**Statement of Legislative Intent:**

This Statement of Legislative Intent would require the Human Services Department to continue to provide the Council with a weekly report that contains the following information for all unauthorized encampments to be removed the following week:

- (1) The address or other means of identifying the site;
- (2) Identification of the prioritization criteria that resulted in the site being prioritized for removal, as established in FAS Encampment Rule 17-01, including for each site an explanation for prioritization and the identification of all departments that provided input into the prioritization process;
- (3) An explanation of what made the site rise to the top of the removal list;
- (4) The number of hours of notice that was provided before encampment removal; and
- (5) The number of visits by outreach before encampment removal.

This would be a continuation and expansion of the weekly monitoring reporting as required by green sheet 240-1-C-2 as passed in the 2018 budget. The report would provided to the Chair of the Human Services, Equitable Development, and Renter Rights Committee and the Council Central Staff Director.
