

CM González– AMENDMENT 1 – Safe Storage of Firearms

Compared with the original bill presented on 6-13, this amendment would:

1. Allow the Court to determine whether to issue multiple fines for mass shootings.
2. Eliminate the SMC’s ability to issue citations and provide such authority to the City Attorney.
3. Eliminate the requirement that SPD conduct a survey to evaluate compliance with ordinance.
4. Require the City Auditor to coordinate with SPD and Seattle/King County Public Health on a report that identifies descriptive statistics on stolen guns and gun related injuries and deaths.
5. Reflect technical adjustments.
