contract, conditioned that all the provisions of the contract shall be faithfully performed by the contractor, or the surety if so required, and for the payment of all laborers, mechanics, subcontractors and material suppliers, and all Persons who shall supply such Person or Persons or subcontractors with provisions or supplies for the carrying on of such work. Each such bond shall be provided to Lessor within ten days of the award of the contract and in any event prior to commencement of any work. Each such bond shall be issued by a properly licensed surety company acceptable to the Lessor and shall be in form and content acceptable to Lessor.

14.6 Assumption of Risk. The placement and storage of personal property on said Premises shall be the responsibility, and at the sole risk, of the Lessee.

14.7 Adjustments of Claims; Proceeds of Hazard Insurance. The Lessee shall provide for the prompt and efficient handling of all claims for bodily injury, property damage or theft arising out of the activities of the Lessee under this Lease. Any amounts paid under any policy of hazard insurance are subject to the rights of Leasehold Mortgagees under their applicable Loan Documents and shall be payable jointly to the Lessor and the Lessee, and such amounts shall be deposited in an account requiring the signature of both the Lessor and Lessee for disbursement. Unless otherwise approved in writing by the Director, all funds in such account, including interest earned thereon, shall be used solely for the restoration, repair or replacement of the damaged or destroyed Improvements according to Construction Plans to be prepared by the Lessee subject to the approval of the Lessor in accordance with Section 10.4, and according to a construction contract acceptable to Lessor.

14.8 Compliance by Lessee. Lessee shall not violate or permit to be violated any of the conditions or provisions of any insurance policies affecting the Premises or the Improvements.

14.9 Contractor's Indemnification. Lessee shall ensure that every contract executed by it pertaining to any construction, renovation or other work on the Premises shall contain the following indemnification provision:

The contractor agrees to protect, defend, indemnify, and hold harmless the City and City's officials, employees, and agents from and against all claims, demands, and causes of action (including all costs and fees for defense thereof), judgments and/or awards of damage arising from or in connection with the performance of this agreement by the contractor or from the activities of any subcontractor or other Person employed by or having a contract with the contractor:

(a) *Arising out of bodily injury or death to persons or damage to property, except this obligation shall not apply when such injury or damage is solely and entirely the fault of the City, or when such injury or damage results from the concurrent negligence of the City and the contractor, in which case the contractor shall protect, defend, indemnify and hold the City harmless to the extent of the contractor's negligence.*

(b) *Arising out of other than bodily injury or death to persons or damage to property, except this obligation shall not apply when such injury or damage is solely and entirely the fault of the City.*

(c) *Arising from the use of any design, process, or equipment which constitutes, or is alleged to constitute, an infringement of any United States patent presently issued, or violates any other proprietary interest, including copyright, trademark, or trade secret.*

Contractor shall also hold the City harmless from any expense incurred to enforce the City's rights under this Section.

In the event that any action is brought against the City by any employee of contractor, its subcontractors, sub-subcontractors, agents, or anyone directly or indirectly employed by any of them the indemnification obligation of the contractor set forth in this Section shall not be limited by a limit on the amount or type of damages, compensation, or benefits payable by or for contractor or any subcontractor under RCW Title 51, the Industrial Insurance Act, or any other employee benefit acts. In addition, as to actions arising out of the performance of this agreement, contractor waives its immunity under RCW Title 51.

This indemnification agreement has been negotiated by the parties and shall survive the termination of this agreement.

14.10 Survival. Any liability of the Lessee hereunder for acts or omissions occurring during the Term of this Lease, or arising under any indemnity provision of this Lease, shall survive termination and surrender (whether or not any claim giving rise to such liability shall have accrued).

15. CASUALTY

15.1 Notice of Casualty; Reconstruction. If any Improvements or alterations or additions thereto, standing or erected, are destroyed or damaged in whole or in part as a result of any casualty, Lessee shall give prompt written notice to Lessor. If sufficient insurance proceeds are available, together with any capital reserves for the Premises, not restricted under agreements with third parties approved by Lessor, Lessee shall promptly repair, replace

or rebuild the Improvements in substantial conformity with the character of the building and alterations or additions existing immediately prior to such occurrence. If available funds are insufficient for complete repair, restoration or replacement, but partial repair, restoration or replacement is feasible, then unless otherwise agreed by Lessor, the Lessee shall proceed with such partial repair, restoration or replacement. Lessee shall be obligated to provide for such purposes funds equal to any deductible or co-insurance amount for which Lessee is responsible under Article 14. Repairs, replacement or rebuilding shall be made by Lessee in accordance with the terms and conditions of this Lease.

15.2 Notice Prior to Commencement of Work. Lessee shall give Lessor at least thirty (30) days written notice prior to the commencement of such work described in Section 15.1.

15.3 Time for Commencement of Work. The work described in Section 15.1 shall be commenced by Lessee within one hundred twenty (120) days after the date of any loss, damage or destruction or as soon as funds are available and shall be completed within a reasonable time.

15.4 Disbursements. For the cost of the repairs, replacement or rebuilding, Lessor shall authorize disbursement of funds from the account, if any, established pursuant to Section 14.7, as Lessee shall make such repair, replacement or rebuilding, and during the progress of the work, upon Lessee's written requisitions accompanied by certificates of an architect or engineer reasonably satisfactory to Lessor certifying that the work is in accordance with Construction Plans approved by Lessor and the percentage completion thereof, upon delivery of such other evidence as Lessor may reasonably require that such work is in place and paid for, and subject to holdback of five percent (5%) of the amount of each requisition until completion of the work. If, during the course of the work, any lien or order for the payment of money shall be filed against the Premises or Improvements thereon, or against Lessor, or if Lessee shall be in default of the performance of any of the terms, covenants or conditions of this Lease, Lessor shall not be obligated to authorize any payment to Lessee of insurance proceeds until and unless the liens or orders have been fully bonded, satisfied or discharged of record and until the default has been cured by Lessee.

15.5 Termination for Certain Casualties.

(a) In the event that the Improvements now or hereafter erected on the Premises shall be damaged or destroyed to the extent in excess of fifty (50%) percent of the then-insurable value of all Improvements on the Premises and the damage or destruction shall occur during the last five (5) years of the Term, then either party may at its option cancel and terminate this Lease by giving the other party ninety (90) days notice within sixty (60) days after the date of any loss, damage or destruction. If such options are exercised by either party, this Lease shall wholly cease and expire on the date specified in the notice in which event Lessee shall not be obligated to rebuild, and any such insurance proceeds received or

receivable under any and all policies of insurance shall be paid to the Lessor for, provided that any termination shall be subject to the provisions of Article 37 and Article 38, if applicable.

(b) If at any time during the Term at least one of the Residential Buildings shall be destroyed or damaged so as to be uninhabitable, or if 50% or more of the dwelling units in the Residential Buildings on the Premises shall be destroyed or rendered uninhabitable by fire or other casualty, the Lessee shall be obligated to demonstrate to the reasonable satisfaction of the Lessor within one year after the date of casualty that there are sufficient funds available from insurance proceeds, Lessee's reserves, and any other financing obtained by Lessee or a Sublessee, to substantially restore or replace the destroyed or damaged Residential Building(s) or units so that there shall be no fewer than 50 habitable dwelling units on the Premises. Failure to demonstrate the availability of such funds shall be a Termination Default and the Lessor shall then have the right, by ninety (90) days' notice to Lessee, to terminate this Lease, provided that any termination shall be subject to the provisions of Article 37 and Article 38, if applicable. If the Lessee does demonstrate within such one year period the availability of sufficient funds for the purpose stated in this subsection (b), then Sections 15.1 through 15.3 shall apply.

15.6 Proceeds not Used to Restore. If all or a portion of the Improvements are destroyed, damaged or injured, the Lease is not terminated under Section 15.5, and insurance proceeds are not used to repair, restore or replace Improvements, then, subject to the rights of Leasehold Mortgagees under their applicable Loan Documents, such portion of insurance proceeds as Lessee shall be entitled to receive shall be deposited in a special reserve account requiring Lessor's approval for disbursements, and such funds shall be used solely for acquisition, construction, renovation, or capital improvements to housing for low-income persons as shall be proposed by Lessee and approved by the Lessor.

16. INSPECTION

16.1 Premises. Lessee shall permit Lessor, its agents and employees, to enter the Premises and Improvements at reasonable hours for the purpose of inspecting them or (at Lessor's sole option) making repairs that Lessee may neglect or refuse to make in accordance with the terms, covenants and conditions of this Lease, provided that except in case of emergency, Lessor shall not make any entry to make repairs unless the Lessee shall have failed to make them after 30 days notice from the City identifying the repairs required. Lessee's permission shall not constitute any indemnity nor create any liability concerning claims or causes of action by Sublessees or Tenants related to such entering or inspection, except that Lessee shall indemnify Lessor for any liability, loss, damage or expense to Lessor resulting from any failure by Lessee to include, in any Sublease or other agreement with a Sublessee, the rights of Lessor contemplated by this Section. Except as stated in the previous sentence, Lessor shall hold harmless, defend and indemnify Lessee from any liability for injury or death to persons or damage to property, in each case to the extent directly resulting

from the wrongful or negligent actions (not omissions) of the Lessor, its agents and employees in the course of such entering or inspection.

16.2 Records. To the extent allowed by law, Lessee shall also permit Lessor, its agents and employees, to inspect and copy all records of the Premises and Improvements as may be compiled or maintained by Lessee for purposes of Lessee's operations under this Lease or by Sublessees for purposes of Sublessees' operations under their respective Subleases. Lessor shall have the right to inspect and copy such records maintained on or outside the Premises upon reasonable advance notice to Lessee.

17. DEFAULT

17.1 Default; Cure Periods, Termination. Upon the occurrence of any of the Events of Default described in this Section, Lessor, at Lessor's option, may terminate this Lease by giving Lessee at least ninety (90) days notice in writing of said termination, provided that any termination shall be subject to the provisions of Article 37 and Article 38, if applicable. Subject to the provisions of that Article, as applicable, upon the expiration of the date and time fixed in the notice of termination, all right, title and interest of Lessee under this Lease, and unless otherwise directed by Lessor all rights of Sublessees, shall wholly cease and expire. Lessee shall then immediately surrender to Lessor the Premises and all Improvements and Personal Property, as more fully set forth in Article 20. If the Premises include more than one Parcel, each with at least one Building, then the Lessor may, at its option, exercise the remedy of termination with respect to fewer than all Parcels. Whether or not Lessor has the right to terminate this Lease upon an Event of Default, and whether or not Lessor gives notice of termination, Lessor may pursue and enforce all other legal rights and remedies set forth in this Lease or otherwise available at law or in equity. Each of the following is an Event of Default:

- A. Failure to pay when due any amount of Rent owing on this Lease, that is not cured within thirty (30) days after written notice to Lessee;
- B. Any failure to pay when due any other charge required by this Lease other than amounts referred to in subsection A. above, that is not cured within thirty (30) days after written notice to Lessee;
- C. Any failure to submit the annual report required by Article 35 of this Lease that is not cured within thirty (30) days after written notice to Lessee;
- D. Any breach of Article 18 or Article 21 of this Lease (relating to subleases and transfers of the Premises without consent and certain other matters) that is not cured within sixty (60) days after written notice to Lessee;
- E. Any breach or nonperformance of any provision of this Lease not included within any of subsections A.-D. above that is not cured within sixty (60) days after written notice to Lessee of such breach or nonperformance, or such longer cure period as may be permitted under the specific terms of this

Lease, provided that if any such breach or nonperformance cannot reasonably be cured within sixty days but can be cured within a reasonable time, there shall be no Event of Default under this subsection E. for a period of up to one year so long as Lessee shall diligently pursue a cure;

F. The filing of a voluntary petition for bankruptcy or reorganization by Lessee or any managing member or general partner of Lessee; the filing against Lessee or any managing member or general partner of Lessee of any complaint for receivership or involuntary petition for bankruptcy or for reorganization (unless such complaint or petition be dismissed within forty-five (45) days of such filing); or if Lessee or managing member or general partner of Lessee shall become insolvent, or make a general assignment for the benefit of creditors, or consent to the appointment of a receiver of all or any of its assets, or voluntarily suspend its usual business, or if the Lessee or its managing member or general partner shall be dissolved or file a petition for dissolution or if at any time the Lessee is not an Affiliate of Solid Ground Washington without the express written consent in advance from the Director, except as specifically permitted in Section 21.2 of this Lease;

G. Any material misrepresentation by Lessee or its managing member in this Lease or in any information submitted by Lessee to Lessor or to any government agency in connection with this Lease or the Premises, or any material breach of any warranty made by this Lease that is not cured within sixty (60) days after written notice to Lessee;

H. Any abandonment of the entire Premises or of any Residential Building by Lessee; or

I. Any default under, breach of, failure to comply with, or failure to satisfy any condition of any capital funding related to the Premises by Lessee or Sublessee unless such default, breach or failure is waived in writing by all interested parties or is cured within an applicable cure period permitted by those declaring the default in question.

17.2 Remedies Cumulative. The remedies under this Article 17, subject to the provisions of Article 37 or 38, if applicable, are in addition to, and not in limitation of, any other remedies provided in this Lease.

18. SUBLEASES AND ASSIGNMENTS

18.1 General Rules. Lessee shall not assign all or any part of this Lease or sublease any portion of the Premises, nor renew any Sublease, nor consent to the assignment or further subletting thereunder, without the prior written consent of the Director; provided that any subleases with Tenants consistent with the MOP shall not require the consent of the Director.

The Director shall use his or her best efforts to complete the review and notify Lessee of approval or disapproval within thirty (30) days. In no event shall Lessee enter into a Sublease that permits any use not expressly permitted hereunder or a Sublease that reasonably could impair the ability of the Lessee to perform obligations to the Lessor under this Lease or any other agreement, or to perform obligations to any other government agency. The following requirements shall apply to all Subleases unless otherwise approved by the Director in writing:

- (a) Use of the portion of the Premises subject to the Sublease and Improvements thereon shall be restricted to specified uses consistent with this Lease.
- (b) Sublessee must provide reports and maintain records as may be necessary to demonstrate compliance with (a), above.
- (c) All Subleases shall be subject to, and shall incorporate by reference, the terms and conditions of this Lease.

18.2 Assignment or Sublease to an Affiliate. Lessee shall have the right to assign or sublease this Lease, without obtaining Lessor's consent, to Solid Ground Washington or an entity wholly owned by, and under the sole management of, Solid Ground Washington, provided that such transfer has the prior written consent of any Leasehold Mortgagee and any other beneficiary of an encumbrance on the Property or Leasehold Estate whose consent is required; that the assignee or sublessee assumes in writing the obligations of the Lessee under this Lease in a form acceptable to Lessor; and that the Lessee simultaneously conveys, or in the case of a sublease grants leases of, the Buildings to the transferee or Sublessee. If Lessee desires to assign or sublease this Lease to Solid Ground Washington or an entity wholly owned by Solid Ground Washington, Lessee shall give notice to Lessor at least ___ days in advance and shall provide a copy of the assignment or sublease to Lessor promptly upon execution thereof.

18.3 Sublease Revenue. Lessee shall use all revenue from rents or operating subsidies to pay Rent hereunder, necessary operating costs of the Premises, such as utilities, insurance, and maintenance and administrative expenses, and debt service on loans secured by Lessee's interest in the Premises that have been approved by the Director, all in accordance with annual budgets set forth in annual updates to the MOP approved by the Director, and any remaining balance shall be used to fund capital reserves for the Premises.

19. POSSESSION

19.1 Upon the effective date of this Lease, the Lessee shall have possession of the Premises subject to the rights reserved by the Lessor herein, the rights reserved by the United States in the Navy Deed, and other restrictions and encumbrances of record.

20. SURRENDER

20.1 Obligations of Lessee. On the expiration date of the Term, or on the earlier termination as provided in this Lease, Lessee shall surrender the Premises in reasonably clean condition together with all Improvements and all alterations, changes and additions thereto which may have been made upon the Premises (except moveable furniture and equipment or moveable trade fixtures paid for solely by Lessee), in good repair, good order and safe condition and shall, if so requested by the Lessor, convey to the Lessor by special warranty deed all Improvements, subject only to such encumbrances and Subleases as shall have been specifically approved in writing by the Lessor. On such date the Lessee shall deliver to the Lessor (a) all keys to any structures, fixtures or Personal Property on the Premises; (b) all plans, blueprints, surveys, diagrams, leases, contracts and documents relating to the Premises or the Improvements; and (c) all security deposits, prepaid rent and any other deposits from Sublessees still in possession (but nothing herein shall be construed as the Lessor's consent to any such continued possession), and the balances in an reserve accounts maintained for the Premises or Improvements pursuant to any grant agreement, loan documents, or other financing or subsidy arrangements for the Premises or any Improvements; and (d) all Personal Property. Lessee, on or before said termination date, shall remove from the Premises all of Lessee's personal property other than Personal Property as defined in Article 1 hereof. All property not removed by Lessee shall be deemed to have been abandoned by Lessee and may be appropriated, sold, stored, destroyed or otherwise disposed of by Lessor without notice to Lessee and without obligation to account for it. Lessor may require Lessee to remove, within sixty (60) days after notice to Lessee, at Lessee's sole expense, any fixtures or structures in or on the Improvements or otherwise on or under the Premises that were constructed, affixed or substantially modified without the approval of the Lessor or in violation of applicable laws, regulations or Codes, or that were permitted by Lessor on condition that they be removed upon expiration or termination of this Lease. Lessee shall repair any damage to the Premises or Improvements caused by removal of any fixtures or other property.

20.2 Transfer of Contracts. Upon any termination of this Lease prior to expiration of its term, Lessee shall assign and transfer to Lessor or Lessor's designee, immediately upon Lessor's demand, any and all contracts relating to the Premises that Lessor may specify, including without limitation any contracts for operating subsidies, rent supplements, or other support of the Premises or the operation thereof, unless the contracts relate to the operation of, or services performed for the benefit of, a portion of the Premises as to which such termination is not effective pursuant to Article 37 and Article 38 or applicable law. Lessee shall take actions reasonably necessary or appropriate to complete the transfer of such contracts, promptly upon the demand of Lessor.

20.3 Re-entry by Lessor. If the Premises shall be vacated or abandoned by Lessee, or in the event of the termination of this Lease under any provision hereof, Lessor may re-enter the Premises in such manner as Lessor may deem necessary in its sole discretion, and Lessor may repossess the Premises by force, summary proceedings or by any other procedure provided by law or equity.

20.4 Partial Termination. If this Lease shall be terminated as to a portion of the Premises only, and if the Lessee or any Sublessee shall be entitled to continued possession notwithstanding such termination, then the above provisions of this Article shall apply only to the portion of the Premises as to which this Lease is terminated and all Improvements thereon, together with all related Personal Property, but shall not apply to any part of the Premises where the Lessee or a Sublessee is entitled to such continued possession, or to Improvements on that part of the Premises or related Personal Property.

20.5 Survival of Liabilities. Any liability of Lessee or Lessor hereunder for negligent or intentional acts or omissions occurring during the Term of this Lease, or arising under the indemnity provisions of this Lease, shall survive termination and surrender (whether or not any claim giving rise to such liability shall have accrued).

21. GENERAL PARTNER, MANAGER AND MEMBER OF LESSEE

21.1 Lessee represents, warrants and covenants that the sole manager and sole member of the sole general partner of Lessee is and shall continue to be Solid Ground Washington (“Sole Member”) and that the Sole Member is a duly organized Washington nonprofit corporation with a charitable purpose that includes serving the homeless and is exempt from federal taxes under Section 501(c)(3) of the United States Internal Revenue Code, and that the Sole Member shall continue to be the sole manager and sole member of sole general partner of Lessee, except as provided in Section 21.2.

21.2 Lessee covenants that the Leasehold Estate, and ownership of the Residential Buildings, at all times shall be vested either in the Lessee, the Sole Member or an entity wholly owned and managed solely by the Sole Member. The foregoing notwithstanding:

21.2.1 If the Lessee is a Partnership, the withdrawal (not including a voluntary withdrawal allowed by the partnership agreement of the Partnership (the “Partnership Agreement”) or with the consent of the Investor (hereinafter defined)) of a general partner of the Partnership, or removal of a general partner pursuant to the terms of the Partnership Agreement, shall not constitute a default under this Lease, provided that: (A) within 60 days thereafter, a successor general partner is substituted that is either, at the option of the Investor, (i) a Seattle-based nonprofit or public entity approved in writing by the Lessor or (ii) any other non-profit entity approved in writing by the Lessor; and (B) if the successor general partner is not a Seattle-based nonprofit or public entity approved in writing by the Lessor then, within six (6) months of such entity becoming the successor general partner, the Investor shall have replaced such successor general partner with a general partner that is a Seattle-based nonprofit or public entity approved in writing by the Lessor. Lessor’s approval shall not be unreasonably withheld for a non-profit corporation or public entity with substantial successful experience managing housing for Homeless Persons. Any transfer of a limited partner’s interests in Lessee shall not require the consent of the City.

21.2.2 After a Foreclosure, the ownership of the Leasehold Estate in its entirety or of a Parcel, and ownership of the Residential Buildings and other Improvements (or those on a

Parcel, if applicable), by a Person not conforming to the requirements of this Article 21, shall not constitute a default under this Lease so long as the Residential Buildings are operated for Homeless Persons, under one or more management agreements or other contracts reasonably acceptable to the Lessor, by one or more Seattle-based nonprofit or public entities with substantial successful experience in operating housing for Homeless Persons approved in writing by the Lessor, such approval not to be unreasonably withheld, conditioned or delayed.

22. QUIET ENJOYMENT

22.1 In General. Lessor covenants that, subject to the express provisions of this Lease, to the interests of Sublessees and Tenants, and to the terms of the conveyance of the Premises from the United States, if and so long as Lessee pays the Rent and other charges required by this Lease, and performs all of its obligations pursuant to the terms, covenants and conditions of this Lease, Lessee shall quietly enjoy the Premises. Notwithstanding the foregoing or any other provision of this Lease, Lessor's covenants and warranty as to title to the Premises are limited to the agreement of Lessor to warrant and defend such title, subject to the express provisions of this Lease, against all Persons lawfully claiming or to claim by, through or under Lessor (other than through Lessee, or through its general partner as prior lessee of the Premises), and Lessor expressly disclaims all other covenants and warranties.

22.2 Easements and Covenants. Lessee accepts the Premises subject to the easements, covenants, terms and restrictions set forth or incorporated in the plat of Seattle Short Subdivision No. 9904055 recorded under King County recording no. 19991214900007 and in the plat of Seattle Short Subdivision No. 9904054 recorded under King County recording no. 19991214900006, as applicable, and to all other encumbrances now of record against the Premises. Lessee shall comply at its sole expense with all of the foregoing as they apply to the Premises or to the owner thereof.

23. LESSOR'S CONSENT OR APPROVAL

23.1 Consent Expressly for Lease Purposes; Discretion of Lessor. Whenever Lessor's consent or approval in writing to any act to be performed by Lessee is required under this Lease, (a) Lessee must obtain a consent or approval in writing expressly for purposes of this Lease, regardless of whether a consent or approval shall have been granted by the Lessor in its regulatory, public utility, or other capacity; and (b) unless otherwise expressly stated herein, such consent or approval may be withheld in the Lessor's sole discretion, exercised in good faith. In any case in which it is stated that the Lessor's consent or approval shall not be unreasonably withheld, the Lessee agrees that valid reasons for withholding consent or approval shall include the Lessor's desire to maintain or ensure compliance with any of the following: any law, regulation, ordinance, or grant agreement; any Comprehensive Plan policy; any provision of the Sand Point Physical Development Management Plan or of the Community Preferred Re-use Plan for Sand Point (except as the same shall have been modified or superseded by any of the foregoing); any of the plans or guidelines described in Section 32.2 below; any City of Seattle adopted neighborhood plan policy; any provision of

the Lessor's Consolidated Plan; or any condition attached to any federal, state, or county funding, provided such withholding is reasonably related to such purpose. Any obligation of the Lessor not unreasonably to withhold or delay consent set forth herein applies only when consent is requested in writing prior to the action for which consent is required.

23.2 Consents Under Lease Not for Regulatory Purposes. Any permission, consent, or approval of the Lessor contained herein or given pursuant to this Lease is or shall be granted solely in the Lessor's capacity as owner and lessor of the Premises, and not in its regulatory or public utility capacity, nor in its capacity as grantor of funds or lender. No such consent or approval shall be construed as any representation or assurance that the matter consented to or approved complies with applicable laws, regulations, ordinances or Codes, nor shall any such consent or approval be construed to authorize any failure to comply with any of the foregoing. It shall be the sole obligation of the Lessee to obtain, at its own expense, all regulatory approvals, consents, permits, and licenses necessary or convenient for the development of the Premises from all relevant authorities, including without limitation any permits from SDCI. Nothing herein shall be construed as assurance that any such approvals will be granted or that the City, as Lessor, will grant consents, approvals or modifications hereunder for the purpose of compliance with the conditions of any permit, approval, license or funding agreement sought or obtained by Lessee.

24. NO DISQUALIFICATION

24.1 Lessor and Lessee represent and warrant that they are not disqualified under federal, state or other laws, or under the rules or regulations of any governmental department or authority, from acquiring, owning, leasing and holding any interest in real property or from obtaining any government contract.

25. BENEFIT

25.1 Successors and Assigns. The terms, covenants and conditions contained in this Lease and in the Exhibits annexed thereto shall bind Lessee and its successors, assigns, and Sublessees, and shall inure to the benefit of Lessor and its successors and assigns. The terms, covenants and conditions of this Lease shall inure to the benefit of Lessee's successors, assigns, including any Sublessees, only if the assignment, Sublease, or other transfer (whether voluntary or involuntary) of Lessee's interests shall have received the express written consent of Lessor or was permitted without such consent by the terms hereof.

25.2 No Third Party Beneficiary. Except as expressly set forth in Section 25.1, no Person other than Lessor or Lessee (and the Investor) is intended to have any legal right or interest under this Lease.

27.2 Gender and Number. Words of any gender utilized in this Lease shall be held to include any other gender and words in singular numbers shall be held to include the plural when the context so requires.

28. SEVERABILITY

28.1 If any provision of this Lease, or any Section, sentence or clause, or its application to particular circumstances, is held invalid, this Lease shall be construed as if the invalid part were never included or were expressly made inapplicable to such circumstances, as the case may be, and this Lease shall remain valid and in force to the fullest extent permitted by law.

29. APPLICABLE LAW

29.1 This Lease shall be governed by and construed in accordance with the laws of the State of Washington. Venue for any legal action under this Lease shall be King County Superior Court.

30.1 Negotiated Agreement; Construction. The parties to this Lease acknowledge that it is a negotiated agreement, that they have had the opportunity to have this Lease reviewed by their respective legal counsel, and that the terms and conditions of this Lease are not to be construed against any party on the basis of such party's draftsmanship thereof.

30.2 Entire Agreement. This Lease, and the terms and provisions herein, contain the entire agreement and understanding between the parties with respect to the leasing of the Premises and any other negotiations, agreements, or understandings with respect to the leasing of the Premises are hereby expressly merged and subsumed within the terms and provisions of this Lease. No negotiations, communications, agreements or understanding with respect to this Lease shall have any effect in the construction, application or enforcement of this Lease. Nothing herein shall supersede any written agreement with respect to the grant or loan of funds for the Premises.

31. [INTENTIONALLY OMITTED]

32. ADVISORY COMMITTEES; COMPLIANCE WITH PLANS AND GUIDELINES

32.1 Magnuson Park Community Communications Committee; Representation; Provision of Information. Lessee acknowledges that the Lessor has established a committee, which includes representatives of Lessee, owners, tenants and users of other portions of the Sand Point Property, as well as representatives of the Lessor and neighborhood interests, to coordinate activities on the Sand Point Property and community involvement therein (the “Magnuson Park Community Communications Committee”). Lessee shall be entitled to representation on the Magnuson Park Community Communications Committee and shall participate and cooperate in good faith in the processes established by the Magnuson Park Community Communications Committee. Lessee shall keep the Magnuson Park Community Communications Committee informed of proposed activities on the Premises, including without limitation any changes in uses, any construction or rehabilitation activities, changes in Sublessees, changes in landscaping, and any changes in rules, policies or procedures that might reasonably affect or concern the tenants or users of other portions of the Sand Point Property or residents in the area.

32.2 Compliance with Plans and Guidelines. Subject to the express terms of this Lease and to applicable laws and regulations, the Lessee shall comply, and cause its Sublessees to comply, with the terms of the Physical Development Management Plan and the Historic Property Reuse and Protection Plan and any amendments to any of the foregoing that shall be approved by the Lessor as owner of the Premises.

32.3 Housing Advisory Committee. In addition to the committee described in Section 32.1, a Housing Advisory Committee has been established. That committee is composed of not less than seven (7) members and not more than fifteen (15) members, at least a majority of whom are residents of neighborhoods near Sand Point. The purpose of the Housing Advisory Committee is to advise the Lessee on matters of interest to neighboring communities including, but not limited to:

- (a) Establishment, monitoring of screening criteria and procedures;
- (b) Review of management and operation plan;
- (c) General supervision and security issues;
- (d) General maintenance, fencing, and landscaping;
- (e) Design and siting of new construction of family housing; and
- (f) Transportation and noise.

33. RIGHTS RESERVED BY LESSOR

33.1 Access for Inspection. The Lessor reserves for itself, its officers, employees, agents and contractors, access to the Premises, including the Improvements, at all reasonable times to verify compliance with this Lease. Lessor’s access rights shall at all times be subject to the rights of Lessee’s residential tenants to quiet enjoyment. Upon request by Lessor for access to individual dwelling units for inspection, the Lessor shall give such notice as is

required for such access by a landlord under the Washington Residential Landlord-Tenant Act and any other applicable law.

33.2 Access for Other Purposes. The Lessor reserves the right to enter onto the Premises and, with reasonable advance notice to Lessee, to use any portion of the Premises for any purpose not inconsistent with or disruptive of Lessee's use and operation of the Premises for the purposes set forth in this Lease, subject to the rights of Tenants. Without limiting the foregoing, Lessor's fire, police, and other public safety officers shall have the right to enter the Premises at all times, subject to the privacy rights of Tenants under applicable law.

33.3 Manner of Exercise. The rights reserved under this Article shall be exercised in such manner as does not unreasonably interfere with Lessee's and authorized Sublessees' access to, operation of, and use of the Improvements.

34. EXISTING EASEMENTS; LESSEE TO COOPERATE IN AND CONSENT TO ACTIONS BY LESSOR

34.1 Easements. This Lease, and all rights of Lessee with respect to the Premises, are subject to the right of the Lessor to grant such additional easements and rights of way over, under, across, in and upon the Premises as it shall determine to be in the public interest; provided, that any such additional easement or right of way shall be conditioned on the assumption by the grantee thereof of liability to the Lessee for such damages as the Lessee shall suffer for property destroyed or property rendered unusable as a result of the Lessor's exercise of its rights thereunder; provided further that such additional easements and rights of way do not disrupt Lessee's use and operation of the Premises as intended under the terms of this Lease. There is hereby reserved to the holders of such easements and rights of way as are presently outstanding or which may hereafter be granted, to any workers officially engaged in the construction, installation, maintenance, operation, repair, or replacement of facilities located thereon pursuant to the terms of such easements, and to any Federal, State or local official engaged in the official inspection thereof, such reasonable rights of ingress and egress over the Premises as shall be necessary for the performance of their duties with regard to such facilities.

34.2 Cooperation in Actions by Lessor. Lessee acknowledges that in order to carry out the intent of this Lease, it may be necessary or convenient for the Lessor as owner to effect or create various actions such as subdivisions, boundary line adjustments, easements, dedications or transfers of jurisdiction for utility and other purposes, or condominium declarations, concerning or affecting the Premises. Lessee irrevocably agrees, promptly on the request of the Lessor, to join in, consent to, and cooperate in, any and all such actions, and to execute and deliver such documents as the Lessor shall deem reasonably required for such purpose, provided that such actions are not fundamentally inconsistent with the use of the Premises for the purposes described in this Lease for the Term of this Lease; and provided

further that such actions do not disrupt or interfere with Lessee's use and operation of the Premises.

35. RECORDS AND ANNUAL REPORTING

35.1 Records. Lessee and its Sublessees shall prepare and maintain in good order, accurate and up-to-date records demonstrating compliance with the terms of this Lease and documenting the operation of the Premises, and shall make all such records available for inspection and copying promptly upon the Lessor's request.

35.2 Annual Reporting. Lessee covenants and agrees that, for the Term of this Lease, it will furnish to Lessor annually on or before June 30 of each year, or another date agreed to in writing by Lessor and Lessee, commencing in the first calendar year beginning after the date hereof, a written report showing Lessee's compliance with all the terms and conditions of this Lease during the previous calendar year. This report shall include but not be limited to:

- (1) description of compliance with Physical Development Plan and Historic Properties Reuse and Protection Plan pursuant to Section 32.2 of this Lease;
- (2) a description of ongoing security activities for the Premises;
- (3) status of any Subleases and copies of any modifications thereto;
- (4) status of any development activities for the Premises;
- (5) certification that no hazardous materials are being stored on site, except in accordance with applicable laws;
- (6) insurance certificate showing the Lessor as loss payee and/or additional insured;
- (7) explanation of any alterations occurring to the Premises during the prior year;
- (8) full financial statements for Lessee, prepared in accordance with Generally Accepted Accounting Principles, which shall be audited or reviewed by an independent certified public accountant if so requested (an audit satisfying federal OMB Circular A-133 will suffice);
- (9) explanations of any changes in tenant population and services provided to residents (changes to the MOP require Lessor's advance consent);

- (10) a description of any neighborhood issues or complaints raised during the prior year to include a description of any resolutions or outcomes; and
- (11) a description of any community or neighborhood meetings attended by any representative of the Lessee or Sublessee and issues discussed regarding the Premises;
- (12) a description of any issues discussed by the Magnuson Park Community Communications Committee or the Housing Advisory Committee regarding the Premises during the prior year including a description of any resolutions or outcomes;
- (13) such other information as may be required by any provision of this Lease; and
- (14) provided that Lessor gives such advance notice as is necessary to collect or prepare the information, such other information as may be reasonably requested by Lessor.

In addition, the Lessor shall have the right to perform, or to commission a consultant to perform, audits or reviews of Lessee and of the operations of its Sublessees on the Premises at any time. Lessee and Sublessees shall cooperate fully with any such audit and allow the Lessor or its consultant to review and copy all relevant documents and records, including without limitation computerized records and data.

36. MANAGEMENT AND OPERATING PLAN

36.1 Plan. Lessee shall operate the Premises in accordance with, and shall take all reasonable measures to cause its Sublessees to comply with, the MOP. All changes or amendments to the MOP shall be subject to the restrictions contained in the definition thereof.

37. CERTAIN RIGHTS OF INVESTORS

Lessor acknowledges that Lessee or a Sublessee may intend to receive low income housing tax credits under the Internal Revenue Code (“Credits”) and that the Lessee or Sublessee may receive a contribution of capital from one or more investor members or investor limited partners (collectively, the “Investor”) approved by the Director. Such a Lessee or Sublessee in which an Investor makes a capital contribution is referred to as a “Partnership.” Lessor agrees that if a Partnership intends to receive Credits, then

during the term of the 15-year low income housing tax credit compliance period, Lessor may terminate this Lease only for a Termination Default.

(i) If Lessee is a Partnership and intends to receive Credits, and a Termination Default occurs, Lessor agrees that it shall not terminate this Lease based on that Termination Default until after all of the following has occurred:

(A) Lessor shall have provided written notice to Lessee and Investor (at the address stated in Section 26.1) of such Termination Default, specifying actions which must be taken to cure such default.

(B) The Termination Default shall not have been cured within sixty (60) days after receipt of such notice to cure such default by both Lessee and Investor, which 60-day period shall be concurrent with, and not in addition to, any cure period under Article 17.

(C) After such sixty-day period, Lessor shall have provided written notice to Investor of such continuing default.

(D) Ninety (90) days after receipt of notice of continuing default, Investor shall not have cured the default.

(E) Either

(1) the Investor shall not have both removed the general partner of the Partnership and obtained the Director's approval of the selection of the new general partner (the "New GP") within ninety (90) days after receipt of notice of continuing default, or

(2) the New GP shall have been the general partner for ninety (90) days and shall not have cured the default; after such 90-day period the Lessor shall have provided final written notice to Investor of such failure; and the Investor shall not have cured the Termination Default within sixty (60) days after such final notice.

(ii) Lessor agrees to accept performance by a Sublessee or the Investor as curing Lessee's defaults under this Lease. For purposes of this Section, commencement of cure by a Sublessee shall be treated as commencement of cure by Lessee. An Investor shall not have any obligation to cure any default.

38. **LEASEHOLD FINANCING**

38.1 [Intentionally Omitted].

38.2 Leasehold Mortgages Authorized.

38.2.1 Leasehold Mortgages. On one or more occasions Lessee or a Sublessee may take back a Purchase Money Leasehold Mortgage upon a sale and assignment of the Leasehold Estate or a part thereof or may mortgage or otherwise encumber the Leasehold Estate or a part thereof pursuant to a Leasehold Mortgage to one or more Institutional Investors providing financing for the construction and development of the Improvements or to any other lender approved by Lessor in writing under one or more Leasehold Mortgages and assign this Lease or a part thereof as security for such Leasehold Mortgage or Mortgages; provided, that after Initial Leasehold Mortgage Satisfaction with respect to any portion of the Leasehold Estate, any encumbrance of that portion of the Leasehold Estate shall require the prior written consent of the Lessor. Lessor agrees that notwithstanding anything to the contrary contained in this Lease that so long as a Leasehold Mortgage encumbers the Leasehold Estate or any portion thereof including a Sublease, Lessor may terminate this Lease only for a Termination Default that is not cured within any applicable cure or grace period by Lessee or by a Leasehold Mortgagee within any additional period granted under this Article 38.

38.2.2 Fee Mortgages. Lessee shall not place or create any mortgage, deed of trust, or other lien or encumbrance against Lessor's fee interest in the Premises or in or under Lessor's interest in this Lease.

38.3 Notice to Lessor.

38.3.1 Notice. Each time Lessee or a Sublessee shall take back a Purchase Money Leasehold Mortgage upon a sale and assignment of the Leasehold Estate or shall grant a deed of trust or mortgage on Lessee's Leasehold Estate or a portion thereof, the holder of such deed of trust or mortgage shall provide Lessor with written notice thereof, which notice, to be effective to cause such Person to be eligible to be a Leasehold Mortgagee under this Lease, must include (a) a true and complete copy of the deed of trust or mortgage, (b) the holder's name, and (c) the holder's address for notices. Following receipt of such notice by Lessor, if the deed of trust or mortgage is a Leasehold Mortgage as defined herein, the provisions of this Article shall apply with respect to such Leasehold Mortgage as to all notices, acts, rights and obligations relating to any matters occurring thereafter.

38.3.2 Documents. After Lessor has received the notice provided for by Section 38.3.1 above with respect to any Leasehold Mortgage, Lessee shall with reasonable promptness provide Lessor with copies of all related Loan Documents. Lessee shall thereafter also provide Lessor with a copy of each amendment or other modification or supplement to Loan Documents promptly after the same are entered into. All documents shall be accompanied by a certification by Lessee that such documents are true and correct copies of the originals. Copies of all recorded documents shall show the recording data.

38.4 Consent of Leasehold Mortgagee Required. Except as otherwise stated in this Article 38, no cancellation, surrender, or modification of this Lease shall be effective as to any Leasehold Mortgagee unless consented to in writing by such Leasehold Mortgagee.

38.5 Default Notice. Lessor, upon providing Lessee any written notice of (i) a default under this Lease, or (ii) a Termination Default under this Lease, shall provide a copy of such notice to every Leasehold Mortgagee. No such notice by Lessor to Lessee shall be deemed to have been duly given unless and until a copy thereof has been provided to every Leasehold Mortgagee. After such notice has been given to a Leasehold Mortgagee, such Leasehold Mortgagee shall have the same period after the giving of such notice upon it for remedying any default or causing the same to be remedied as is given Lessee in this Lease after the giving of such notice to Lessee plus, in each instance, the additional periods of time specified in Sections 38.6 and 38.7, to remedy, commence remedying, or cause to be remedied the nonmonetary defaults specified in any such notice. Lessor shall accept such performance by or at the instigation of such Leasehold Mortgagee as if the same had been done by Lessee. Lessee authorizes each Leasehold Mortgagee to take any such action at such Leasehold Mortgagee's option and does hereby authorize entry upon the Premises by the Leasehold Mortgagee for such purpose. The foregoing authorization by Lessee is in addition to, and not in substitution of, any other rights of a Leasehold Mortgagee under its applicable Leasehold Mortgage and related documents, instruments and agreements with respect to the Lessee or any Sublessee.

38.6 Notice to Leasehold Mortgagee; Right to Cure.

38.6.1 Notice. Anything contained in this Lease to the contrary notwithstanding, if a Leasehold Mortgage is then in effect, Lessor shall have no right to terminate this Lease based on a Termination Default unless, following the expiration of the period of time given Lessee to cure such default, if any, pursuant to Article 17, Lessor shall give a Termination Notice to every Leasehold Mortgagee of Lessor's intent to so terminate at least ninety (90) days in advance of the proposed effective date of such termination. The Lessor agrees that it shall not terminate this Lease until after all of the following have occurred:

- (A) the Termination Notice shall specify the actions that must be taken to cure such default;
- (B) The Termination Default shall not have been cured within sixty (60) days after the Termination Notice shall have been provided;
- (C) After such sixty (60) day period, Lessor shall have provided written notice to each Leasehold Mortgagee of such continuing default;
- (D) Ninety (90) days after notice of continuing default as described in subsection (C), the Termination Default shall not have been cured;

(E) If the Termination Default could not reasonably have cured within the sixty (60) day period described above, then both

(1) Lessee shall not have begun cure within the sixty (60) day period referred to in subsection (B) above; or having begun such cure Lessee shall not have proceeded diligently and continuously to complete such cure; or cure shall not have been completed within twelve (12) months after the notice described in subsection (A) above, or such longer period as may be allowed by the Director in his or her discretion; and

(2) a Leasehold Mortgagee shall not have begun cure before the end of the ninety (90)-day period referred to in subsection (D) above, or the Leasehold Mortgagee, having begun cure, shall not have proceeded diligently and continuously to complete such cure; or cure shall not have been completed within twelve (12) months after the notice described in subsection (C) above, or such longer period as may be applicable under Section 38.7 below or may be allowed by the Director in his or her discretion.

Lessor agrees to accept performance by a Sublessee or the Leasehold Mortgagee as curing Lessee's defaults under this Lease. For purposes of this Section, commencement of cure by a Sublessee shall be treated as commencement of cure by Lessee. The Leasehold Mortgagee shall not have any obligation to cure any default.

38.6.2 Notice Address. Any notice to be given by Lessor to a Leasehold Mortgagee pursuant to any provision of this Section shall be deemed properly given if sent to the address provided by the Leasehold Mortgagee pursuant to Section 38.3.1 unless notice of a change of address or of Leasehold Mortgage ownership has been given to Lessor setting forth the new address, or the address of the party or parties to whom the Leasehold Mortgage was assigned.

38.7 Further Protections.

38.7.1 Extension. If Lessor shall elect to terminate this Lease by reason of a Termination Default of Lessee, and if the Lessor would have the right to terminate the Lease under Subsection 38.6 solely because a Leasehold Mortgagee, having begun cure, shall not have completed cure of the Termination Default within 12 months, then if such Leasehold Mortgagee(s) shall, during such twelve-month period and thereafter:

(a) Pay or cause to be paid the Rent and other monetary obligations of Lessee under this Lease as and when the same become due, and continue good faith efforts to perform all of Lessee's other obligations under this Lease, including during any period during which a Leasehold Mortgagee has possession of any portion of the Premises the obligation to operate, maintain and

repair the Improvements thereon and that portion of the Premises in accordance with the standards set forth in this Lease, excepting (i) obligations of Lessee to satisfy or otherwise discharge any lien, charge, or encumbrance against Lessee's interest in this Lease that is junior in priority to the lien of the mortgage held by such Leasehold Mortgagee and (ii) past nonmonetary obligations then in default so long as they are not reasonably susceptible of being cured by such Leasehold Mortgagee, and

(b) If and to the extent not enjoined or stayed, take steps to acquire or sell Lessee's interest or part thereof in this Lease by Foreclosure of the Leasehold Mortgage or other appropriate means and prosecute the same to completion with reasonable diligence,

then at the end of such twelve-month period this Lease shall not then terminate, and the time for completion by such Leasehold Mortgagee of proceedings pursuant to this Section 38.7.1 shall continue so long as such Leasehold Mortgagee is enjoined or stayed, and, following the expiration of any stay or injunction, or in the absence of a stay or injunction, for so long as such Leasehold Mortgagee proceeds to complete steps to acquire or sell Lessee's interest in this Lease or a portion thereof by Foreclosure of the Leasehold Mortgage or by other appropriate means with reasonable diligence and continuity. Nothing in this Article, however, shall be construed to extend this Lease beyond the original Term hereof, nor to require a Leasehold Mortgagee to continue such Foreclosure proceedings after the default has been cured. If each Termination Default under this Lease shall be cured and the Leasehold Mortgagee shall discontinue such Foreclosure proceedings, this Lease shall continue in full force and effect as if Lessee had not defaulted under this Lease.

38.7.2 [Intentionally omitted]

38.7.3 Continuation. If a Leasehold Mortgagee is complying with Section 38.7.1, upon the acquisition of the Leasehold Estate by such Leasehold Mortgagee or its Affiliate or any other purchaser at any Foreclosure and the discharge by the Foreclosure or the acquiring Person of any lien, charge or encumbrance against the Lessee's interest in this Lease that is junior in priority to the lien of the Leasehold Mortgage held by such Leasehold Mortgagee and that the Lessee is obligated to satisfy and discharge by reason of the terms of this Lease, this Lease shall continue in full force and effect as if Lessee had not defaulted under this Lease.

38.7.4 Not Assignment. The making of a Leasehold Mortgage as permitted by this Article shall not be deemed to constitute an assignment or transfer of this Lease or of the Leasehold Estate hereby created or any part thereof, nor shall any Leasehold Mortgagee, as such, be deemed to be an assignee or transferee of this Lease or of the Leasehold Estate hereby created or any part thereof so as to require such Leasehold Mortgagee, as such, to assume the performance of any of the terms, covenants, or conditions on the part of the Lessee to be performed hereunder. Any Person acquiring this Lease and the Leasehold Estate

hereby created, or an interest therein, by any Foreclosure shall be deemed to be an assignee or transferee within the meaning of this Section, and shall be deemed to have assumed and agreed to perform all of the terms, covenants, and conditions on the part of the Lessee to be performed hereunder with respect to the portion of the Premises acquired from and after such acquisition, but only for so long as such Person is the owner of the Leasehold Estate and only to the extent of the interest so acquired. If the Leasehold Mortgagee or its Affiliate shall become the holder of the Leasehold Estate or any part thereof and if the Buildings or other Improvements on the Premises, or portion thereof included in that portion of the Leasehold Estate, shall have been or become materially damaged, the Leasehold Mortgagee or its Affiliate shall be obligated to repair, replace, or reconstruct the Building or other Improvements as and to the extent required by the terms of this Lease.

38.7.5 Further Assignment. Any Leasehold Mortgagee (or its Affiliate) who acquires the Leasehold Estate or a part thereof by Foreclosure or is granted a New Lease as herein provided may, with prior written notice to any other Leasehold Mortgagees and with prior written notice to but without further consent of Lessor, sell and assign the Leasehold Estate or such part thereof on such terms and to such Persons as are acceptable to such Leasehold Mortgagee or Affiliate, and upon closing such sale or assignment shall be relieved of all obligations under this Lease or the New Lease accruing thereafter, provided that any other Person that acquires the Leasehold Estate or part thereof at or by any Foreclosure or from any Leasehold Mortgagee or its Affiliates, and any assignee of this Lease or any New Lease, or a part thereof, from any Leasehold Mortgagee or any other Person, shall, as a condition to such assignment, deliver to Lessor its written agreement to be bound by all of the provisions of this Lease or the New Lease to the same extent as the original Lessee, to the extent they apply to the part of the Leasehold Estate so acquired, including any and all restrictions on the permitted uses of the Premises and upon further assignments, subleases or other transfers of its interests hereunder.

38.7.6 Permitted Transfers. Notwithstanding any other provision of this Lease, any sale of this Lease and of the Leasehold Estate hereby created or any part thereof in any Foreclosure shall be deemed to be a permitted sale, transfer, or assignment of this Lease and of the Leasehold Estate hereby created. After any such transfer the requirements of Article 21 shall apply but shall be deemed satisfied if, at all times commencing twelve months after the transfer, either (a) the Lessee thereunder or the Sublessee of each portion of the Premises is a Seattle-based non-profit corporation or public entity approved in writing by the Lessor, or is a Person controlled by a Seattle-based non-profit corporation or public entity approved in writing by the Lessor, such approval not to be unreasonably withheld for a non-profit corporation or public entity with substantial successful experience managing housing for Homeless Persons; or (b) the Premises or any portion thereof not satisfying clause (a) of this Section are operated, under one or more management agreements or other contracts reasonably acceptable to the Lessor, by one or more Seattle-based nonprofit or public entities approved in writing by the Lessor, such approval not to be unreasonably withheld or delayed for an entity with substantial successful experience in operating housing for Homeless Persons..

38.8 New Lease. Subject to the restrictions on rejection contained in Section 38.16, in the event of the termination of this Lease, other than as a result of a Termination Default that is not cured within the applicable cure or grace period provide herein, in connection with any bankruptcy, insolvency or similar proceeding involving either Lessor or Lessee, including any termination resulting from rejection under Section 365 of the Bankruptcy Code or a termination otherwise decreed by any judge in any state or federal bankruptcy or insolvency proceeding, Lessor shall provide each Leasehold Mortgagee with written notice that the Lease has been terminated, together with a statement of all sums that would at the time be due under the Lease but for such termination, and of all other defaults, if any, then known to Lessor. Lessor agrees to enter into a New Lease of the Premises, or the Parcel thereof that is subject to the Leasehold Mortgage, with such Leasehold Mortgagee or its Affiliate for the remainder of the Term of this Lease, effective as of the date of termination, at the same Rent and upon the terms, covenants, and conditions (but excluding requirements that have already been fulfilled) of this Lease, provided:

38.8.1 Request. Such Leasehold Mortgagee shall make written request upon Lessor for such New Lease within ninety (90) days after the date such Leasehold Mortgagee receives Lessor's Notice of Termination of this Lease. If no such request is given to Lessor within that period, such Leasehold Mortgagee's and its Affiliates' rights to a New Lease shall automatically terminate.

38.8.2 Reserved.

38.8.3 Other Defaults. Such Leasehold Mortgagee or its Affiliate shall agree to remedy any of Lessee's defaults of which said Leasehold Mortgagee was notified by Lessor in or with its Notice of Termination and that are reasonably susceptible of being so cured by Leasehold Mortgagee or its Affiliate. The requirements of Article 21 shall apply but shall be deemed satisfied if, at all times commencing twelve months after the commencement of the New Lease, either (a) the Lessee thereunder or the Sublessee of each portion of the Premises is a Seattle-based non-profit corporation or public entity approved in writing by the Lessor, or is a Person controlled by a Seattle-based non-profit corporation or public entity approved in writing by the Lessor, such approval not to be unreasonably withheld for a non-profit corporation or public entity with substantial successful experience managing housing for Homeless Persons; or (b) the Premises or any portion thereof not satisfying clause (a) of this Section are operated, under one or more management agreements or other contracts reasonably acceptable to the Lessor, by one or more Seattle-based nonprofit or public entities approved in writing by the Lessor, such approval not to be unreasonably withheld or delayed for an entity with substantial successful experience in operating housing for Homeless Persons.

38.8.4 Priority. Any New Lease made pursuant to this Section 38.8 and any extension of this Lease exercised by a Leasehold Mortgagee shall be prior to any mortgage or other lien, charge, or encumbrance on the fee of the Premises, and the tenant under such New Lease shall have the same right, title, and interest in and to any subleases, licenses, concessions or similar rights or interests therein, and to the Premises and the Buildings and other Improvements

thereon as Lessee had under this Lease; provided, however, that Lessor shall not make any warranty of title, express or implied, with respect to any New Lease except that title shall be free of any liens, claims or encumbrances created by Lessor or arising through Lessor that Lessor did not have the right to create under the terms hereof, and Lessor shall have no obligation to deliver possession of the Premises under the New Lease free of occupants.

38.9 New Lease Priorities. If more than one Leasehold Mortgagee shall request a New Lease pursuant to Section 38.8.1, Lessor shall enter into such New Lease with the requesting Leasehold Mortgagee whose mortgage is most senior in lien, or with an Affiliate of such Leasehold Mortgagee if so requested, and if there any Leasehold Mortgagee making such request holds a Leasehold Mortgage that is senior as to only one Parcel of the Premises to the liens of all other Leasehold Mortgages who request a New Lease, then the Lessor shall grant a New Lease on that Parcel to that Leasehold Mortgagee. Lessor, without liability to Lessee or any Leasehold Mortgagee with an adverse claim, may rely upon a title insurance policy or report issued by a responsible title insurance company doing business in the county in which the Premises are located, or on the terms of a recorded priority agreement, as the basis for determining the appropriate Leasehold Mortgagee that is entitled to such New Lease. The New Lease shall be subject to all covenants and regulatory agreements in favor of any governmental body or agency that formerly encumbered the Leasehold Estate (as to the Parcel(s) included in the New Lease) with priority over the Leasehold Mortgage held by the Leasehold Mortgagee receiving the New Lease, and the lessee under the New Lease shall, as a condition to effectiveness thereof, execute a recordable assumption agreement in form reasonably acceptable to the Lessor, by which the new lessee and the leasehold estate under the New Lease shall be bound by and subject to the terms of such covenants, to the same extent as if the Leasehold Estate had passed to such new lessee by Foreclosure.

38.10 Leasehold Mortgagee Need Not Cure Specified Defaults. Nothing herein contained shall require any Leasehold Mortgagee or its Affiliate as a condition to its exercise of rights hereunder to cure any nonmonetary default of Lessee not reasonably susceptible of being cured by such Leasehold Mortgagee or its Affiliate in order to comply with the provisions of Section 38.6 or 38.7 or as a condition of entering into the New Lease provided for by Section 38.8. The financial condition of any Leasehold Mortgagee or successor to Lessee's interest under this Lease or a New Lease shall not be a consideration in the determination of the reasonable susceptibility of cure of any default hereunder. No default, the cure of which, and no obligation of Lessee, the performance of which, requires possession of the Premises or a portion thereof shall be deemed reasonably susceptible of cure or performance by any Leasehold Mortgagee or successor to Lessee's interest under this Lease or a New Lease until it has acquired the right to such possession of the Premises or portion thereof or can otherwise effect such cure through the appointment of a receiver (if such receiver can be so appointed), provided such holder is complying with the requirements described in Sections 38.6 and 38.7 above, nor shall any Leasehold Mortgagee be required to cure the bankruptcy, insolvency or any similar financial condition of Lessee. No Leasehold Mortgagee or any Person that acquires the Leasehold Estate or a portion thereof at Foreclosure shall be deemed in default of any construction obligation under this Lease so long as such Person is diligently pursuing the

completion of construction (taking into account any delays caused by the Lease and Loan defaults and the Foreclosure) or is diligently pursuing the sale of the Lease to a Person who is capable of completing construction.

38.11 Limits on Indemnification by a Leasehold Mortgagee. Notwithstanding anything to the contrary contained in the Lease, upon acquisition of the Leasehold Estate or any portion thereof by a Leasehold Mortgagee as a result of a Foreclosure or an assignment of the Leasehold Estate or portion thereof to such Leasehold Mortgagee in lieu of a Foreclosure, the obligations set forth in the Lease that pertain to indemnification of Lessor for certain claims or losses contained shall be limited to events, conditions claims or losses that (a) are caused by the Leasehold Mortgagee its officers, employees, agents and representatives; or (b) result from a breach of or failure to perform Lessee's obligations under this Lease occurring while such Leasehold Mortgagee holds the Leasehold Estate hereunder as Lessee (or the portion thereof pertaining to the part of the Premises where or with respect to which the breach or failure occurs); or (c) result from a condition of the Premises created while such Leasehold Mortgagee holds the Leasehold Estate hereunder as Lessee (or the portion thereof pertaining to the part of the Premises where the condition is created).

38.12 Casualty Loss. A standard mortgagee clause naming each Leasehold Mortgagee may be added to any and all insurance policies required to be carried by Lessee hereunder.

38.13 Arbitration or Litigation. Lessor shall give each Leasehold Mortgagee prompt notice of any arbitration or legal proceedings between Lessor and Lessee involving Lessee's obligations under this Lease. Each Leasehold Mortgagee shall have the right to intervene in any such proceedings and be made a party to such proceedings, and the parties do hereby consent to such intervention; provided that no Leasehold Mortgagee which intervenes shall be entitled to an award of any costs or attorneys' fees from Lessor.

38.14 No Merger. So long as any Leasehold Mortgage is in existence, unless all Leasehold Mortgagees shall otherwise expressly consent in writing, the fee title to the Premises and the Leasehold Estate of Lessee therein created by this Lease shall not merge but shall remain separate and distinct, notwithstanding the acquisition of said fee title by Lessee or by a third party, by purchase or otherwise.

38.15 Erroneous Payments. No payments made to Lessor by a Leasehold Mortgagee shall constitute an agreement that such payment was, in fact, due under the terms of this Lease, and a Leasehold Mortgagee having made any payment to Lessor pursuant to Lessor's wrongful, improper, or mistaken notice or demand shall be entitled to the return of any such payment or portion thereof provided such Mortgagee shall have made demand therefor not later than one (1) year after the date of such payment.

38.16 Bankruptcy. In the event of any proceeding by either Lessor or Lessee under the United States Bankruptcy Code (Title 11 U.S.C.) as now or hereafter in effect:

38.16.1 Rejection by Lessee. If the Lease or a part hereof is rejected in connection with a bankruptcy proceeding by Lessee or a Sublessee, or by a trustee in bankruptcy for Lessee or a Sublessee, such rejection shall be deemed an assignment by Lessee or the Sublessee to the Leasehold Mortgagee holding a Leasehold Mortgage on all or a part of the part of the Leasehold Estate as to which the Lease is rejected (or if there is more than one such Leasehold Mortgagee, to the one highest in priority, and if there are Leasehold Mortgagees of different parts of the Leasehold Estate as to which the Lease is rejected, then to the Leasehold Mortgagee with highest priority as to each such part, as their interests appear) of the Leasehold Estate and all of Lessee's or such Sublessee's interest under this Lease, or part thereof so rejected, in the nature of an assignment by Foreclosure, and this Lease shall not terminate and the Leasehold Mortgagee shall have all the rights of the Leasehold Mortgagee under this Article as if such bankruptcy proceeding had not occurred, unless such Leasehold Mortgagee shall reject such deemed assignment by notice in writing to Lessor within thirty (30) days following the later of (i) rejection (or deemed rejection) of the Lease by Lessee or Lessee's trustee in bankruptcy; or (ii) approval of such rejection by the bankruptcy court. If any court of competent jurisdiction shall determine that this Lease or any part hereof shall have been terminated notwithstanding the terms of the preceding sentence as a result of rejection by Lessee, Sublessee or the trustee in connection with any such proceeding, the rights of any Leasehold Mortgagee to a New Lease from Lessor pursuant to Section 38.8 hereof shall apply.

38.16.2 Rejection by Lessor. If the Lease is rejected by Lessor or by Lessor's trustee in bankruptcy:

(a) Lessee shall not have the right to treat this Lease as terminated except with the prior written consent of all Leasehold Mortgagees, and the right to treat this Lease as terminated in such event shall be deemed assigned to each and every Leasehold Mortgagee, whether or not specifically set forth in any such Leasehold Mortgage, so that the concurrence in writing of Lessee and each Leasehold Mortgagee shall be required as a condition to treating this Lease as terminated in connection with such proceeding.

(b) If this Lease is not treated as terminated in accordance with Section 38.16.2(a) above, then this Lease shall continue in effect upon all the terms and conditions set forth herein, including Rent, and all options to renew, but excluding requirements that are not then applicable or pertinent to the remainder of the term hereof. Thereafter, Lessee or its successors shall be entitled to any offsets against rent payable hereunder for any damages arising from such rejection and any such offset properly made shall not be deemed a default under this Lease. If Lessee shall fail to pay to Lessor any amount previously offset within ten (10) days after a final and nonappealable order or judgment that Lessee is required to pay such amount, then Lessor shall have all rights and remedies (subject to all other terms and conditions) provided in this Lease with respect to the nonpayment of Rent. The lien of any Leasehold Mortgage then in

effect shall extend to the continuing possessory rights of Lessee following such rejection with the same priority with respect to each such Leasehold Mortgage as it would have enjoyed had such rejection not taken place.

(c) If, in any bankruptcy or similar proceeding in which Lessor is the debtor, the Premises are sold or proposed to be sold free and clear of the interests of Lessee under this Lease, each of Lessee and any Leasehold Mortgagees shall be entitled to notice thereof, to contest such sale or proposed sale, and shall be entitled to petition for and to receive adequate protection of their respective interests under this Lease.

38.17 Rights Against Lessee. The rights of a Leasehold Mortgagee hereunder shall not diminish any right or claim of Lessor against Lessee pursuant to this Lease.

38.18 Estoppel Statement. Lessor shall at any time upon not less than thirty (30) days prior written notice from a Leasehold Mortgagee execute, acknowledge and deliver to Leasehold Mortgagee a written statement (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent, security deposit, and other charges are paid in advance, if any, and (b) acknowledging that there are not, to Lessor's knowledge, any uncured defaults on the part of Lessee hereunder, or specifying such defaults, if any, which are claimed.

39. BINDING EFFECT; CHOICE OF LAW.

This Lease shall bind the parties, their personal representatives, successors and assigns. This Lease shall be governed by the laws of the state where the Premises are located.
