This green sheet adds \$10,000 for the Seattle Department of Transportation to create and install suicide prevention hotline signs along the 20th Avenue N.E. bridge that crosses the Ravenna Park Ravine, and in other locations throughout the city.

These signs promote 24-hour, 7-days a week, free and confidential support for people in distress. These support services provide a lifeline for people struggling with mental health issues and depression.

This green sheet assumes that Commercial Parking Tax would be available as described in GS 35-25-A-1. If GS 35-25-A-1 is not approved, an alternate source of funding would need to be identified.
