**Budget Action Description:**

This Budget Action imposes the following budget proviso:

“None of the \$99,000 appropriated in the 2020 budget for the Office of Economic Development may be spent for the Creative Industry Policy Advisor position (Strategic Advisor 2, exempt) until the Chair of the Civil Rights, Utilities, Economic Development, and Arts Committee, or successor committee, files a certification with the City Clerk that the Office of Economic Development has provided a report on how this position will support the diversity of workers in the Creative Industries sector, specifically those in the film and music industries.”

Under the leadership of its new Director, OED will be implementing an Inclusive Economy Agenda, which centers racial equity in the office's core functions. Part of this initiative is OED's Creative Industry Cluster strategy, a new concept still under development that will be led by the Office of Film + Music. This position added in the 2020 Proposed Budget will report to the Creative Industry Director position that has not yet been filled, and is intended to support the implementation of OED's Creative Industry sector strategy with marketing, stakeholder management, and policy research and development. This proviso is intended to ensure that OED engages with film and music industry stakeholders as it develops the responsibilities for this new position and that the Creative Industry initiative prioritizes these industries.
