**1. BILL SUMMARY**

**a. Legislation Title:**

AN ORDINANCE relating to land use and zoning; extending a moratorium established by Ordinance 125425 for six months on the filing, acceptance, or processing of applications for the establishment, expansion, or change of use for certain uses on parcels with a Commercial 1, Commercial 2, or Neighborhood Commercial 3 zoning designation within the Aurora-Licton Urban Village; declaring an emergency, and establishing an immediate effective date for this extension; all by a 3/4 vote of the City Council.

**b. Summary and background of the Legislation:**

The proposed legislation would extend by six months a temporary moratorium, which was first established by Ordinance 125425, on establishing, expanding, or changing a land use to uses that are inconsistent with the goals and policies of the Aurora-Licton Residential Urban Village neighborhood plan, which are adopted into the Comprehensive Plan. Those goals and policies emphasize a pedestrian oriented mixed-use neighborhood with appropriate transitions between commercially and residentially designated areas.

The legislation prohibits establishing new, expanding, or converting existing land uses to the following uses:

- Drive-in businesses;
- Dry boat storage;
- General manufacturing;
- Heavy commercial services, except laundry facilities existing as of April 1, 2001;
- Sales and rental of large boats;
- Vessel repair (major or minor);
- Mini-warehouse;
- Principal use, nonresidential long-term parking;
- Outdoor storage;
- Heavy commercial sales;
- Sales and rental of motorized vehicles, except within an enclosed structure;
- Solid waste management;
- Recycling uses;
- Towing services;
- Principal use vehicle repair (major or minor);
- Wholesale showroom; and
- Warehouse.

New zone designations and regulations related to these uses are anticipated to be established by citywide implementation of the Mandatory Housing Affordability program. Council will consider establishing that program for this area in early 2019.

For additional information on the area covered by the temporary moratorium, please see the summary and fiscal note to Ordinance 125425.
