FEPP Levy: Partnership Agreements

GESCNA-Ed Committee

Thursday, April 18, 2019

Presentation Outline

- Partnership Agreements
 - Purpose
 - Timeline and Process
 - Required Elements
 - Highlights

Purpose of Partnership Agreements

- Outlining roles and responsibilities with respect to the FEPP Levy for the collaborative work between:
 1. City of Seattle and Seattle Public Schools
 2. City of Seattle and Seattle Colleges

Seattle Department of
Education & Early Learning

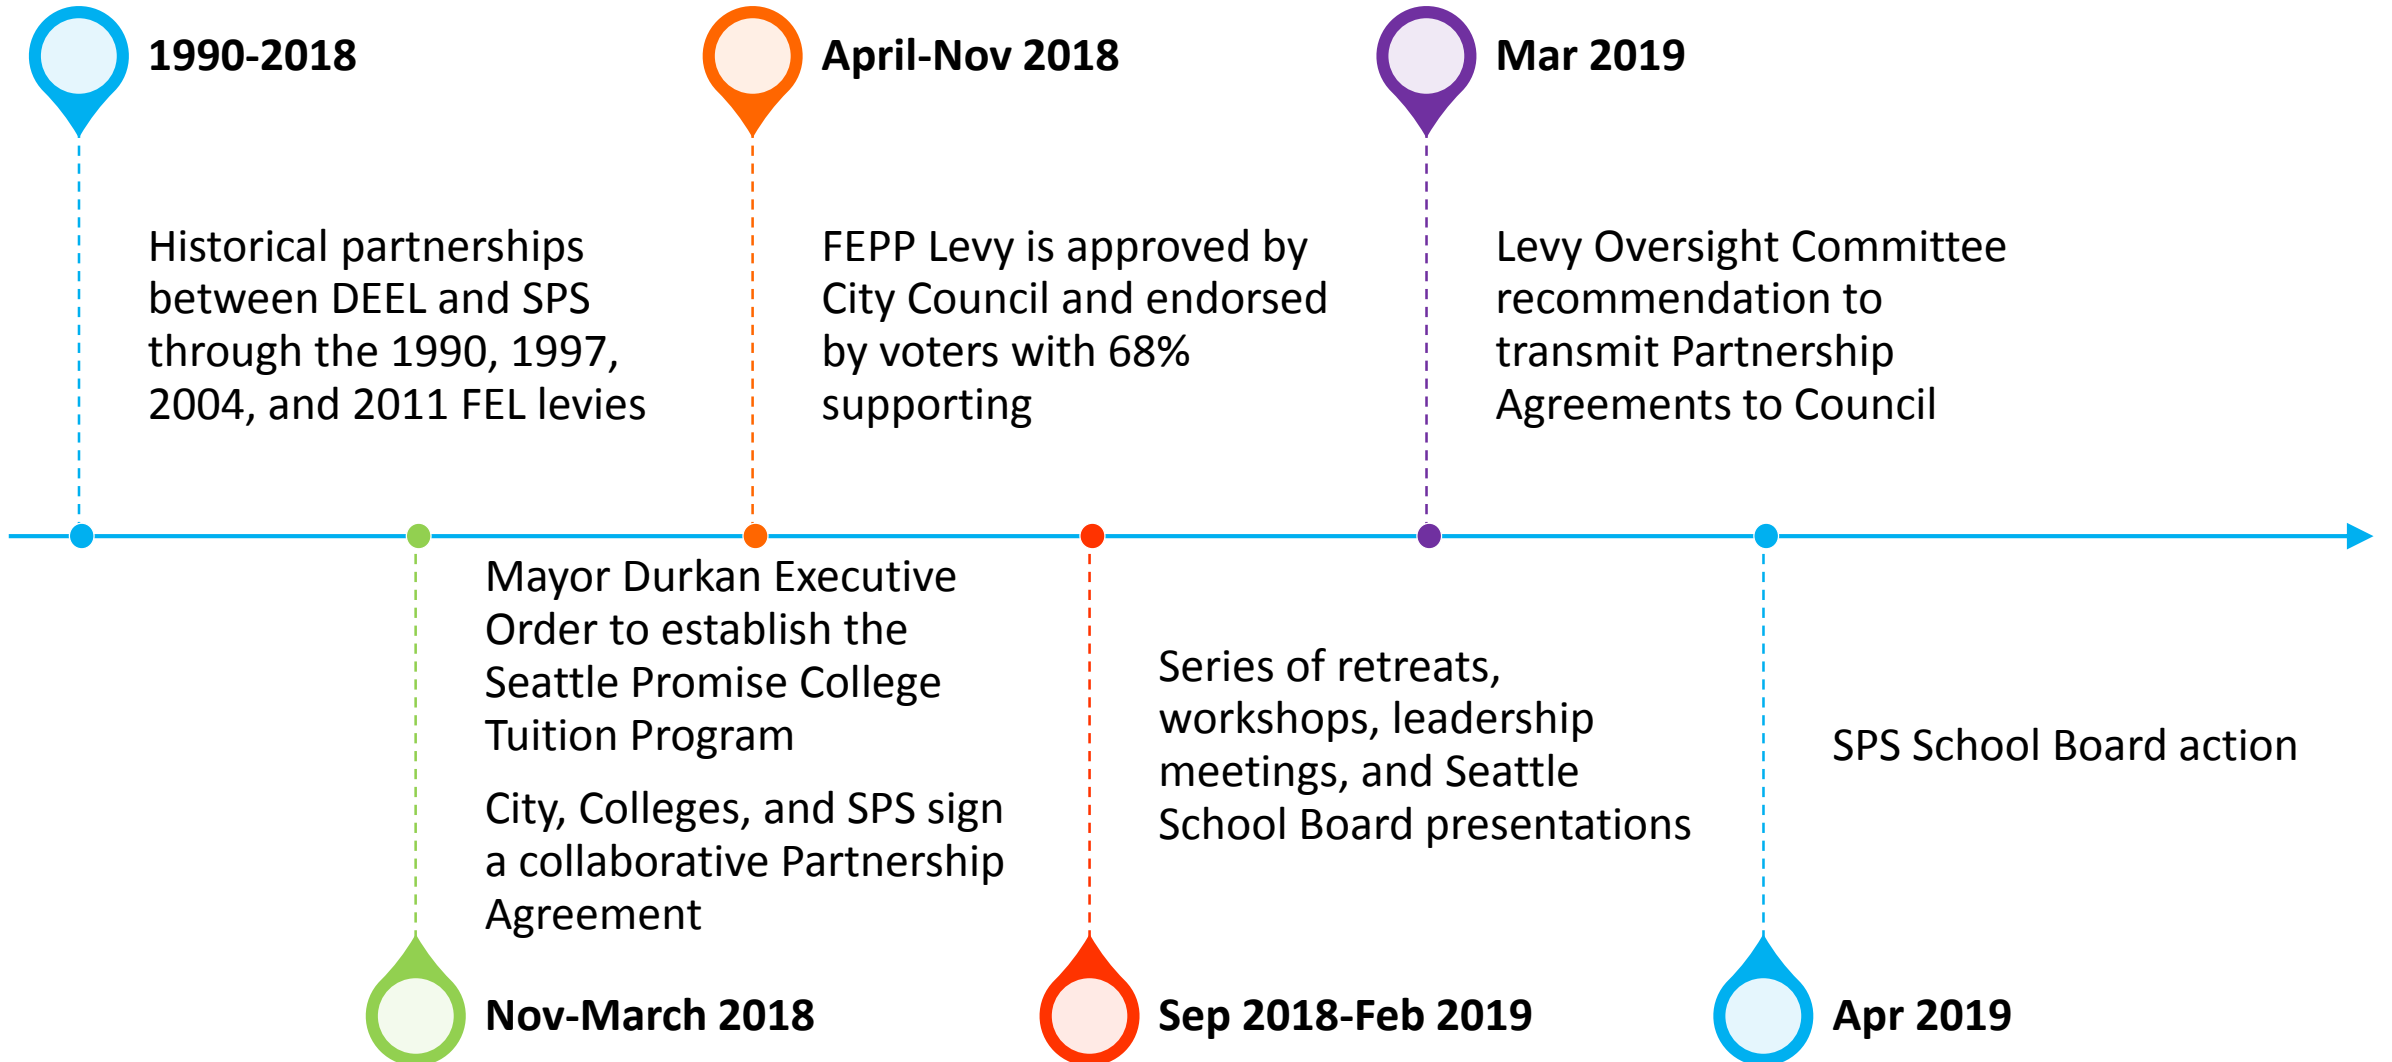

**SEATTLE
COLLEGES**

Central · North · South · SVI

Timeline and Process

Ordinance 125604 Text

- Section 10: The City and its partners shall develop Partnership Agreements that **establish the roles and responsibilities of each entity** in developing The Plan... in implementing Education-Support Services, and **for achieving the desired outcomes...**
- Shall cover items including, but not limited to
 - data sharing necessary for student enrollment, program evaluations and course corrections,
 - standards for delivery of services,
 - curriculum alignment,
 - sharing of facilities,
 - direct contracting, and
 - other proactive methods for identifying and reaching students and schools most in need of support.
- **Proceeds may only be leveraged to support Seattle School District and Seattle Colleges programs or functions with the existence of a current, effective Partnership Agreement.**

Affirm FEPP Levy Investment Priorities

Section 2. Partnership Statement

- Invest in Seattle children, students, families, and communities who have been historically underserved
- Assure data-driven and outcomes-based decision making
- Implement/continue evidence-based strategies and promising practices
- Provide access to capacity-building opportunities among partner organizations to improve program instruction, quality, and infrastructure

**Excerpt included on slide; see Agreement for full text*

Continued Early Learning and K-12 Supports

Section 9. Education-Support Services

- SPP and SPP Plus
- Strengthening the P-5 continuum
- K-12 school and community-based investments
- K-12 school health investments
- Partnership with Colleges to prepare students to access Seattle Promise

Seattle Promise and College/Career Readiness

Section 9. Education-Support Services

- Seattle Promise expansion
- Strive for a shared definition and approach to college and career readiness
- Support of students through completion of college and toward career opportunities

Engagement, Communication, and Shared Messaging

Section 10.

- *Brand new section for a City-SPS/Colleges Levy Partnership Agreement*
- Maximize Communication and Collaboration
- Establish Partnership Norms/Pursue Shared Commitments
- Strengthen Shared Voice

Thank You
