### 1. BILL SUMMARY

1. **Legislation Title:**

AN ORDINANCE relating to the Department of Finance and Administrative Services; authorizing the Director or the Director's designee to execute a non-exclusive sub-surface sewer utility easement and a non-exclusive sub-surface water utility easement under, across, and upon a portion of the property known as Fire Station 28 located at 5968 Rainier Avenue South, Seattle, Washington, to Anne Michelson, an unmarried person, and to the successor owners of the property located at 5970 Rainier Ave South, Seattle, WA.

2. **Summary and background of the Legislation:**

The City purchased a site on Rainier Avenue for Engineering (streets and sewers) and Fire use in 1908. An Engineering Department shops building was constructed in 1916. Fire Station 28 was constructed in 1951 and rebuilt in 2009. A new Urban Search and Rescue building was constructed in 2016.

The Michelson property lies to the east and south of Fire Station 28 and contains a single-family residence. The property does not border a public right of way, so in 1946, the City granted a sixteen-foot access easement limited to roadway purposes, across the property on which Fire Station 28 is located. The easement was to remain in full force until other adequate means of ingress and egress were available. In 2009, the City granted a permanent access easement in a new location so buffer landscaping could be installed around the new fire station. A temporary permit to allow the existing water and sewer utility was issued, and the City encouraged the previous owners of the property, Parmenter and Liana Welty, to pursue alternate sewer and water utility easements. In Fall 2016, the Weltys contacted the City seeking to obtain a permanent easement because the sewer line had failed, and due to the development of the property between 5970 Rainier Avenue South and the Rainier roadway, the only viable permanent sewer line easement crossed Fire Station 28 property. FAS worked with the Law Department to develop a proposed sub-surface water and sewer utility easement documents. In 2017, the Weltys sold the property to Anne Michelson.
