Budget Action description:

This green sheet would add \$500,000 GF in 2019 and \$500,000 GF in 2020 to the Human Services Department for substance use disorder treatment programming at an organization such as Evergreen Treatment Services (ETS).

ETS offers medication assisted treatment, such as daily dispensing of methadone or buprenorphine, for people with opioid use disorders, along with wrap-around services such as counseling and medical referral. These funds would expand treatment on demand by providing for additional nurses and social workers.
