Expanding SPU Customer Review Panel

July 14, 2018

Seattle Public Utilities

City of Seattle

Proposed Legislation

- Resolution 31800 establishes an ongoing Customer Review Panel to maintain continuous stakeholder engagement as SPU implements its six-year Strategic Business Plan and conducts Plan updates.
- This legislation would amend Resolution 31800 to:
 - Increase the number of Panel members from nine to 11 members to allow for a more diverse set of customer views.
 - Modify member terms to reflect the addition of members.
- Strategic Business Plan updates and attendant rate revenue subject to Council and Executive approval.
