**Statement of Legislative Intent:**

The Council requests that any operating agreement for the Center City Connector Streetcar submitted to the Council for authorization include:

- a) projected performance measures for the first 6 years of streetcar system operations with the Center City Connector (including ridership, fare box recovery ratio, productivity, fare evasion, and reliability);
- b) identification of funding sources for construction of the project; and
- c) identification of contingency strategies and potential funding sources to address the risk that Federal Transit Agency funds are not received.
