1. BILL SUMMARY

- a. **Legislation Title:** AN ORDINANCE relating to City employment; amending Sections 4.24.005, 4.24.010, 4.24.030, 4.24.035, and 4.24.040 of the Seattle Municipal Code (SMC); and repealing Section 4.24.050 of the SMC; authorizing a memorandum of understanding between The City of Seattle and City labor unions; and ratifying and confirming certain prior acts.
- b. **Summary and background of the Legislation:** In November of 2016, Washington State voters passed Initiative 1433, providing for certain labor standards, including paid sick leave for all employees. This legislation incorporates new state sick leave requirements into the City's sick leave benefits program, including allowing use of sick leave to care for a grandchild with an illness or injury, reinstatement of sick leave if returning to employment after separation, and removal of the workstudy exemption, among other items. This legislation repeals Seattle Municipal Code Section 4.24.050 on sick leave for temporary employees as this section is obsolete. It also authorizes a Memorandum of Understanding between the City and the City unions to amend language in collective bargaining agreements to do the same. This legislation will be effective on December 27, 2017, which is a pay period begin date, for administrative ease of implementing the required changes.
