***Budget Action description:***

This budget action imposes the following proviso:

"Of the appropriation in the 2018 budget for the Human Services Department (HSD), $750,000 is appropriated solely for a program addressing vehicular living and may be spent for no other purpose. The program addressing vehicular living shall entail establishing at least thirteen safe parking sites with security checks, case management services, portable toilet and gray water services, sewage removal services for recreational vehicles, electricity, garbage pick up, and shower and laundry services."
