

Dear Sir/Madam:

Re: Saad Bashir

I was a member of the Information Technology Sub-Committee of the City of Ottawa while Saad was the Chief Information Officer in the Corporate Services Department.

It has been a pleasure to work alongside Saad to improve services for the City over the last 4 years. He has delivered innovative solutions while providing great leadership and organization throughout many significant transitions.

Saad was very successful in his role as CIO. I am confident he will continue to succeed in any organization. If you have any questions or concerns, please do not hesitate to contact my office at 613-580-2490.

Sincerely,

George Darouze
