

CITY OF SEATTLE

RESOLUTION _____

..title

A RESOLUTION relating to the for-hire transportation industry; establishing a work program for the City Council to review the administrative rules and regulations to improve customer service and lower costs to participants, and to explore ways to ensure equal market access to all participants.

..body

WHEREAS, the City Council passed Ordinance 124524 on July 14, 2014, establishing minimum operating requirements for transportation network companies (TNCs) and affiliated drivers; imposing industry-wide vehicle inspection and driver training standards; imposing insurance requirements for transportation network companies and affiliated vehicles; altering insurance requirements for taxi and for-hire vehicles; requiring rate transparency across the industry; establishing and altering licensing fees; establishing an accessibility service charge; raising the maximum number of taxicab licenses issued by the City; granting hailing rights to for-hire vehicles; and establishing a property right in the license for taxi and for-hire vehicle license holders; and

WHEREAS, the City Council passed Ordinance 124968 on December 23, 2015, establishing a framework that would require companies that hire or contract with for-hire drivers licensed to operate in the City to bargain the terms and conditions of work with a Driver Representative if enough such drivers chose to be represented; and

WHEREAS, the City Council, over the last several years, has worked on new policies to create a competitive and fair environment for taxis, for-hire vehicles, and TNCs, allow new market entrants and technologies, and improve customer convenience and safety; and

1 WHEREAS, industry participants have requested the City Council enact legislation to establish a
2 minimum fare for all segments of the industry that ensures equal market access and
3 establishes an industry aligned with the City's values of fairness, shared prosperity, and
4 transparency; NOW, THEREFORE,

5 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE THAT:**

6 Section 1. The City Council requests that taxicab companies, for-hire [vehicle](#) companies,
7 and transportation network companies (TNCs) ~~provide the Director of Finance and~~
8 ~~Administrative Services the following data for each driver associated~~ [work collaboratively](#) with
9 ~~each company at any time in calendar year 2017;~~ [designated City staff to develop a list of data](#)
10 [that they will voluntarily share with the Council through a secure mechanism, that will be](#)
11 [responsive to the Council's need to have a clear understanding of the](#) ~~total number of current~~
12 [state of the for-hire industry as it formulates policies. City staff will include and consider the](#)
13 [distribution of: 1\) the](#) hours the driver worked, or in the case of TNCs, ~~were~~ [the hours](#) active on
14 the companies' platform, [2\) the](#) ~~total duration~~ [number](#) of trips the drivers completed, the
15 ~~total~~ [distance traveled with the passenger in the vehicle, the distance traveled to pick up the](#)
16 [passenger, and, in the case of the TNCs, the distance traveled while logged onto the company's](#)
17 [app. 3\) the](#) value of the fares charged, and [4\) the](#) ~~total~~ compensation to ~~each driver~~ [drivers](#) for
18 calendar year 2017. [The data shared should be anonymous and provided to the City by no later](#)
19 [than May 31, 2018.](#) If the requested information is not provided to the Director [of Finance and](#)
20 [Administrative Services](#) by May 31, 2018, the Council will consider legislation requiring the
21 data from all market participants, including possibly drivers, to support the formation of City
22 Council policy for the industry. In drafting such legislation, the City Council will consider

1 defining what constitutes an operating hour and will explore creative ways to address the
2 concerns of market participants about the release of data.

3 Section 2. The City Council will consider legislation to establish a set of minimum
4 charges across all segments of the for-hire transportation industry to ensure fair market access to
5 all participants. Options could include setting a minimum base fare rate of \$2.40.

6 Section 3. Additional issues the City Council will examine and review to improve the for-
7 hire transportation industry in Seattle include, but are not limited to:

- 8 1. Transition to regional license system for all market segments. The City would
9 continue to coordinate with King County in establishing and administering
10 consistent rules, regulation, and fare structures;
- 11 2. Consolidation and leveling of operating fees in Seattle Municipal Code Section
12 6.310.150;
- 13 3. Options for conversion of for-hire vehicles to metered taxicab for those choosing
14 to convert;
- 15 4. Flexibility in licensing tenures to allow drivers time to travel to visit family
16 overseas, and to accommodate the seasonality of the market;
- 17 5. Flexibility in the financial obligations on drivers and owner-operators in the taxi
18 industry;
- 19 7. Flexibility in insurance standards to lower driver costs;
- 20 8. Establishing a bill of rights for drivers and passengers; ~~and~~
- 21 9. Expanding the Seattle–King County Taxicab Advisory Commission to include all
22 for-hire transportation industry segments; and
- 23 10. Addressing issues specific to Wheelchair Accessible Taxi.

1 Section 4. The City Council will introduce preliminary policy recommendations by the
2 end of the second quarter of 2018 and final recommendations with legislation by the end of the
3 third quarter 2018.
