

**CM Herbold Amendment to CB 119306 – Full Council
Delridge Proviso Legislation**

Add new Section 2 as follows:

Section 2. No more than \$3.4 million of the funds appropriated in the Mobility-Capital Budget Control Level in the 2018 Budget may be expended for the Delridge Multimodal Corridor Project (TC367810) (adopted in the 2018-2023 Capital Improvement Program), until authorized by future ordinance. It is anticipated that such authorization will not be granted until the Seattle Department of Transportation reports to the Sustainability & Transportation Committee, or its successor committee, on the 30% design baseline package, including a clear definition of the sidewalk and bicycle infrastructure improvements in the project scope. City Council anticipates that the 30% design baseline package will reflect continued community engagement and input in the project development.

Renumber subsequent sections accordingly.
