Budget Action description:
This green sheet recommends passage of Council Bill 119376, amending [Ordinance 125324](#) to amend the uses of the proceeds of the Sweetened Beverage Tax (SBT). This C.B. would decrease the share of the SBT's net proceeds set aside for one-time and limited-duration expenditures from 20 percent to 10 percent in 2019, 2020, 2021, and 2022. This change is in response to revised SBT revenue projections and is expected to provide sufficient funding for one-time and limited-duration priorities while allowing for greater investment in ongoing uses of SBT revenues.
