

**Amendment 1 to CB 119156 – South Lander Grade Separation Grant Support**

On page 9, after Item 6.38, insert a new item as shown below.

Item	Fund	Department	Budget Control Level	Amount
6.39	Transportation Operating Fund (10310)	Seattle Department of Transportation (SDOT)	Mobility-Capital (10310-19003)	\$4,000,000

Adjust the total for Section 6 accordingly.

**Effect:** This amendment increases appropriation authority by \$4,000,000 in the Mobility-Capital BCL of the Seattle Department of Transportation (SDOT). SDOT has been awarded a state Transportation Improvement Board (TIB) grant for the S Lander St. Grade Separation project. The project constructs a grade separation of the S Lander St. roadway and the Burlington Northern mainline railroad tracks. The grant will be matched by federal grants, Move Seattle funding, and private/partnership funding.
