Agenda

Tab	Action	Option	Version
SDOT	12	A	1

(1) a half block closure of 5th Ave N and Thomas St to create a public plaza adjacent to the Seattle Center skatepark;

(2) a 36' wide pedestrian and bicycle promenade from 5th Ave N to Dexter Ave N; and

(3) a protected intersection at Dexter Ave N and Thomas St.

The project will be coordinated with streetscape improvements funded by Seattle City Light for the street frontage of the Broad Street Substation and intersection improvements at 7th Ave N and Thomas St funded by the Washington State Department of Transportation.

The 2020 Proposed Budget included \$990,000 of Landscape Conservation and Local Infrastructure Program (LCLIP) funds and \$2 million of Mercer Megablock proceeds (in the Bike Master Plan – Greenways CIP project) for the Thomas Street Redefined project. SDOT intends to request an additional \$1.1 million of LCLIP funds in the Fourth Quarter 2019 Supplemental Budget for this project. With these sources of funds, the project has an estimated funding gap of \$3.8 million.

The proposed Thomas Street Redefined CIP page is shown in Attachment A. The source of Transportation Funds for this Council Budget Action will need to be identified for the CIP page before final Council action. The proposed CIP page shows only the additional funds included in this Council Budget Action. Existing resources for this project could be consolidated in this new CIP project prior to final approval of this Council Budget Action or through subsequent supplemental budget action.
