<b>Background:</b> <p>Officer Mullens was born and raised in Dayton Ohio. He applied for a job at Intel Corporation where he worked for four years then got a job at Microsoft in Redmond, WA, and then switched over to Airborne Express where he realized that he missed being in a uniform and working in his community helping others. He began testing for SPD and became an officer in 1990 when he graduated from the Academy.</p> <p>Through the Field Training Officer's Program, he has worked in all precincts and landed in the South Precinct where he has been for the duration of his career, which has been 29 years.</p> <p>Since being with the Seattle Police Department, Officer Mullens spent several years on the Anti-Crime Team and served as a Community Police Officer. When he was a Community Police Officer he worked closely with El Centro de La Raza and the work included creating relationships with residents in El Centro de La Raza's housing program. He was one of the original mountain bike patrol officers and was voted Officer of the Year for the South Precinct in 2017.</p> <p>Officer Mullens currently serves as Shop Steward for SPOG. He has spent most of his time at SPD in patrol and has worked in the North Beacon Hill Community. In 2015, his car was selected to not answer 911 calls but to instead ride around in the community and speak and engage with residents instead of patrolling. Officer Mullens does this in the Rainier Beach area.</p>

**Mark Mullens, Bio**

With over twenty-five years of experience as a patrol officer at South Precinct, Mark has accumulated a breadth of professional skills that meets CPC criteria. He spent several years on the Anti-Crime Team, and as a Community Police Officer worked closely with El Centro de La Raza, and was one of the original mountain bike patrol officers, a program that paved the way for cities across the rest of the country. Mark was Officer of the Year for the South Precinct in 2017 and currently serves as Shop Steward elected to represent his fellow officers in dealings with management.

Originally from the Midwest, Mark was a Political Science major at Central State University in Ohio, and since moving to the Pacific Northwest has worked for Intel, Microsoft and Airborne Express. He is a strong believer in the power of diversity and believes he can aid in restoring community faith in the police. He also enjoys a good Netflix documentary binge but can also be found fishing on his bass boat on his day off, weather permitting.
