South Park Campus Improvements

Project Type: Discrete Project No.: MC-PR-21013

Start/End Date: 2019-TBD BSL/Program Code: BC-PR-20000

Project Category: Improved Facility BSL/Program Name: Building For The Future -

CIP

Current Project Stage: Pre-Project Development Location: 8319 8th AVE S

Neighborhood District: Greater Duwamish Council District: 1

Total Project Cost: \$1,800 Urban Village: South Park

This project will implement the South Park Site Plan approved by Seattle Parks and Recreation in March 2018, by renovating and relocating numerous park elements. The site plan calls for the existing play area and wading pool to be demolished and replaced with a new play area and spray park in new locations within the site. The existing grass playfield will be renovated and upgraded with synthetic turf and lighting. The project may also include the replacement of the existing sport courts, installation of a loop trail and planted buffer, new fencing and related work. Partial funding for this project is anticipated from various public and private sources in the forms of grants and donations. Once the project is completed, these improvements will increase safety and site capacity, support more active uses and types of healthy outdoor play, and provide opportunities for programming throughout the year. The total estimated cost for this project is \$9.8 million. This project will be funded by public and private sources. With the addition of the Real Estate Excise Tax (REET) funding in 2019, the project is expected to be fully funded.
