**Statement of Legislative Intent:**

This Statement of Legislative Intent (SLI) requests that the Department of Neighborhoods (DON) conduct a thorough program, staffing, and financial review of the P-Patch program and provide recommendations on potential changes to program, including who should operate the program. DON shall include interested community groups in this review.

The Mayor's Proposed 2018 Budget includes funding to support the transfer of the P-Patch program in 2019 from DON to the Seattle Department of Parks and Recreation. A separate green sheet (79-1-A-1) would cut those funds.
