Budget Action description:

The 2019 Proposed Budget includes \$500,000 in Real Estate Excise Tax (REET) II funding to be used for planning, design, improvements and potential activation activities in the Yesler Crescent corridor. The Council intends the planning effort be a community-led approach, supported by the City and King County. To ensure that funding is spent consistent with this intent, the following proviso is imposed:

"None of the money appropriated in the 2019 budget for the Department of Parks and Recreation's Building for the Future BSL may be spent for the Yesler Crescent Improvements project, Project ID # MC-PR-21012, in the 2019-2024 Capital Improvement Program, until authorized by a future ordinance."
