## Budget Action description:

This green sheet recommends passage of Council Bill (C.B.) 119118, known as the "short" property tax ordinance. This bill is one of the two ordinances required to levy property taxes for collection in 2018.

Since the approval of Referendum 47 in November 1997, state law requires that a taxing jurisdiction adopt, by a majority of its legislative body, a "separate ordinance" stating the property tax increase (if there is an increase), in terms of both dollars and percentage.

For 2018 the property tax levy will increase by approximately \$3,960,036, which is about a .87 percent increase over 2017.
