Budget Action Description:

This Budget Action reduces one-time Sweetened Beverage Tax (SBT) support for capital improvements in the P-Patch program in the Department of Neighborhood (DON) from \$3,000,000 to \$500,000. Currently, the P-Patch Program receives \$200,000 of Parks District funding annually to support

maintenance but has otherwise not received substantial capital improvement funding since 2008.

The \$2,500,000 decrease in SBT is redirected to other priorities, including those identified by the SBT Community Advisory Board (CAB). This action increases SBT support in the Office of Sustainability and Environment (OSE), Human Services Department (HSD), Department of Education and Early Learning (DEEL) and Seattle Parks and Recreation (SPR) for the following one-time expenditures, all of which are eligible for SBT funding under Seattle Municipal Code 5.53.055:

1. Adds \$75,000 SBT to OSE for consultant services to assess scratch cooking infrastructure at Seattle Public Schools (SPS). SPS Nutrition Services does not currently have the capability to prepare food from scratch, which would improve the freshness, quality, variety, and taste of school food. An assessment of operational and renovation requirements to transition to scratch cooking will provide SPS with recommendations and cost estimates to implement this change;
2. Adds \$300,000 SBT to SPR and \$140,000 SBT to OSE for installation of water bottle filling stations at community centers and Seattle Public Schools, respectively, to encourage youth to drink more water. Investments should be prioritized for neighborhoods with higher proportions of low-income households and people of color;
3. Adds \$960,000 SBT to HSD to provide micro-grants to food banks, meal program sites, and home child care programs for kitchen equipment and supplies, such as refrigerators, commercial grade ovens and other appliances, to help them provide fresh food options;
4. Adds \$225,000 SBT to OSE for consultant services to develop an evaluation plan for all SBT-supported programs. This will assess the evaluation capacity needs across SBT-funded programs and services and create a plan to evaluate these programs and services, including identifying shared measurement protocols to collect common measures;
5. Adds \$100,000 SBT to DEEL to develop strategies to provide diapers to families for whom a lack of access to diapers presents a barrier to using child care services;
6. Adds \$225,000 SBT to OSE for an additional 450 Fresh Bucks vouchers, which received a \$2,000,000 SBT increase in the 2020 Proposed Budget. This allows OSE to offer a total of 6,450 vouchers to both SNAP-eligible residents and those in the "food security gap" (i.e., people who experience food insecurity but do not qualify for other food assistance programs);
7. Adds \$375,000 SBT to DEEL to evaluate how the City can facilitate connecting families with child care providers and develop strategies based on best practices from other jurisdictions. This could involve developing informational materials (e.g., one-pagers and booklets), including translation services, to help connect families with child care providers and conduct community outreach to distribute these materials; and
8. Adds \$100,000 SBT to OSE for consultant support to assist with the CAB's annual report and other materials, and analyze key issue areas, such as opportunities and gaps in prenatal-to-aged three programs and services in Seattle.

This Budget Action imposes the following proviso:

"Of the appropriations in the 2020 budget for the Department of Neighborhoods, \$500,000 is appropriated for capital improvements for P-Patch gardens located within Healthy Food Priority Areas, as

presented on page 22 of the Healthy Food Availability & Food Bank Network Report, published in February 2019, and may be spent for no other purpose. Furthermore, the Council anticipates that funding will be prioritized for gardens located within areas where all three factors - lower income, longer travel times to healthy food retailers, and higher percentage of unhealthy food retailers - are present."
