Budget Action Description:

This Budget Action adds \$158,000 GF to the Human Services Department (HSD) to start-up and operate an overnight-only safe parking lot for individuals dwelling in vehicles, which includes \$33,000 GF in one-time funds and \$125,000 GF in on-going funds. The University Heights Center has been identified as a potential location for this safe parking lot, though an adjustment to the existing service agreement may be required. The lot would initially have five to 10 available spaces, with a goal of additional spaces by the end of the year. The spaces will only permit these vehicles to park overnight.

The 2020 Endorsed Budget included \$250,000 for a safe parking lot program, and the Mayor's 2020 Proposed Budget adds \$125,000 one-time funding to that amount. The \$250,000 in the 2019 Adopted Budget currently supports seven parking spots, though efforts are underway to increase that number to 30 spaces by partnering with faith-based institutions. The expansion in the 2020 Proposed Budget is

intended to meet a goal of providing 40 spaces, still relying on faith-based institutions. This Budget Action repurposes \$125,000 on-going funding to support a community safe parking location, such as University Heights, rather than spaces associated with a faith-based institution.
