# North Rainier Park Addition

Property Size: 6,617 sf

# North Rainier Park Addition

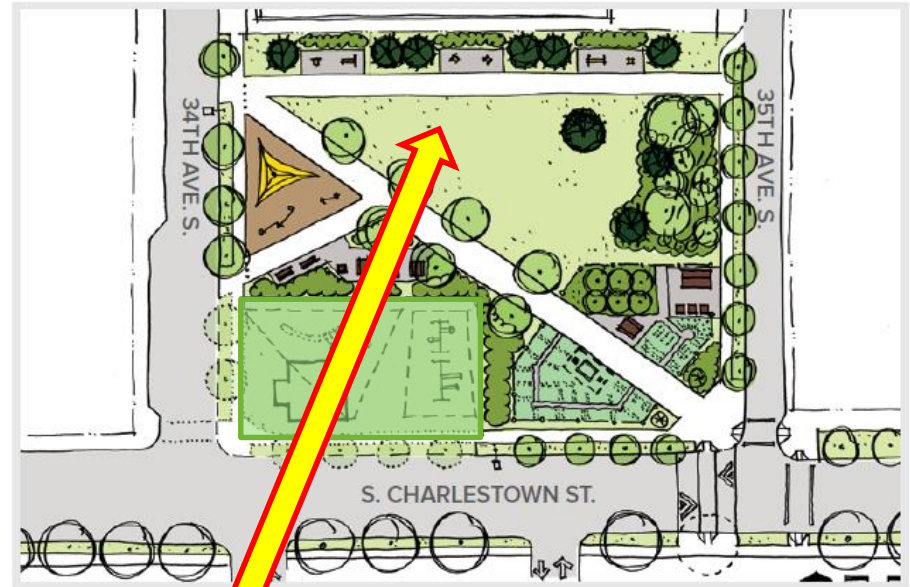

- Originally tried to acquire the property in 2010; City was out-bid
- Acquiring this site will improve the park by improving sightlines, increasing street frontage and providing for increased programming opportunities for the adjacent family, senior and low-income housing
- Total park size will be 1.4 acres
- Property will be acquired with Park District funding
