  - City Council Balance Sheet Page 8

#### City Council Changes:

- <u>Section 2</u>. Council Budget Actions and Statements of Legislative Intent Approved by the Budget Committee Page 10:
- Some Council Budget Actions (CBAs) impose budget provisos, which, as described in Subsection 1(b) of the ordinance introduced as CB 119689, restrict expenditure allowances shown in Attachment A to the ordinance introduced as CB119689. Some CBAs modify revenue estimates in the 2020 Proposed Budget, as described in Subsection 1(g) of the ordinance introduced as CB119689. Some CBAs modify the 2020-2026 Proposed Capital Improvement Program (CIP), as described in Section 2 of the ordinance introduced as CB119689. In case of conflicting actions approved by the Budget Committee contained in this Clerk File (C.F.), the action taken later controls.
- Statements of Legislative Intent (SLIs) state the Council's intent but do not modify the proposed budget, revenue estimates, position modifications, or CIP. The City Council anticipates adopting SLIs by resolution in early 2020. In the case of conflict between the version of a SLI in this Clerk File and the version approved by resolution, the latter controls.

### Section 2

### Council Budget Actions and Statements of Legislative Intent Approved by the Budget Committee

This section includes a copy of each of the Council Budget Actions and Statements of Legislative Intent approved by the Budget Committee:

- Some Council Budget Actions (CBAs) impose budget provisos, which, as described in Subsection 1(b) of the ordinance introduced as CB 119689, restrict expenditure allowances shown in Attachment A to the ordinance introduced as CB 119689. Some CBAs modify revenue estimates in the 2020 Proposed Budget, as described in Subsection 1(g) of the ordinance introduced as CB 119689. Some CBAs modify the 2020-2026 Proposed Capital Improvement Program (CIP), as described in Section 2 of the ordinance introduced as CB 119689. In case of conflicting actions approved by the Budget Committee contained in this Clerk File (C.F.), the action taken later controls.
- Statements of Legislative Intent (SLIs) state the Council's intent but do not modify the proposed budget, revenue estimates, position modifications, or CIP. The City Council anticipates adopting SLIs by resolution in early 2020. In the case of conflict between the version of a SLI in this Clerk File and the version approved by resolution, the latter controls.

#### **Budget Action Description:**

This Council Budget Action would add \$50,000 GF to the Office of Arts and Culture (ARTS) to support the expansion of Coyote Central to the Lake City neighborhood. This funding would contribute to a new building, "Coyote North," which will have a dedicated performing arts center, hold classes, provide activities, and give access to professional artists for youth living in the North End.

Agenda

Tab	Action	Option	Version
ARTS	1	A	3

Coyote Central is a creative space for youth and teenagers to explore interests and build skills in creative pursuits through hands-on projects. Coyote North is currently raising funds to meet their capital and programming goal of \$2.4 million. Coyote North applied to ARTS for funding through its Cultural Facilities Fund competitive process and has been awarded \$90,000. Adding the funding described in this Council Budget Action will give Coyote North a total award of \$140,000.

#### **Budget Action Description:**

This Council Budget Action would add \$25,000 in Admissions Tax funding to the Office of Arts and Culture (ARTS) to further align the work between the Race and Social Justice Initiative and racially equitable organizations serving artists of color, immigrants, and others experiencing structural oppression such as the Martin Luther King Jr. Commemorative Committee (MLKCC).

Agenda

Tab	Action	Option	Version
ARTS	2	В	1

Funding will be used for investments such as:

• Expansion of the "Turning Commitment into Action" model to include a series on creative strategies for racial justice and equity;

• Strategizing with community organizations and individuals who are vulnerable to cultural displacement due to development and gentrification; and

• Partnering with entities that already have connections to ARTS.

The Council added \$25,000 of one-time funding for this same purpose in the 2019 Adopted Budget. Those funds were awarded to Urban League to partner with MLKCC to organize and host the community-focused celebration of the life of and recognition of the assassination of MLK Jr. Consistent with the 2020 Endorsed Budget, the 2020 Proposed Budget did not include any funding for this purpose.

#### **Budget Action Description:**

This budget action recommends passage of CB 119667, the 3rd quarter 2019 grant acceptance ordinance, which authorizes City departments to accept approximately \$7 million of funding from external sources to support a range of purposes, including:

• Washington State Department of Transportation Regional Mobility Grant: \$4,000,000 to the Transportation Fund to support design and construction of the Market/45th Multimodal Corridor project;

• 2020 -2022 Washington State Department of Transportation Local Programs: \$700,000 to the Transportation Fund for completion of the Ballard-Interbay Regional Transportation System Plan;

• Department of Homeland Security BioWatch Program: \$1,125,138 to the General Fund for the Seattle

#### **Budget Action Description:**

This budget action amends and recommends passage of the amended Council Bill (CB) 119668, the 3rd quarter 2019 supplemental appropriations ordinance. CB 119668 amends the 2019 Adopted Budget to provide expenditure authority to use the grants in the grant acceptance ordinance (CB 119667) and for other purposes in various City departments. It also makes several reductions to permitted 2019 expenditures, increasing starting fund balances available for the 2020 budget. The net impact on 2019 appropriations in the 3rd quarter supplemental is a reduction of approximately \$151.7 million, of which approximately \$1.8 million is General Fund (GF).

This budget action amends CB 119668 by including a proviso that stipulates that \$933,000 of Community Development Block Grant funding in the 2019 GF appropriation to the Supporting Affordability and Livability Budget Summary Level in the Human Service Department is appropriated

solely to support purchase or renovation of a facility by one or more displaced non-profit agencies that serve youth experiencing homelessness.

Changes in CB 119668 as transmitted include:

• Seattle Police Officer's Guild Retro Reduction: \$7,420,969 GF decrease in the Seattle Police Department (SPD) for retroactive wage increase payments for the Seattle Police Officers Guild, covering 2015 through 2018, being lower than originally estimated;

• Reduce Appropriations for 2019 Hiring: \$5,000,000 GF decrease in SPD to reflect lower than budgeted sworn officer staffing levels due to an increase in unanticipated separations and difficulties in recruiting and hiring;

• Transfer to Judgement and Claims Fund: \$5,000,000 GF increase in Finance General for a transfer to the Judgement and Claims Fund in the Department of Finance and Administrative Services to provide additional funding due to several large unanticipated settlements and judgements in tort cases, and increased use of outside counsel;

• Support to Office of Labor Standards: \$1,300,000 GF increase in Finance General for a transfer to the Office of Labor Standards (OLS) Fund to support appropriation authority that carried forward to the new OLS Fund but never received the associated general fund resources to cover those expenses;

• Expenditure Authority for Grants and Donations: \$3,001,652 increase, of which \$2,301,652 is in the GF, for expenditures supported by grants and donations that would be approved in C.B. 119667; and,

•Changes to Capital Improvements projects: \$32,652,684 net reduction to capital projects, largely in the Transportation Capital Program.

## **Budget Action Description:**

This budget action amends CB 119689 as described below, and recommends passage as amended.

CB 119689 adopts the 2020 budget, including appropriations, provisos, revenue estimates, position modifications, and the 2020-2025 Capital Improvement Program (CIP). The changes approved by the Budget Committee via Council Budget Actions, including provisos, are incorporated into the budget adoption ordinance before the final Council vote.

The specific amendments to CB 119689 are as follows:

1. Replace the existing Attachment A to CB 119689 (2020 Appropriations by Budget Control Level) with Attachment A to this Council Budget Action.

Agenda

Tab	Action	Option	Version		
BLG	5	В	1		

Attachment A lists appropriations for each BCL. The replaced version reflects all Council changes made by the Budget Committee and technical corrections made by Central Staff.

2. Replace the existing Attachment B to CB 119689 (Position Modifications for the 2020 Budget) with Attachment B to this Council Budget Action.

Attachment B lists position modifications for the 2020 Budget effective January 1, 2020. The replaced version reflects all Council changes made by the Budget Committee and technical changes made by Central Staff.

## **Budget Action Description:**

This budget action recommends passage of Council Bill (C.B.) 119691, known as the "long" property tax ordinance. The long property tax ordinance is one of the two ordinances required to levy property taxes for collection in 2020. This bill fixes the rates and/or amounts of property taxes to be levied, and levies the taxes.

This bill increases the regular non-voted levy by 1 percent for taxes to be collected in 2020, adds the allowance for new construction and other allowable amounts, and specifies the dollar amounts to be collected for the special purposes of voter-approved property tax measures. This CB also levies the excess levy property taxes to pay debt service on voter-approved bond measures.

RCW 84.55 limits the increase in regular property tax that the City can collect, based on the previous year's regular property tax multiplied by a "limit factor." The City is generally required to use the lesser of

Agenda

Tab	Action	Option	Version		
BLG	7	А	1		

101 percent, or 100 percent plus the "implicit price deflator" (IPD) (the measure of inflation that applies to property tax calculations), as the limit factor. If the IPD is less than 1 percent, and the Council finds, by supermajority vote, a substantial need to use 101 percent as the limit factor, then the City can use 101 percent as the limit factor.

The IPD for 2020 is 1.39 percent. Because the IPD is more than 1 percent, this ordinance is not required to include a finding of substantial need to use 101 percent as the tax limit factor.

The total anticipated property tax revenue collected in 2020 under this bill would be about \$565.6 million.

#### **Budget Action Description:**

This green sheet recommends passage of Council Bill (CB) 119692, known as the "short" property tax ordinance. This bill is one of the two ordinances required to levy property taxes for collection in 2020.

Since the approval of Referendum 47 in November 1997, state law requires that a taxing jurisdiction adopt, by a majority of its legislative body, a "separate ordinance" stating the property tax increase (if there is an increase), in terms of both dollars and percentage.

In 2020 the City will collect an additional \$16 million, attributable in part to approval of the renewed Library levy. This represents a 3.25 percent increase over 2019.

## **Budget Action Description:**

This Council Budget Action recommends passage of CB 119673, authorizing the Director of Finance to issue up to \$65.3 million of Limited Tax General Obligation (LTGO) bonds. Although the Budget and Capital Improvement Program (CIP) make specific assumptions about the use of debt financing for a portion of the spending in the CIP, separate authorization for the issuance of bonds is required.

The City's CIP identifies debt financing for specific projects and the City's budget appropriates the associated debt service. The following projects and approximate principal amounts are identified for the 2020 LTGO bond issue:

Criminal Justice IT - \$10,000,000 Low Income Housing - \$18,000,000 IT Architecture - \$1,100,000

## **Budget Action Description:**

This Council Budget Action (CBA) adopts corrections to errata for the 2020 Proposed Budget and the 2020 – 2025 Proposed Capital Improvement Program (CIP) identified by the City Budget Office and Central Staff after transmittal to the City Council. Central Staff has reviewed the proposed corrections and finds that they do not represent policy choices and are appropriately addressed as a single budget action.

Only transactions that change appropriations or revenues in the 2020 Proposed Budget or for year 2020 of the CIP are shown in the Summary of Dollar Effect tables above and the Budget Action Transaction table below. The list below describes all corrections included in this CBA. All changes to CIP projects pages are shown on the Attachments.

Corrections to errata for the 2020 Proposed Budget:

Correction 1. Add an appropriation for project manager time that was not added for the Seattle Center Public Gathering Space Improvements CIP (MC-SC-S9902). This corresponds to appropriations from the Seattle Center Fund shown on Attachment A.

Correction 2. Add revenue from reimbursements by ArenaCo, in accordance with Section 15.5 of the Development Agreement between the City of Seattle and ArenaCo for the Arena at Seattle Center (Ordinance 125669). The appropriation authority is in the Seattle Center Fund (11410). The expense will be fully reimbursed by ArenaCo. This corresponds to change to Private Funding/Donations under Resources on Attachment A.

Correction 3. Reduce Transportation Network Company (TNC) Tax revenue.

Correction 4. Reduce appropriation to Finance General reserves funded by TNC Tax revenues. The revenue estimate (see above) and finance general reserves were too high due to a formula error.

Correction 5. Reduce appropriations from the Information Technology Fund consistent with the revenue change in Correction 6. This corresponds changes shown on Attachment B.

Correction 6. Correct revenue from the 2020 limited tax general obligation bonds financing (LTGO) bond proceeds supporting the Computing Services Architecture project (MC-IT-C3201) to be consistent with the proposed 2020 LTGO bond ordinance (CB 119673). This corresponds to changes shown on Attachment B.

Correction 7. Remove excess appropriations for insurance costs in the Seattle Department of Human

Resources.

Correction 8. For the Seattle Department of Transportation (SDOT) Vision Zero project (MC-TR-C064), reduce appropriations in Move Seattle Fund and Transportation Funds consistent with the revenue change in Correction 9. This corresponds to changes shown on Attachment C.

Correction 9. Reduce revenue from state grant funds in 2020 and Move Seattle Levy funds shown as a resource in the Vision Zero project (MC-TR-C064). The state grant funding was previously accepted and already appears in the 2019 Revised Budget. The revenue shown for Move Seattle Levy was in error. This corresponds to change shown on Attachment C.

Correction 10. For the SDOT Transit Corridor Improvements (MC-TR-C029) project page as shown on Attachment D, this corrects the resource amounts for Revised 2019 for Vehicle License Fees and Vehicle License Fee \$60 and 0.1% sales tax (voter approved Seattle Transportation Benefit District Prop. 1) and associated appropriations in the Transportation Benefit District and Fund and the Transportation Fund. Also, corrects 2023 amount for Move Seattle Levy resource amounts and associated appropriations in the Move Seattle Levy Fund.

Correction 11. For multiple SDOT CIP project pages gathered as Attachment E, this corrects resource amounts for Move Seattle Levy and corresponding appropriations for year 2021 and beyond.

Vision Zero is an approach to traffic safety, with the goal of ending traffic deaths and serious injuries. At the core of Vision Zero is the belief that death and injury on city streets is preventable. Collisions are often the result of poor behaviors and unforgiving roadway designs. This project approaches the problem from the angle of creating street designs that emphasize safety, predictability, and the potential for human error, and will complete 12-15 corridor safety projects over 9 years to improve safety for all travelers on our highest-crash streets. Corridors identified as part of the Move Seattle Levy include: 65th St., Rainier Ave S, 35th Ave SW, SW Roxbury St, Greenwood/Phinney, 1st Ave/1st Ave S, 12th Ave/12th Ave E, Aurora Ave N, Lake City Way, Sand Point Way, E Marginal Way, Airport Way, 35th Ave NE, 15th Ave NE, MLK Jr. Way S, and 5th Ave NE.

**Unsecured Funding Strategy:** SDOT will evaluate deliverables, prioritize and scale projects to the extent feasible, and continue to pursue grant and partnership opportunities to resolve potential funding deficits. Funding for this program beyond 2024 is dependent upon a future voter approved levy.

**O&M Impacts:** SDOT has individual project budgets for the maintenance of painted markings, signage, signals, bridges and roadway structures, urban forestry, and sidewalks and pavement; these budgets are constrained by the availability of transportation specific and general funds. The SDOT Asset Management website (https://www.seattle.gov/transportation/about-sdot/asset-management) provides unconstrained operational cost forecasting by asset type, typical lifecycle and average maintenance cost ranges.

#### Bridge Seismic - Phase III

Project No:	MC-TR-C008	BSL Code:	BC-TR-19001
Project Type:	Ongoing	BSL Name:	Major Maintenance/Replacement

Current Project Stage:	N/A	Council District:	Multiple
Start/End Date:	N/A	Neighborhood District:	Multiple
Total Project Cost:	N/A	Urban Village:	Not in an Urban Village

The program prioritizes and implements seismic retrofits to bridges based on traffic importance and seismic vulnerability. Concept level analysis and evaluation is performed to develop a retrofit strategy and cost estimate. As funding allows, full retrofit design and construction phases are implemented. If full funding is not available, seismic retrofits are scaled to a level that provides some seismic resiliency to the bridge structure. As part of the evaluation process a cost-benefit assessment is made to determine if replacing the structure is a more appropriate course of action then seismically retrofitting the structure. 16 bridges are part of the current phase of the program which is funded by the Levy to Move Seattle.

This program enhances the safety, quality and condition of the pedestrian and neighborhood environments. Typical improvements may include, but are not limited to, sidewalk construction, repairs and replacement, installation of curb bulbs or other traffic calming devices, and improvements to crosswalks. The projects are funded by the Move Seattle transportation levy and it is a triennial program. The projects funded are identified by the community and the Move Seattle Oversight Committee.

This ongoing project installs new traffic signals or significant capital improvements to existing signals to improve traffic flow, reduce the frequency and severity of traffic collisions, and support pedestrian, bicycle or transit activity. Location choices are based upon pedestrian, bicycle, and vehicle volumes; school, senior citizen, and handicapped accessible crossing requirements; transit speed and reliability; and collisions frequency criteria.

This project will design and implement upgrades to the Traffic Management Center (TMC); implement expansion of real-time information such as traffic cameras, sensors, and travel time to support major construction projects; deploy Dynamic Messaging Signs (DMS) at key decision points to provide real-time information such as incidents, travel times, bridge opening notices, and planned construction and event information; and install dynamic signal timing (self-adjusting traffic signal timing based on traffic volume on key corridors around the major construction projects).

This project addresses major work related to the basic infrastructure at traffic signals such as poles, span wires, mast arms, wiring, equipment interconnectivity, video equipment and cabinets to improve and upgrade the traffic signal system. The project also is used for replacement of signal cabinets. The expected life of a signal is 30 years; currently there are more than 1,100 signals within the City.

Project Category:	Rehabilitation or Restoration	Location:	Citywide
Current Project Stage:	N/A	Council District:	Multiple
Start/End Date:	N/A	Neighborhood District:	Multiple
Total Project Cost:	N/A	Urban Village:	Multiple

The Arterial Asphalt and Concrete Program maintains Seattle's 1,581 lane miles of arterial streets through resurfacing and reconstruction projects. The Department uses a pavement management system to track the condition of arterial street pavement, to develop maintenance needs and establish priorities, and to select the streets to be rehabilitated each year. This project improves the quality and condition of the City's arterials.

#### 23rd Avenue Corridor Improvements

Project No:	MC-TR-C037	BSL Code:	BC-TR-19003
Project Type:	Discrete	BSL Name:	Mobility-Capital
Project Category:	Improved Facility	Location:	23rd AVE S/E John ST/Rainier AVE S

Start/End Date:	2013 - 2022	Neighborhood District:	Central
Total Project Cost:	\$62,517	Urban Village:	23rd & Union-Jackson

This multi-phase project will reconstruct sidewalks, enhance the pedestrian environment, reconstruct pavement, upgrade signalized intersections, upgrade controller cabinets to meet transit signal priority (TSP) needs, and accommodate Intelligent Transportation Systems (ITS) upgrades. Activities include the following: install ITS to provide travel time information; install fiber communication as needed along the corridor to relay information back to the Traffic Management Center; and install poles for support of future trolley wires in two gap segments of the trolley network. The project will also include design and construction of a 3-lane cross section (with 4 lanes at isolated intersections) between John Street and Rainier Ave South, as well as a greenway facility on a parallel street to facilitate north-south bicycle travel. The project includes a Vision Zero element to construct new traffic signals; parking modifications; new curb ramps; traffic calming; speed reduction; pedestrian safety; and transit stop improvements. Phases I and II are substantially complete. The final Vision Zero phase is in design.

**O&M Impacts:** SDOT has individual project budgets for the maintenance of painted markings, signage, signals, bridges and roadway structures, urban forestry, and sidewalks and pavement; these budgets are constrained by the availability of transportation specific and general funds. The SDOT Asset Management website (https://www.seattle.gov/transportation/about-sdot/asset-management) provides unconstrained operational cost forecasting by asset type, typical lifecycle and average maintenance cost ranges.

This project improves pedestrian and bicycle safety around schools. The work typically includes school zone signing and 20mph flashing beacons; new crosswalks; curb bulbs; crossing beacons and pedestrian signals; new sidewalks and maintenance; traffic calming; changes to traffic circulation around schools; installation of school zone cameras; and school walking route maps. The base level of transportation funding provides improvements at approximately three to four schools per year. The project also funds safe biking and walking education and traffic safety outreach campaigns. Operation of school zone cameras is directly funded from the Seattle Police Department budget.

Project Category:	Improved Facility	Location:	Citywide
Current Project Stage:	N/A	Council District:	Multiple
Start/End Date:	N/A	Neighborhood District:	Multiple
Total Project Cost:	N/A	Urban Village:	Multiple

This ongoing program implements the Seattle Bicycle Master Plan. Typical improvements may include installing bike lanes and sharrows, bicycle route signing, completing key links in the urban trails network, adding bicycle/pedestrian signals to complete the network, and reconstructing key sections of the trails. The goals of the program are to increase bicycle safety and access while reducing bicycle crashes. This program includes funding for street improvement and trail construction and is consistent with the focus in the City's Transportation Strategic Plan (TSP) on encouraging walking and biking. The Accelerated Move Seattle Levy - Lid Lift Revenues represent spending that is in excess of available levy funds; consequently, Move Seattle appropriations are reduced in future years so that the total Move Seattle funding and expenditures are balanced over the nine years of the levy. LTD actuals may include the BMP spot improvements, Urban Trails, and Neighborhood Greenways, which were previously combined with this project's budget.

This ongoing program creates routes on residential streets that are optimized for safer and more comfortable walking and biking for people of all ages and abilities. Typical improvements include curb ramps, speed humps, crosswalks, median islands, shared lane markings, stop signs, traffic signals, pavement and sidewalk repair, and wayfinding signs. The goals of the program are to design streets with lower vehicle speeds and volumes; to increase the number of people walking and biking on residential streets; and to improve walking and biking access to schools, trails, parks, transit and neighborhood businesses.

## Heavy Haul Network Program - East Marginal Way

Project No:	MC-TR-C090	BSL Code:	BC-TR-19003
Project Type:	Discrete	BSL Name:	Mobility-Capital
Project Category:	Improved Facility	Location:	E Marginal WAY
Current Project Stage:	Stage 3 - Design	Council District:	Multiple
Start/End Date:	2016 - 2024	Neighborhood District:	Greater Duwamish
Total Project Cost:	\$59,181	Urban Village:	Not in an Urban Village

This program supports freight mobility by funding roadway improvements on the Heavy Haul Network (Ordinance 124890) to meet the needs of freight transported on our streets between Port facilities, rail yards, and industrial businesses. The initial project under this Program is the E Marginal Way Corridor Improvement project, which will be a multi-phase project. Phase I constructs a separated bicycle/pedestrian facility between S Atlantic St and Spokane St. Phase II includes roadway reconstruction, signal and ITS enhancements and safety measures to reduce conflicts between freight and non-motorized users. The Port of Seattle, through Memorandum of Understanding, is to provide partnership funding.

Note: The project title changed from "Heavy Haul Network Program" to "Heavy Haul Network Program - East Marginal Way"

**Unsecured Funding Strategy:** SDOT plans to pursue a \$15M federal INFRA grant and anticipates a \$10M contribution from the Port of Seattle. SDOT is reviewing funding options for the remaining \$12.7M.

**O&M Impacts:** This is a capital maintenance project that reduces the need for O&M by improving asset condition. Since it also builds new assets, SDOT has individual project budgets for the maintenance of painted markings, signage, signals, bridges and roadway structures, urban forestry, and sidewalks and pavement; these budgets are constrained by the availability of transportation specific and general funds. ## Statement of Legislative Intent:

This Statement of Legislative Intent requests that the City Budget Office (CBO), in partnership with the Department of Neighborhoods, Office for Civil Rights, Seattle Department of Human Resources, and the Law Department, develop a proposal to provide compensation (through scholarships, stipends, or other benefits such as transit passes) to volunteers on the City's Boards and Commissions whose employers do not pay them for such service to make these engagement opportunities more inclusive and accessible.

The City has over 70 boards and commissions that provide advice and feedback on a broad range of topics to the City Council and the Mayor. This work should include:

(1) analysis to determine the funding needed to support the recommended approach;

(2) analysis of existing City resources expended annually to support the boards and commissions to determine if there are efficiencies that could be introduced to free up resources to provide this compensation; and

(3) a best practices review of other cities that provide compensation to inform implementation of a compensation option for volunteers, including recommendations for establishing low-barrier criteria to determine eligibility for compensation.

CBO should submit a proposal to the Finance and Neighborhoods Committee, or successor committee, and the Council Central Staff Executive Director, by June 1, 2020.

### **Statement of Legislative Intent:**

Following the response to SLI 12-70-A-2-2019, and the draw down of contracted services to the lowest possible floor beginning in 2020, this Statement of Legislative Intent requests a report from the City Budget Office (CBO) on the actual use of those contracted beds by the City of Seattle's Jail Services Contract with King County. The report should include the following information:

1. An analysis of the average daily bed use per the contract held by the City by year over the life of the current contract;

2. The 2019 and 2020 cost per bed/per night per the contract; and,

3. Options for flexibility in the distribution of services inside the King County Jail given the City's, and County's, recent commitment to capital improvements in the Jail for the purpose of enhanced shelter services to provide comprehensive services to community members that are the hardest to serve.

The report should be submitted to the Gender Equity, Safe Communities, New Americans & Education Committee, or its successor committee, and a copy to the Central Staff Executive Director, by May 15, 2020.

## Budget Action Description:

This budget action recognizes the results from the City Budget Office's November 2019 forecast update. Every August Council receives a General Fund revenue forecast followed by a fall update. The November 2019 update shows a net increase of \$1,216,427 in new revenue for 2020. This change reflects a 2020 error correction in the form of a \$1,322,000 one-time "transfer-in" from the Information Technology Fund (Transfer – ITD), partially offset by a combined \$105,573 decrease among the following revenue categories: Car Sharing Revenue, Parking Meters, Short Term Rental, and Heating Oil Tax.

Non-General Fund revenue changes include a \$589,362 increase in net Seattle Transportation Benefit District Funds (for transportation investments) in 2020; and \$271,638 less in Low-Income Housing Fund revenues in 2020. There were no changes to the Capital Parking Tax, Sugary Beverage Tax, or the Red Light Camera funds.

## **Budget Action Description:**

This budget action adds \$750,000 of ongoing General Fund revenue from the 'true-up' of Seattle Information Technology's Internal Services rates with actual service costs. The Seattle Information Technology budget is funded with a mix of direct billing for costs incurred and costs allocated to other city funds for services provided. Beginning in 2018, Seattle IT expenditure savings that are backed by internal rate revenue are refunded to billed departments. The 2018 true-up generated a \$1,322,000 refund to the General Fund. As this is a new ongoing practice, this budget action recognizes \$750,000 as ongoing revenue from the 2019 true-up.

## **Budget Action Description:**

This Budget Action recommends passage of Council Bill (CB) 119681, amending the financial policies regarding the use of Sweetened Beverage Tax (SBT) revenues. This CB would:

1. Add an exemption from the prohibition against using SBT revenues to replace other funding sources in the case of existing program expenditures that were previously supported by non-City revenues, such as grants, gifts, and loans; and

2. Add an optional use of revenues to be held in fund balance, up to \$2,000,000, for the sole purpose of supporting existing program expenditures when revenues decline below base program expenditure authority.

These changes are intended to protect against future revenue declines and encourage City departments to seek non-City funding (e.g., grants and other outside funding) to expand existing programs or create

## Statement of Legislative Intent:

This Statement of Legislative Intent requests that the City Budget Office provide a report to the Finance and Neighborhoods Committee (or its successor) and the Central Staff Executive Director allowing the City to begin collecting a progressive tax on high-income residents. The report should identify the necessary steps, a proposed implementation timeline, and funding needs for the City to begin collecting as early as practicable in 2020 the progressive tax on high-income residents (passed as Ordinance 119002 on July 10, 2017).

In the event that the Supreme Court rules that the City cannot begin collecting a progressive tax on highincome residents, this Statement of Legislative Intent requests a different report from the City Budget Office within 30 days of such a ruling. In such a circumstance, the City Budget Office should provide a report to the Finance and Neighborhoods Committee (or its successor) and the Central Staff Executive Director indicating the necessary steps, a proposed implementation timeline, and funding needs for the City consistent with the Supreme Court ruling.

### **Statement of Legislative Intent:**

This Statement of Legislative Intent (SLI) requests that the City Auditor conduct a review of the Seattle Municipal Court's (SMC's) probation program. This assessment should focus on the impacts of probation on people of color who are currently or have previously been under the Court's jurisdiction as part of probation and the racial proportionality of the imposition, conditions of compliance, length, and successful completion of probation, as well as early release from probation.

The audit should also identify gaps in the collection, analysis, and use of data as well as recommendations on how to fill these gaps.

Before initiating this work, the City Auditor should consult with the Chair of the committee with jurisdiction over public safety (currently Gender Equity, Safe Communities, New Americans, and Education) about the review's scope and objectives to ensure that it is informed by the Vera Institute of Justice's report on probation. The report is anticipated for completion in November 2019.

Upon completion of the probation audit, Council requests that the auditor evaluate the City's criminal legal system to identify impacts communities of color who are most impacted by the criminal legal system. This secondary phase of the audit should not be undertaken until the auditor has consulted with the chair of the committee with jurisdiction over public safety about the scope of the audit, which should be informed by ongoing criminal legal system alignment work.

This Council Budget Action would impose the following proviso:

"None of the money appropriated in the 2020 Budget in Finance General Reserves may be spent on a case conferencing pilot for high-barrier individuals until the Mayor's Office has presented an analysis and detailed implementation plan to the Chair of the committee with jurisdiction over public safety. The analysis and plan should be developed in conjunction with the City Attorney's Office, the Criminal Justice Equity Team, and communities most impacted by the criminal legal system and should include: (1) a discussion of whether and how the pilot aligns with the reentry recommendations, (2) a description of unintended consequences and plan to mitigate them, (3) proposed metrics of success, (4) a racial equity analysis, (5) how the City Attorney's Office will coordinate with case managers or other clinical personnel not employed by the City who hold lawful releases of information from individuals with behavioral health

conditions and high exposure to enforcement and prosecution and are permitted to share protected health information with the City Attorney's Office and law enforcement, and (6) how the program will be taken to scale."

### Background:

The Mayor's 2020 Proposed Budget includes \$2.9M in Finance General Reserves for four pilots proposed by the High-Barrier Individuals Working Group that are intended to address high-barrier individuals and their involvement in the criminal justice system. Of this amount, \$149,500 is intended to support an Assistant City Prosecutor in the City Attorney's Office (LAW) to provide dedicated staffing to case conferencing about high-barrier individuals. It is anticipated that the position would be added to LAW when the supporting funds are transferred out of Finance General Reserves. The proviso in this Council Budget Action restricts all spending that would support the case conferencing pilot.

The Council requests that the Mayor's Office submit its analysis and implementation plan by April 1, 2020.

"Of the appropriation in the 2020 budget for the Office for Civil Rights, \$30,000 is appropriated solely for community engagement sessions led by the Office for Civil Rights and the Legislative Department and may be spent for no other purpose. These funds are intended to support the Council's criminal legal system alignment work to engage with stakeholders, including persons currently or formerly incarcerated and communities most impacted by the criminal legal system, and staff in relevant City departments, including the City Attorney's Office, Seattle Municipal Court, and the Criminal Justice Equity Team. Furthermore, none of the money so appropriated may be spent until authorized by future ordinance. Council anticipates that such authority will not be granted until the Office for Civil Rights provides to the chair of the committee with jurisdiction over public safety a plan for how the money will be spent for this purpose."

"Of the appropriation in the 2020 budget for the Office for Civil Rights, \$140,000 is appropriated solely for partnership, outreach, and engagement related to criminal legal system alignment, strategic plan development, and implementation efforts, including the work described in Council Budget Action CJ-2-B-2, Council Budget Action CJ-3-A-2, and Statement of Legislative Intent CJ-21-A-2 and may be used for no other purpose. Furthermore, none of the money so appropriated may be spent until authorized by future ordinance. ## **Budget Action Description:**

This Council Budget Action would impose the following proviso:

"Of the appropriation in the 2020 budget for the Office for Civil Rights, \$50,000 is appropriated solely for grants to community-based organizations responding to hate violence and creating a mechanism for sharing hate crime data reported to these organizations and may be spent for no other purpose."

The City Auditor's "Review of Hate Crime Prevention, Response, and Reporting in Seattle: Phase 2 Report" showed that hate crimes are a significant issue and under-reported, and also identified a need to engage with community based organizations to supplement the information that the Seattle Police Department receives through formal reporting. The \$50,000 of restricted spending in this Council Budget Action would provide small grant funding to organizations doing work to create responses to hate crimes

and mechanisms for sharing data.

The proviso placed on \$50,000 in the Office for Civil Rights' (OCR's) existing budget is intended to apply to funds added in the 2018 budget in Green Sheet 276-1-B-1, originally planned for contracting with an organization providing supportive and secure housing alternatives to detention for youth. However, the funding could not be spent for that purpose. These funds were transferred from Finance General to the Human Services Department (HSD) in 2018 and carried forward to 2019; it is anticipated that the funds will be transferred back to OCR in the 2019 fourth quarter supplemental ordinance and be included in the 2020 carryforward ordinance to be used for the purpose described in the proviso.

## **Statement of Legislative Intent:**

This Statement of Legislative Intent (SLI) requests that the Office for Civil Rights (OCR) spend some portion of the \$1,080,000 included in the 2020 Proposed Budget on community-based organizations to develop or provide restorative justice programs for individuals who commit hate or bias crimes. OCR is currently developing a process to equitably distribute these funds in 2020.

Preliminary research shows that there are no existing community-based programs, trainings or community services rooted in harm reduction or restorative justice related to the commission of hate crimes to which a person who has committed a hate crime can participate. The grant of this funding is intended to fill that gap.

Consistent with the 2020 Endorsed Budget, the 2020 Proposed Budget includes \$1,080,000 for community-based organizations providing alternatives to or addressing harm created by the criminal justice system. The funding is expected to support organizations focused on achieving safety, health, healing, and reconciliation through alternatives to the criminal legal system. This SLI asks that OCR add an additional purpose of creating restorative justice programs for individuals committing hate and bias crimes.

## Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Seattle Municipal Court (SMC) partner with the Criminal Justice Equity Team to provide a report that includes:

(1) a racial equity analysis identifying racial equity outcomes for a high-barrier probation program;

(2) an analysis of existing evidence and data about the elements of high-barrier probation and whether it increases or decreases involvement in the criminal justice system in the long term;

(3) the parameters, performance metrics, and desired outcomes for high-barrier individuals participating in the program, including more than just recidivism and compliance with court conditions, such as whether the individuals successfully access permanent housing, are successful in meeting the goals they set for themselves; and

(4) whether the program as a whole reduces racial disproportionality.

The report should be submitted to the Chair of the committee with jurisdiction over public safety by April 1, 2020.

## Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests a report from the City Attorney's Office (LAW) addressing a recommendation made by the Seattle Reentry Workgroup on expanding prefiling diversion opportunities for individuals age 25 and older. Specifically, this SLI requests that LAW evaluate the staffing, costs, and additional resources that would be required to:

(1) Expand the current young adult prefiling diversion program to serve individuals over the age of 25 while maintaining other eligibility criteria, such as type of crime; or

(2) Create a new prefiling diversion program for individuals over the age of 25 with different criteria, such as expanding the type of eligible crimes.

LAW's report should include its recommendation on which option the City should pursue. The report shall be submitted to the Council, the Chair of the Gender Equity, Safe Communities and New Americans Committee (or successor committee), and the Director of Council Central Staff by May 15, 2020.

#### Background:

In December 2015, the City Council established a Prisoner and Community Corrections Re-entry Workgroup (sometimes referred to as the Seattle Reentry Workgroup) to coordinate and strengthen the City's efforts to assist the reentry process for people returning from incarceration (Resolution 31637). The Seattle Reentry Workgroup included representatives from community organizations, individuals living with criminal histories, as well as King County departmental staff (Public Defense and Community & Human Services) and City of Seattle staff (Seattle Municipal Court, City Council, Executive departments, and the City Attorney's Office).

As part of its mandate, the Seattle Reentry Workgroup was tasked with developing a set of policies, ordinances, strategies, or programs that the City can implement to facilitate reentry and remove unnecessary barriers to employment, housing, and other benefits. The Seattle Reentry Workgroup

## **Statement of Legislative Intent:**

This Statement of Legislative Intent (SLI) requests that the Seattle Police Department (SPD) work with the Seattle Municipal Court (SMC), and the City Attorney's Office (LAW) to develop alternate reporting mechanisms that accurately capture race data and ethnicity, including but not limited to accurately capturing information on the Latinx community.

This SLI requests that SPD submit a report to the Council, the Chair of the Gender Equity, Safe Communities and New Americans Committee (or successor committee) and the Director of Council Central Staff by July 1, 2020. The report should include:

(1) The evaluation of one or more alternative reporting mechanisms that are developed;

(2) A recommendation for which alternative reporting mechanism should be used and an explanation of why; and

(3) Any resources needed to implement the recommended approach.

Background:

In December 2015, the City Council established a Prisoner and Community Corrections Re-entry Workgroup (sometimes referred to as the Seattle Reentry Workgroup) to coordinate and strengthen the City's efforts to assist the reentry process for people returning from incarceration (Resolution 31637). The Seattle Reentry Workgroup included representatives from community organizations, individuals living with criminal histories, as well as King County departmental staff (Public Defense and Community & Human Services) and City of Seattle staff (Seattle Municipal Court, City Council, Executive departments, and the City Attorney's Office).

As part of its mandate, the Seattle Reentry Workgroup was tasked with developing a set of policies, ordinances, strategies, or programs that the City can implement to facilitate reentry and remove unnecessary barriers to employment, housing, and other benefits. The Seattle Reentry Workgroup released its final report in October 2018. In its findings, the Workgroup stated that SPD officers do not

consistently use the ethnicity field in the National Incident-Based Reporting System (NIBRS). This results in Latinx community members being labeled under racial categories such as White, Black, or Unknown. As this data is then used by SPD, SMC, and LAW, the current reporting mechanism does not allow for an accurate assessment how the criminal legal system impacts the Latinx community or whether the community is disproportionally represented in the system.

## **Budget Action Description:**

This action adds \$124,000 one-time GF to the Mayor's Office of Domestic Violence/Sexual Assault (MODVSA) to contract with a provider organization to facilitate Sex Industry Workers Diversion classes. This program will, in part, provide navigation to services such as education and employment readiness, housing, and chemical dependency counseling. This contract would go to an organization with subject matter expertise such as Organization for Prostitution Survivors (OPS), Real Escape from the Sex Trade (REST), Aurora Commons, or YWCA.

The program will provide a post-booking diversion option for prostitution arrests consistent with the requirements in Seattle Municipal Code 12A.10.110. This diversion program was funded through the Sexual Exploitation Victims Service project from 2014 to 2018. Funding ended in 2018, in part due to a decrease in prostitution arrests. According to the Seattle Police Department, there has been an increase

in prostitution arrests in 2019.

Consistent with the 2020 Endorsed Budget, there is no funding for the Sexual Exploitation Victims Service project in the 2020 Proposed Budget. This action would restore 13 percent of the 2018 contract funding of \$955,671.

This action adds the following proviso on the HSD budget:

"Of the appropriations in the 2020 budget for the Human Services Department, \$124,000 is appropriated solely for the sex industry workers diversion program and may be spent for no other purpose."

## Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests reports from the Executive addressing recommendations made by the Seattle Reentry Workgroup on increasing economic opportunity for those living with criminal histories. Specifically, this SLI requests that:

1. The Office of Economic Development (OED) and the Office for Civil Rights (OCR) work with formerly incarcerated community members to develop a plan that supports small businesses owned by those with criminal histories. This support could include identifying and facilitating connections with business consultants, technical assistance to secure financing and navigating regulations, and grants for seed money to establish new businesses.

2. The Seattle Department of Human Resources (SDHR), Seattle Information Technology (SIT), and OED develop recommendations to increase hiring opportunities for those with criminal histories who have completed technological training from OED's TechHire partners.

3. OED and Finance and Administrative Services (FAS) prepare a report on how the City can increase the number of Requests for Proposals (RFP), Requests for Qualifications (RFQ), and public works projects awarded to businesses owned or led by formerly incarcerated individuals.

4. SDHR and OED's Workforce Equity Team develop a report on how the City can increase hiring opportunities for formerly incarcerated individuals.

The Executive is requested to submit the reports to the Council, the Chair of the Gender Equity, Safe Communities and New Americans Committee (or successor committee) and the Director of Council Central Staff by July 1, 2020. In the event that additional resources are required to respond to this SLI, the Council expects the Executive to request them in the first quarter supplemental.

## **Budget Action Description:**

This action allocates \$222,600 ongoing GF to the Human Services Department (HSD) to contract with non-profit organizations to fund educational, community building, and youth diversion programs.

This budget action cuts \$222,600 GF from the funding allocated in the 2020 Proposed Budget to the Seattle Police Department (SPD) for overtime or from other program areas determined by the department.

The added HSD funding for Youth Development and Education contracts is to be used for three separate purposes as described below:

(1) A contract with a community-based organization such as Youth Consortium to fund youth diversion programming. The City funded a \$25,000 contract with some member organizations of the Youth Consortium in the 2018 budget. Consistent with the 2020 Endorsed Budget, there was not funding included in the 2020 Proposed Budget for this purpose.

(2) A contract with a community-based organization such as Creative Justice to fund an arts-based alternative to secure detention for young people in Seattle. Creative Justice provides twice-weekly sessions over a three- to four-month period for youth referred to the program. In that time period, youth work with a mentor on a unique project. In exchange for their work, Creative Justice youth receive community service credit and stipends that help pay court fines. Program participation is considered as mitigation in cases filed with King County Juvenile Court.

(3) A contract supporting youth outreach services with a community-based organization such as the Rainier Beach Action Coalition's Corner Greeters program. The program is a non-arrest crime reduction safety project that is led by community members. This project focuses on transforming spaces that are most prevalent for youth crime by employing youth from the neighborhood to create engaging events with food, music, and information about local resources.

### Background:

The 2020 Proposed Budget includes \$1.8 million GF for Youth Development and Education contracts. The Chair's Balancing Package includes CBA CJ-62-C-1 which appropriates \$300,000 in one-time funds for this purpose. This action increases the total funding for Youth Development and Education contracts to \$2.3 million, an increase of 29.5 percent over the 2020 Proposed Budget.

### **Budget Action Description:**

This Council Budget Action adds \$80,000 GF in 2020 (ongoing) to the Community Police Commission (CPC) for the retention of legal services in order to receive independent legal advice and representation in policing-related matters, particularly with relation to United States v. Seattle, before the U.S. District Court of Western Washington. This Council budget action also imposes a proviso.

No funding for this purpose was included in either the 2020 Endorsed or the 2020 Proposed Budget. The \$80,000 would provide funding to hire independent legal counsel in the event that the CPC finds itself in conflict with the Seattle City Attorney. This type of conflict happened in 2019 when the CPC chose to independently file a brief that responded to an order by the Honorable Judge Robart, pursuant to the 2012 Settlement Agreement between the U.S. District Court and the City of Seattle.

Agenda

Tab	Action	Option	Version	
CPC	1	В	1	

The Seattle City Attorney's Office provides legal services to the Executive and Legislative Branches, except when there is a conflict of interest, specific expertise is required, or existing staff is at capacity. In other instances, a City department may not wish to be represented by the City Attorney's Office because there is disagreement about a particular course of action. In these instances, a department may be required to use its operating budget to retain outside counsel. The cost of outside legal counsel can be difficult for a small city department, such as the police accountability agencies established in Ordinance 125315, to cover within existing appropriation levels.

This Council Budget Action imposes the following proviso:

"Of the appropriation in the 2020 budget for the Community Police Commission, \$80,000 is appropriated solely for the retention of outside legal counsel for an attorney-client relationship only, and may be spent for no other purpose."

Funding for these projects was not included in either the 2020 Endorsed Budget or the 2020 Proposed Budget. This Council Budget Action would provide funding for the following:

1. A national search process for a permanent Executive Director (\$70,000).

2. A consultant to support the CPC through a planning process and help with the production of the CPC's Strategic Plan document (\$50,000).

### **Statement of Legislative Intent:**

The purpose of this Statement of Legislative Intent is to take initial steps toward implementing labor harmony provisions in the contracting vehicles for the City's Child Care Assistance Program (CCAP), known as Vendor Services Agreements.

In recent years, the Council has taken a number of actions to incorporate labor standard provisions into City contracts or contracting processes. Recent examples include:

a) Priority Hire and Project Labor Agreement requirements for public works construction projects in 2015;

b) City Light Energy Efficiency as a Service pilot projects in 2018; and

c) the Central Waterfront Operations and Maintenance agreement in 2019.

In addition, in April 2019, the Council added a provision to the Families, Education, Preschool, and Promise (FEPP) Levy Implementation and Evaluation Plan that requires the Department of Education and Early Learning (DEEL) to consider "adherence to labor laws and a commitment to labor harmony" in evaluating contractor proposals.

The Council requests that DEEL conduct stakeholder engagement meetings with current or potential CCAP providers to determine if labor harmony provisions are currently in place and how those provisions could be implemented to ensure uninterrupted care. Stakeholder engagement should, at a minimum, include: family child care providers, child care center directors and teachers, and labor organizations.

The Council requests that the stakeholder engagement process include in-person meetings to gather information and solicit feedback on potential options for implementing labor harmony. In order to ensure robust turnout and participation at the meetings, the Council requests that DEEL utilize multiple methods of communications with stakeholders, including email, telephone, text messages, traditional mail, etc.

Agenda

The Council further requests that DEEL provide a report to the Council summarizing the information gathered, feedback received, and implementation options no later than May 1, 2020.

### **Budget Action Description:**

This budget action would impose a proviso on a portion of the appropriations in the Department of Education and Early Learning (DEEL) for the expansion of the Child Care Assistance Program (CCAP).

Between January and August 2019, on average, infants made up less than three percent of the children begin served by CCAP. The Council requests that DEEL explore strategies for increasing access to infant care through CCAP or other City programs, including an evaluation of whether the subsidy amounts for families with infants can be increased, and whether a lack of access to diapers is a barrier to families using child care services. The Council requests that DEEL provide a written report to the Council no later than March 31, 2020. To ensure that these requests are fulfilled to the Council's satisfaction, this budget action imposes the following proviso:

Agenda

Tab	Action	Option	Version
DEEL	3	А	2

"No more than \$4.5 million of the money appropriated in the 2020 budget for the Department of Education and Early Learning may be spent for the Child Care Assistance Program until authorized by future ordinance. Council anticipates that such authority will not be granted until the Department of Education and Early Learning provides a plan for increasing access to infant care through the Child Care Assistance Program."

### Background:

In the 2020 Endorsed Budget, CCAP is supported by 8.25 FTE and appropriations of approximately \$3.1 million. The 2020 Proposed Budget includes a \$3 million expansion of the program funded with Sweetened Beverage Tax revenues. Of the \$3 million proposed increase, approximately \$1.68 million would be used to fund child care vouchers, \$800,000 would be used for professional development and financial incentives for child care providers, and \$525,000 would be used to support an additional 5.5 FTE.

## Statement of Legislative Intent:

The Washington State Opportunity Scholarship (WSOS) provides scholarships to low- and middle-income students pursuing degrees, certificates, or apprenticeships in high-demand trade, health care, or Science, Technology, Engineering & Math (STEM) fields. WSOS partners with industry and philanthropic donors whose contributions are matched by the State of Washington to raise funds to support two different pathways: (1) a Baccalaureate Scholarship for those pursuing a bachelor's degree in a STEM or health care field; and (2) a Career and Technical Scholarship for those pursuing a degree or certificate in a high-demand trade, health care or STEM field.

In the 2019 legislative session, the State Legislature modified the WSOS program to allow municipalities to contribute funding to the program, which along with State matching funds are awarded to program participants from that municipality. Seattle has an opportunity to be the first municipality to partner with WSOS and to design a program that matches the workforce needs of the city. Collaboration with WSOS would also further the City's commitment to post-secondary education and training, complementing the Seattle Promise investments included in the Families, Education, Preschool, and Promise Levy.

The Council requests that the Department of Education and Early Learning (DEEL) coordinate with WSOS and industry partners to assess the feasibility of implementing the municipal match scholarship program in Seattle. Throughout the process, where possible, the Executive should work with WSOS to compile relevant information that could be provided to other municipalities that want to create similar programs.

The Council further requests that DEEL provide a report to the Council by March 31, 2020 summarizing the status of the work with WSOS in assessing the feasibility of a scholarship program that complements the City's Seattle Promise program. The report should, at a minimum, include the following information:

a) Partners participating in the process;

b) Recommended focus for the scholarships to be offered (i.e., industries to be targeted, baccalaureate degrees or career and technical education certificates, etc.);

## Statement of Legislative Intent:

Background

As stated on page 10 of the Implementation and Evaluation Plan (I&E Plan), the overall outcome for the Families, Education, Preschool, and Promise (FEPP) Levy is: "African American/Black, Hispanic/Latino, Native American, Pacific Islander, underserved Asian populations, other students of color, refugee and immigrant, homeless, English language learners, and LGBTQ students achieve academically across the preschool to post-secondary continuum."

The I&E Plan further states, on page 17:

"While FEPP Levy goals and outcomes are often framed at the population level with the intent to achieve outcomes for all Seattle students, [the Department of Education and Early Learning's (DEEL)] evaluation activities are committed to disaggregating data to better understand who is being served, how well, and with what results. When outcomes are presented merely in aggregate, race-based inequities are hidden and enabled to persist. DEEL commits to disaggregate data by age, race, ethnicity, languages spoken, socioeconomic status, gender, ability, and income to the extent possible to promote equity in our investments."

Additionally, as part of its work with the FEPP Levy Oversight Committee, in June 2019, DEEL created a Data Workgroup with the following goal: "To create a unified strategy and guidelines for DEEL around collecting and presenting demographic data of the children/students, families and providers we serve."

#### Request

The Council requests that DEEL provide a written report or presentation to the Council by May 1, 2020 describing its demographic data collection and analysis process. The report should, at a minimum, include discussion of:

a. How data are collected;

#### Agenda

c. How data are disaggregated for evaluation activities;

d. Other data sources or considerations used in determining target populations; and

e. Identified opportunity gaps or inequities currently present in areas where the City invests FEPP levy funds.

The Council requests that DEEL also address the following items in the report:

1. How is DEEL using data to inform the creation of funding opportunities and allocations?

2. How is DEEL ensuring that students experiencing the effects of the largest opportunity gaps are being targeted and supported by FEPP Levy investments?

3. What data are being used to inform the Culturally Specific and Responsive investment strategy?

4. How will DEEL use performance data from recipients of FEPP Levy funds to inform future funding allocations?

This Budget Action adds \$75,000 GF (one-time) to the Department of Neighborhoods (DON) Neighborhood Matching Fund program to increase a grant with the Seattle Repertory Theater to support the Public Works Seattle project. The Public Works Seattle project builds partnerships with community based organizations to enable people of all backgrounds to participate in theater workshops and classes, attend performances, and create ambitious works of participatory theater. This project has received \$25,000, the maximum grant amount, from the Neighborhood Matching Fund in 2019. These funds will increase the grant to \$100,000, the Neighborhood Matching Fund grant maximum prior to 2019.

This Council Budget Action adds \$75,000 GF to the Department of Neighborhoods to continue the work of the South Park Public Safety Coordinator. The City also provided \$75,000 for this work in 2018 and 2019.

The South Park Public Safety Coordinator was a recommendation of the 2017 South Park Public Safety Taskforce Report, which recommended hiring a bilingual resident to coordinate community public safety efforts in South Park. In 2018, the coordinator was involved in seven CPTED assessments and coordinated 15 community cleanups, over 90 safety partnership and neighborhood coordination meetings, and 110 community safety and outreach events. Their work has continued into 2019.

This Council Budget Action adds \$34,000 GF to the Department of Neighborhoods (DON) to support the Hub in a Box project.

Hub in a Box provides secure equipment to support community responses in the case of a disaster. The Hub in a Box program places supplies in areas where people are not typically engaged with the City and are less likely to want to navigate City processes. Priority will be placed on communities that have lower rates of individual household capacity for emergency preparedness.

These funds will enable the program to install 15 hubs in 2020.

## Statement of Legislative Intent:

This Budget Action requests that the Department of Neighborhoods (DON) work with the Seattle Parks and Recreation (SPR) and the City Budget Office to identify funding opportunities, either through the Metropolitan Parks District or some other ongoing source of funding, for P-Patch maintenance and enhancement, and report to the Finance and Neighborhoods Committee, or its successor committee, and submit a copy to the Central Staff Executive Director, by June 28, 2020.

The SPR generally spends up to \$200,000 a year from Metropolitan Parks District funds to improve P-Patches. This enables the program to maintain and enhance up to five out of the 89 P-Patches a year. In 2019, no P-Patch improvements were funded.

In addition, the 2020 Proposed Budget includes \$3 million in one time funding from the Sweetened Budget Tax for land acquisition, garden relocation, and capital infrastructure improvements for the P-Patch program.

### Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Department of Neighborhoods (DON), in consultation with the Safe and Healthy Communities Subcabinet and Office of City Auditor, report on next steps and funding needed to replicate the Rainier Beach: A Beautiful Safe Place for Youth (ABSPY) program in the Westwood and South Delridge neighborhoods. DON is requested to provide a report to the Gender Equity, Safe Communities, New Americans and Education Committee, or its successor committee, the Councilmember for District 1, and the Central staff Executive Director, by April 3, 2020.

ABSPY is a program of the Rainier Beach Action Coalition in collaboration with the Seattle Police Department, the Office of City Auditor, the Seattle Neighborhood Group and other City agencies and community-based organizations. ABSPY uses evidence-informed strategies to identify and address the place-based causes of youth victimization and crime at five focus locations, known as "hotspots" through non-arrest interventions. These interventions include business engagement, school campus safety, positive behavioral interventions and supports, crime prevention through environmental design, safe passage activities, and youth and neighborhood engagement. Funding for ABSPY has been provided through grants provided by George Mason University's Center for Evidence-Based Crime Prevention Policy.

This Council Budget Action adds \$500,000 REET I to the Department of Finance and Administrative Services (FAS) FAS Fire Station 31 Improvements CIP Project (MC-FA-FS3IMP) in 2020 and renames that CIP Project to "Fire Station 31 Temporary Station" for creation of an interim fire station and siting of a permanent station as shown on Attachment A. replacement to the existing Fire Station 31. The current CIP Project includes \$1.5 million for these activities in 2020; with this Council Budget Action, a total of \$2 million will be available to relocate the Fire Station.

Fire Station 31, located at 1319 N. Northgate Way, has been closed; and the City of Seattle has temporarily relocated fire fighters and apparatuses from Fire Station 31 to neighboring fire stations to allow for the testing of mold, mycotoxins, and water intrusion in the facility. Due to structural conditions and physical capacity issues of an aging building, this budget action will replace the station instead of making repairs. A new state-of-the-art facility will preserve the health and safety of fire fighters, as well as provide better and faster emergency services for the neighborhoods surrounding this station.

This Council Budget Action envisions three phases: (1) creation of a temporary fire station using tents and trailers, estimated to cost \$3.6 million; (2) site selection and cost estimating for a replacement Fire Station 31; and (3) replacing Fire Station 31 either in situ or in a new location, estimated to cost \$43.4 million.

This Council Budget Action funds the first two stages of the project. Funding for this budget action was included as a reserve in the Real Estate Excise Tax I (REET I) fund. This Council Budget Action reallocates \$500,000 held in REET I reserves for 2020 to fully fund the Fire Station 31 Temporary Station CIP project. The Council anticipates that future funding for the permanent facility will come from one or more of the following sources: REET funding set aside in the FAS CIP for North Seattle public safety facilities, future bonds, or a possible future levy. In 2020, FAS and the City Budget Office intend to submit a plan to the City Council for financing and constructing a permanent Fire Station 31.

## Statement of Legislative Intent:

This Budget Action requests Finance and Administrative Services (FAS), in consultation with the Office of Labor Standards (OLS), to develop a plan for adding questions to the City's registration process for Title 6 business license applications. Information collected from these questions would support the City's policy development and outreach for labor standards and other laws covering businesses operating in Seattle.

The Council requests FAS to consider adding questions that address business characteristics and preferred contacts for outreach, including but not limited to:

(1) number of employees in Seattle;

(2) number of employees worldwide;

(3) franchise status;

(4) NAICS Code;

(5) preferred contact information for City outreach and education; and

(6) an annually updated email address associated with the business that includes the ability to opt-out of receiving City communications.

The Council requests FAS to develop a plan for adding these questions that includes but is not limited to: (1) assessment of outcomes for making the questions mandatory or voluntary;

(2) methods for encompassing paper and on-line registrations;

(3) content of questions;

(4) ability for the City to add questions if necessary;

(5) ability for businesses to update information on a rolling and annual basis;

(6) language access;

(7) cost;

(8) timeline;

(9) compliance; and

(10) any necessary legislation to implement these changes.

## **Budget Action Description:**

The Budget Action reduces the appropriation in the Department of Finance and Administrative Services (FAS) by \$312,159 for payment of assessments on City-owned property for the Waterfront Local Improvement District (LID).

Agenda

Tab	Action	Option	Version		
FAS	6	В	1		

The Mayor's proposed budget appropriates \$2,100,000 to pay Waterfront LID assessments for Cityowned property. That proposed appropriation: (1) assumes the original \$200,000,000 LID, which has since been reduced to \$160,000,000, and (2) assumes that the City would pay the assessment on two City-owned properties that have been sold or will be transferred in 2019, the Seattle IT Communication Shop and the Civic Square Block.

Since the Mayor proposed her budget, FAS filed the final assessment roll for the LID with the City Clerk. The final assessment roll, which reflects the transfer of the two City-owned properties and the revised LID amount, establishes a total assessment for City-owned properties of \$1,790,012. The excess appropriation in the proposed budget is \$312,159.

## **Budget Action Description:**

This budget action recommends passage of CB 119682 which amends the City's Business License (B&O) tax code to comply with State requirements. In 2019, the Washington State Legislature enacted Substitute House Bill (SHB) 1403, which modified the apportionment formula for local business and occupation tax as codified in RCW 35.102.130. Apportionment refers to dividing a tax base between more than one jurisdiction in which a taxpayer conducts business. The changes in SHB 1403 included:

• Simplifying the service income factor by adopting a market-based sourcing hierarchy;

• Providing for income to be excluded from the denominator of the income factor that is attributable to a jurisdiction where the taxpayer would not be subject to tax; and

Agenda

Tab	Action	Option	Version
FAS	100	А	1

• Establishing guidelines for the application of an alternative apportionment method.

Under SMC 5.45.081, the City currently requires that income from activities in more than one jurisdiction be apportioned using a two factor formula based on payroll and a complex formula for determining service income. SHB 1403 simplifies the formula for calculating service income by basing the income apportionment on customer location. A committee of City representatives worked with the Association of Washington Cities to amend the model ordinance section that apportions gross income and to incorporate the legislative changes of SHB 1403 into SMC 5.45.081.

To continue to impose the B&O tax, RCW 35.102.040 requires cities that impose the tax to adopt the changes included in CB 119682 by January 1, 2020.

### **Budget Action Description:**

This budget action recommends passage of Council Bil (CB) 119683, which amends the City's business license tax (B&O tax) code to extend the tax return and payment date for annual filers of the B&O tax to April 15 of the year following the period covered by the return. The City currently requires, under SMC 5.55.040, that B&O tax returns and payments are due on or before the last day of the next month following the end of the reporting period covered by the return, which for annual filers is January 30 of the following year.

This change in filing date will shift some tax returns that would have been received in 2020 into the following year, resulting in a one-time loss of \$3.5 million as estimated by the Department of Finance and Administrative Services. The revenue impact of the changes made by this legislation is included in the revenue forecast supporting the Mayor's Proposed 2020 Budget. To continue to impose the B&O tax,

### **Budget Action Description:**

Background:

The 2020 Proposed Budget adds \$41.7 million GF (one-time) from Mercer Sales Proceeds to Finance General to create a Strategic Investment Fund. Investment of these funds are intended to achieve multiple community benefits through development of mixed-use and mixed-income projects that include housing, affordable commercial and cultural space, public open space, and childcare.

An interdisciplinary team including relevant city departments (Office of Housing, Office of Planning and Community Development, Office of Economic Development, Department of Neighborhoods, and the City Budget Office) and community partners experienced in community organizing and development will establish criteria and principles regarding use of these funds. This team will assist with identifying potential priority acquisitions utilizing available funds. The criteria used for expenditure of the Strategic

Investment Fund will be similar to the criteria utilized by the Equitable Development Initiative (EDI), including the following:

-prioritize sites located in communities at risk of displacement;

-select sites that are identified by the community and will address the wholistic needs of the community, including but not limited to housing, affordable commercial space, child care, etc.; and -address race and social justice outcomes, such as women, minority and business enterprise (WMBE), local hiring, and apprenticeship utilization goals, and accessibility requirements.

A proposed spending plan for the use of these funds will be developed and submitted to the City Council for approval. The criteria used to develop the spending plan should be submitted with the proposed spending plan. The Executive anticipates submitting the spending plan to the City Council in the first or second quarter of 2020.

This Council Budget Action imposes the following proviso on the Strategic Investment Fund in Finance General:

"None of the money appropriated in the 2020 budget for the Finance General Reserve Strategic Investment Fund may be spent until authorized by future ordinance. Council anticipates that such authority will not be granted until the Executive submits a proposed spending plan for this Fund."

### **Budget Action Description:**

This Council Budget Action adds \$206,000 GF (one-time) to the Human Services Department (HSD) to extend for 24 months the existing pilot program that provides two mental health outreach workers to serve the University District and Ballard. This provides 60 percent of the needed funds with business improvement areas providing the remaining funding.

Funding for this pilot to operate for 18 months was initially provided in the 2019 Adopted Budget and awarded to Evergreen Treatment Services. The unspent portion of the initial appropriation will be carried forward into 2020 and allow the current pilot to continue until June 30, 2020. The funding in this Budget Action supports operation of the pilot until June 30, 2022.

This Budget Action will impose the following proviso:

### **Budget Action Description:**

This Budget Action adds \$815,000 GF to the Human Services Department (HSD) to set up and operate a new tiny home village for up to 40 households, which includes \$142,000 in one-time funds and \$673,000 in on-going funds. The Low Income Housing Institute will donate 40 existing tiny homes to the new village. The one-time funds will address start-up costs, such as plumbing and electrical costs. On-going costs include support staff and case management for eight months of operations. Consistent with the 2020 Endorsed Budget, the 2020 Proposed Budget includes approximately \$4 million for the operation of eight tiny home villages. This action adds resources for one additional tiny home village.

The Executive shall submit a quarterly status update until the tiny home village is operational.

This Budget Action also imposes the following proviso:

### **Budget Action Description:**

This Budget Action adds a total of \$1,200,000 GF to the Human Services Department (HSD) to expand the number of tiny home villages. This includes \$600,000 GF in one-time funding and \$600,000 in ongoing funding. The total funding is estimated to support a single new tiny home village that will prioritize referrals from the Navigation Team, Law Enforcement Assisted Diversion program, and Seattle Municipal Court. Consistent with the 2020 Endorsed Budget, the proposed budget includes approximately \$4 million to operate eight existing tiny home villages. Council Bill 119656, introduced on October 17, 2019 would amend the land use and zoning requirements for transitional encampments and allow up to 40 transitional encampments.

The Executive shall submit a quarterly status update until the tiny home village is operational.

### Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests the Department of Finance and Administrative Services (FAS) and Human Services Department (HSD) conduct a search of Seattle-owned and private properties to identify locations available to place two tiny home villages with a minimum of 40 tiny homes. The analysis should provide options that presume both the passage and the failure to pass CB 119656, unless CB 119656 has been enacted by the time the report is submitted. The report should also include a cost estimate of the set-up costs and on-going maintenance and operations costs, presuming that this tiny home village would provide case management and services similar to an enhanced shelter. The report will be submitted to the Council's Housing, Health, Energy, and Workers' Rights Committee (or its successor committee) and the Central Staff Executive Director by February 1, 2020.

### **Budget Action Description:**

This Budget Action adds \$1,500,000 in one-time funds to the Human Services Department (HSD) for relocation and necessary tenant improvements for a young adult shelter, such as the ROOTS Young Adult Shelter. This amount includes \$933,000 in Community Development Block Grant (CDBG) funds and \$567,000 GF one-time funding that is not CDBG.

The ROOTS Young Adult shelter will be displaced by the redevelopment of the United Temple Methodist Church and has purchased a new building for \$4.1 million. The new location requires approximately \$2 million in renovations for ADA and fire code requirements and general refurbishment, for a total of \$6.1 million in costs. The United Temple Methodist Church has provided \$1.5 million for the new location. It is anticipated that an additional \$3 million will be provided by other sources to complement City funding.

### **Budget Action Description:**

This Budget Action adds \$158,000 GF (one-time) to the Human Services Department (HSD) to start-up and operate an overnight-only safe parking lot for individuals dwelling in vehicles. The University Heights Center has been identified as a potential location for this safe parking lot, though an adjustment to the existing service agreement may be required. The lot would initially have five to 10 available spaces, with a goal of additional spaces by the end of the year. The spaces will only permit these vehicles to park overnight.

The 2020 Endorsed Budget included \$250,000 for a safe parking lot program, and the Mayor's 2020 Proposed Budget adds \$125,000 one-time funding to that amount. The \$250,000 in the 2019 Adopted Budget currently supports seven parking spots, though efforts are underway to increase that number to 30 spaces by partnering with faith-based institutions. The expansion in the 2020 Proposed Budget is

intended to meet a goal of providing 40 spaces, still relying on faith-based institutions. This Budget Action repurposes \$125,000 to support a community safe parking location, such as University Heights, rather than spaces associated with a faith-based institution.

### **Budget Action Description:**

This Budget Action adds \$75,000 to the Human Services Department (HSD) to provide women's hygiene products and diapers to residents at enhanced shelters, basic shelters, and tiny home villages that receive City funding.

\$58,000 GF is provided for women's hygiene products at all enhanced shelters, basic shelters, and tiny home villages, and \$17,000 is provided for a diaper distribution pilot program for families in need at enhanced shelters, basic shelters, and tiny home villages.

Consistent with the 2020 Endorsed Budget, the 2020 Proposed Budget includes approximately \$29 million to fund emergency shelters, not including funds to open a shelter in the King County Correctional Facility or to relocate two tiny home villages. There are an estimated 1,600 women of menstruation age

and 1,167 children under the age of five residing in these programs. This Budget Action is calculated with the assumption that children go through approximately 2,280 diapers a year.

The Council also requests that HSD tracks the distribution, usage and unmet need for diapers at all shelters and tiny home villages to determine the success of the pilots in meeting the need for diapers at those locations and the on-going funding necessary to provide diapers to all children in shelters and tiny home villages. This report should be provided to the Human Services, Equitable Development and Renters' Rights Committee, Councilmember Herbold, and the Central Staff Executive Director by June 1, 2020.

### **Budget Action Description:**

This Budget Action adds a total of \$1,000,000 GF to the Human Services Department (HSD), which includes \$605,000 GF on-going funding and \$395,000 one-time funding, to increase homeless services for all individuals, regardless of race or gender identity, and increase the rate that American Indians and Alaskan Natives (AIAN) who are experiencing homelessness move to permanent housing, such as the services provided by the Chief Seattle Club. The on-going funding includes at least \$375,000 for rapid re-housing.

AIAN are disproportionately represented among those experiencing homelessness in King County, comprising over 10 percent of the homeless population but less than 1 percent of the overall population. AIAN have the highest disparity of exiting homeless assistance projects to permanent housing and

benefit from approaches that support bringing their rate of exiting homelessness to a level comparable to other races. The 2020 Proposed Budget continues HSD's contracts with four organizations to serve AIAN who experience homelessness, which totaled nearly \$3.4 million in 2019. This Budget Action increases that funding. In 2019, the Chief Seattle Club had contracts with HSD for more than \$1.4 million.

This Budget Action adds \$100,000 GF to the Human Services Department (HSD) for legal services and representation for youth and young adults (ages 12-24 years) who are experiencing or at risk of homelessness, such as those provided by Legal Counsel for Youth and Children (LCYC). These community-based and crisis response legal services should be provided through partnerships with local schools, youth shelters, and other service providers that serve youth and young adults at risk of or experiencing homelessness.

LCYC does not receive funds from the City of Seattle. An increase of \$100,000 will provide approximately 1,500 hours of legal services for young people.

The Budget Action also imposes the following proviso:

### **Budget Action Description:**

This Budget Action adds \$700,000 GF in one-time funding to the Human Services Department (HSD) to create and evaluate a rental assistance pilot for individuals who 1) are age 50 or older, 2) have income limited to federal disability benefits, specifically Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI), that is no more than \$1,000 per month, and 3) are at risk of or currently experiencing homelessness. The pilot will provide up to one-year of rental assistance and is estimated to serve as many as 70-100 households.

The program will prioritize households who have become or are at-risk of becoming homeless as a result of transitioning from Washington's Housing and Essential Needs or Aged, Blind and Disabled assistance programs onto SSI or SSDI. The program will also provide light case management services. HSD will convene, no later than January 31, 2020, a stakeholder group consisting of community-based

organizations with subject matter expertise, the Office of Housing, the Legislative Department, and other relevant stakeholders to develop the target population, subsidy levels, and other operational details before issuing a request for proposals.

The Budget Action also imposes the following proviso:

"Of the appropriations in the 2020 Budget for the Addressing Homelessness BSL, \$700,000 is appropriated solely to provide rental assistance and case management for no more than 12 months to disabled individuals over the age of 50 who are homeless or at-risk of experiencing homelessness due to a transition onto federal disability programs, and to evaluate the effects of that program, and may be spent for no other purpose."

### **Budget Action Description:**

The Budget Action imposes the following proviso, which will be lifted each quarter after the Executive submits the required reports, on appropriations for the Navigation Team in the Human Services Department (HSD):

"No more than \$830,500 of the money appropriated in the 2020 Adopted Budget for the Addressing Homelessness BSL may be spent for the functions and activities performed by the City's Navigation Team until the Executive files with the City Clerk, without vote, quarterly reports on the topics outlined below. Upon the filing of an initial report by January 31, 2020, an additional amount of up to \$830,500 may be spent; upon the same filing of another report on the same topics by April 30, 2020, an additional amount of up to \$830,500 may be spent; upon the same filing of another report on the same topics by July 31, 2020 and commencement of operations for no less than 60 new spaces funded by Budget Actions HOM-2-C-1 and HOM-3-B-3 or their substitute actions, an additional \$830,500 may be spent;

Agenda

Tab	Action	Option	Version
HOM	15	С	1

and the same filing of another report on the same topics is due by November 19, 2020."

It is the Council's intent that the Executive provide quarterly reports according to the "schedule and subjects" listed below. The first, second and third quarterly reports may be incorporated into distinct Clerk files, the filing of which will each release an additional \$830,500 of appropriation authority.

As part of the Executive's commitment to accountability and continuous quality improvement, the Human Services Department (HSD) will present to the City Council quarterly reports on Navigation Team activities to connect people living within unmanaged encampments to services and shelter. These reports will also include information on efforts to reduce negative impacts stemming from encampments throughout Seattle. The "schedule and subjects" for quarterly reports with additional requirements by quarter are listed below.

Schedule and Subjects:

### A. Reporting in every Quarter (1-4):

HSD and the Navigation Team will report on performance measures that are reflected in the updated Theory of Change. These metrics include: 1) connecting individuals living unsheltered to services, 2) connecting people to safer spaces, and 3) addressing hazardous and unsafe conditions stemming from, and found within, unmanaged encampments. Specifically, the report will provide measures for the prior quarter, including:

• Total number of contacts made quarterly, duplicated and unduplicated;

• Number of referrals to services by service category (e.g., obtaining documents, mental health, coordinated entry assessment, etc.) that were entered into the Nav App or Homelessness Management Information System;

• Breakdown, by percentage, of client demographic information quarterly;

• Percentage of people whose needs assessment screening was completed;

• Total number of referrals to shelter quarterly, duplicated and unduplicated;

• Number of shelter arrivals at the shelter referred to within a 48 hour period following referral—quarterly, duplicated and unduplicated;

• Number of times in the quarter a Field Coordinator provided assistance to or responded to a call for support from a Community Police Team or bike patrol officer;

• Number of times in the quarter a System Navigator provided assistance to or responded to a call for support from a Community Police Team or bike patrol officer, including requests relayed through a Field Coordinator;

• Number of times the Navigation Team provided assistance using the centralized diversion fund and the number of individuals/households that moved to permanent housing because of this service;

• Breakdown of referrals to specific shelter type by quarter to date;

• Average of the daily shelter bed count reported to the Navigation Team for the quarter, broken down by type (i.e., basic shelter, tiny house village, enhanced shelter);

• Quarterly and year-to-date total tonnage of garbage, waste, and debris removed from unmanaged encampments;

• Total number of inspections conducted by quarter;

• Total number of unmanaged encampments removed (broken down by 72-hour clean-up, obstruction, and hazard) by quarter; and

• Attendees, dates, and minutes of all meetings in this quarter to coordinate the Navigation Team and/or outreach providers in deploying staff to provide outreach services, managing particular cases, and otherwise coordinate the delivery of services among contracted agencies or with the Navigation Team, particularly for providers that focus on populations overrepresented among homeless individuals.

Agenda

Tab	Action	Option	Version
HOM	15	С	1

HSD will provide relevant qualitative updates on key projects and developments that are either Navigation Team-led or intersect with homelessness response efforts. Updates may include:

- Analysis of emerging trends;
- Progress in developing and implementing a Racial Equity Toolkit on the Navigation Team;
- Trainings and workshops attended, or undertaken, by the Navigation Team or by individual members,
- Upcoming opportunities for continual improvement; and
- Qualitative updates on new shelter resources that have come online and/or notable trends.
- B. Additional Quarter-Specific Requirements
- 1. Additional Requirements for the Quarter 1 Report:
- By January 31, 2020, the Executive shall:

• Clarify the definition in FAS Rule 17-01 of "obstruction" and its meaning in associated rules and policies as shown:

"people, tents, personal property, garbage, debris or other objects related to an encampment that: are in a City park or on a public sidewalk; interfere with the pedestrian or transportation purposes of public rights-of-way; or interfere with areas that are necessary for or essential to the intended use of a public property or facility." Please clarify whether encampments in parks must be an interference in order to warrant an exemption to the requirement for prior notice.

• Provide a report identifying any differences in how the Outreach Standards of Care are implemented or incorporated into the work of the Navigation Team compared to implementation or incorporation by other homeless outreach agencies.

• Provide a list of recommendations to increase the rate that individuals referred to a shelter arrive at that shelter within 48 hours.

• Transmit a table that describes the obstruction that warranted an exemption to the requirement for prior notice for all obstruction removals that were carried out in the previous quarter, including the name of the location, date of the removal, date that notice of removal was posted, and date(s) less than two weeks prior to the removal when outreach services visited that location and spoke to all individuals dwelling in that encampment.

2. Additional Requirements for the Quarter 2 Report:

By April 30, 2020, the Executive shall:

• Discuss the results of the training curriculum and core competencies review (including trauma-informed care) that was due to be completed in third quarter of 2019, including:

a. List of identified competencies and training requirements, prior to completing the review, for each Navigation Team position;

b. Gaps or deficiencies identified in competencies or training;

c. How the core competencies or training requirements were changed to address the gaps or deficiencies; and

d. New list of core requirements and trainings by position (including requirements related to traumainformed care and racial equity impacts).

3. Additional Requirements for the Quarter 3 Report:

Agenda

Tab	Action	Option	Version		
HOM	15	С	1		

By July 31, 2020, the Executive shall:

• Complete a staffing assessment that includes:

a. Average workload of HSD positions and either the target caseload for comparable positions funded by other City contracts or other data to indicate whether or not that workload is appropriate;

b. Summary of the skills not included in the current Navigation Team structure that are typically found on similar teams operating in other jurisdictions, the pathway to adding these skills to the Navigation Team, and the estimated cost of those pathways:

c. The determination for each evaluation point raised in Attachment 1 of HSD's January 2019 response; and

d. Results of a customer survey that includes, at minimum:

i. Questions on what would make customers more likely to accept an offer of shelter;

ii. Questions on what would increase the likelihood that a customer stays at a shelter following a referral from the Navigation Team; and

iii. Whether respondents feel the inclusion of law enforcement makes them more or less likely to engage with the Navigation Team or accept services.

• Provide a report clarifying the primary goals and objectives of obstruction removals that are carried out by Community Police Team and bike patrol officers and having members of the Navigation Team on-call for those officers. If a central goal includes connecting affected individuals with shelter or housing, please identify any process or programmatic changes that could increase the likelihood these individuals receive services.

• Provide the findings from the Racial Equity Toolkit analyzing the Navigation Team, the steps HSD has outlined to address any concerning findings, and the timeline for completing those steps.

• Provide any items requested in checkpoint 1.3D of the Review of Navigation Team 2018 Quarter 1 Report that have not yet provided to Office of the City Auditor.

4. Additional Requirements for the Quarter 4 Report:

By November 19, 2020, the Executive shall:

• Provide a report that details the steps taken to implement the recommendations identified in the report submitted by January 31, 2020 to increase the rate that individuals referred to a shelter arrive at that shelter within 48 hours.

• Provide a written report discussing the City's compliance with the Auditor recommendations on checkpoint 2.3, strategies to prevent trash accumulation.

### **Budget Action Description:**

This Budget Action adds a total of \$1,284,000 GF to the Human Services Department (HSD) for the purchase and operation, including staffing, of mobile bathroom facilities. This includes \$558,000 GF in one-time funding to purchase five mobile units and \$726,000 GF in on-going funding to operate the units for one years. In addition to toilets and handwashing stations, each mobile unit includes a needle exchange and pet waste disposal.

Each mobile unit has two toilets and costs \$73,000 to purchase, a total of \$365,000 for five units. A vacuum truck to service the units costs \$193,000. One year of service costs, including staffing, supplies, drivers, fuel, repair and maintenance, and service of the units is estimated to cost \$726,000, approximately \$145,000 per mobile unit.

### **Budget Action Description:**

This Budget Action adds \$159,000 GF in one-time funding and adds 1.0 FTE to the Human Services Department (HSD) to add one term-limited senior planning and development specialist to the Homeless Strategy and Investments (HSI) Division in HSD.

The HSI division will co-locate with county staff as a regional authority on homelessness is created in 2020, if legislation to create such an entity is approved by the City and King County. Either through supplemental budget action or the 2021 proposed budget, all staff positions in HSI will be abrogated as employees in HSI either transfer to other divisions or move to employment at the regional authority on homelessness. This position will allow the HSI division to manage new and expanded contracts related to homelessness that are added as part of the 2020 Adopted Budget.

### **Budget Action Description:**

This budget action would add \$115,000 GF to Seattle Public Utilities (SPU) to expand the Encampment Trash program through partnership with a nonprofit provider.

Partnering with a nonprofit provider should allow for a more efficient expansion than would be possible with only City staffing resources. The nonprofit partner should be able to:

- a) Identify feasible sites for the program to operate;
- b) Explain how the program works and how sites can participate;
- c) Distribute the purple bags used by the program;

Agenda

d) Monitor participating sites; and

e) Communicate effectively with SPU staff.

### Background:

The Encampment Trash program provides weekly collection and disposal of garbage, bulky items, and hazardous materials at select Unsanctioned Homeless Encampments. The program currently services between eight to 10 sites at any given time, and in 2018 it provided garbage collection to 20 different encampments throughout the year. The program also distributes purples bags on a weekly basis and performs on-call garbage collection.

The 2020 Proposed Budget includes \$249,050 for SPU to provide services at up to 10 sites at any given time.

### **Budget Action Description:**

This Budget Action cuts \$345,000 GF one-time funding from the 2020 Proposed Budget for the Human Services Department (HSD). This funding in the proposed budget would support the start up of a regional authority on homelessness and imposes a proviso. The proposed budget provides \$2,000,000 GF for one-time costs and the first year of on-going costs related to starting up a regional authority on homelessness in conjunction with King County, which includes the salary and benefits for an estimated five FTE. This Budget Action cuts:

- \$184,000 GF (one-time)proposed for one executive series staff position

- \$35,000 GF (one-time) proposed for the Executive Director of the agency, reflecting that the position will not be filled in the first 60 days of 2020; and

## Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests that the Human Services Department (HSD) provide a report to the Civic Development, Public Assets & Native Communities (or successor committee) on contracts with American Indian and Alaska Native (AI/AN) organizations as well as recommendations to ensure funding for these organizations is equitable and sufficient. This report will be due on or before March 31, 2020.

This SLI will formalize the request made in Resolution 31900, passed by Council on September 9, 2019, that HSD submit a report on funding adequacy for the AI/AN community as part of Council's response to the epidemic of Missing and Murdered Indigenous Women and Girls.

## **Budget Action Description:**

This action adds \$60,000 GF (one-time) to the Human Services Department (HSD) to contract with a non-profit organization to conduct state-wide lobbying and advocacy with a focus on addressing poverty and creating opportunities for everyone to prosper through people-centered approaches. The proposed budget adds \$25,000 for this purpose; this action brings total funding to \$85,000.

### **Statement of Legislative Intent:**

The Council requests that the Human Services Department (HSD) provide a report on the cost, feasibility, and methods of providing resources to subsidize transit passes for employees of HSD-contracted service providers. The report should include one or more options for how the City could cover some or all costs necessary for an HSD-contracted service provider to provide fully or partially subsidized transit benefits to its employees. HSD should work with Council staff and relevant stakeholders beginning in January 2020 to develop a work plan for this report, and meet as needed through June 30, 2020.

Building on the information provided in the response to SLI-35-7-A-2-2019, the report should address the following issues:

1) Approximately how many employee salaries at HSD-contracted service providers are contingent on the funding provided through HSD contracts? (Given that HSD contracts are not directly based on number of employees, how can the City determine or estimate the number of employees or FTEs supported by each contract?)

2) What are feasible methods and associated costs for providing transit benefits to these employees?

3) What transit benefits do HSD-contracted service providers already offer to their employees?

4) If the City were to offer funds to subsidize transit benefits for employees covered by an HSD contract, on the condition that a service provider offer the same benefit to all its Seattle employees, how many HSD-contracted service providers would likely participate in the program, and what are the projected costs?

5) What opportunities are there for collaboration with King County to develop a joint program that also covers the Department of Community and Human Services (DCHS) contracts?

6) What are the potential funding sources, existing or new, that could subsidize transit passes for HSDcontracted service providers.

## **Budget Action Description:**

This action adds \$10,000 of ongoing funds to the Human Services Department (HSD) to contract with non-profit community-based organizations to fund transportation and senior activities for low income seniors.

This action increases the funding available to subsidize bus passes and support senior activities and meals provided by a non-profit community-based organization, such as the Vietnamese Seniors Association. The VSA serves low income seniors in the Chinatown/International District, who rely on subsidized bus passes for transportation and senior activities. In 2018 and 2019, HSD funded Asian Counseling and Referral Services (ACRS) with \$25,000 for the program; ACRS subcontracted to VSA. Consistent with the 2020 Endorsed Budget, the proposed budget includes \$26,163 for this purpose; this budget action increases total funding to \$36,163 to increase the number of program participants.

## Statement of Legislative Intent:

This action request that the Human Services Department (HSD) establish a dedicated service provider line and warm hand-off process for incoming calls to the Utility Discount Program (UDP). HSD depends on service providers to refer applicants to the UDP; currently, providers are reporting long wait times on the existing UDP customer service phone line. A dedicated line and warm hand off would assist in the enrollment of new UDP customers and be a more efficient use of service providers' and clients' time.

This work will be conducted in collaboration with community clinics, community-based organizations, senior services and residential housing facilities, and HSD's Division of Aging and Disability Services.

## **Budget Action Description:**

This Budget Action imposes the following proviso on \$500,000 GF provided to the Human Services Department (HSD) in the 2020 Endorsed and Proposed Budgets for substance use disorder treatment to clarify that the Council intends these funds to be on-going:

"Of the funds provided to the Human Services Department (HSD) in the Promoting Public Health BSL, \$500,000 is appropriated solely to fund substance abuse disorder treatment as an addition to the base contract between HSD and Seattle King County Public Health rather than as a single year amendment and may be spent for no other purpose."

The addition of this proviso will ensure that the \$500,000 provided in the 2019 Adopted Budget and continued in the 2020 Endorsed Budget will be treated as an on-going source of funding for these services that will continue in subsequent years. The funds provided for this purpose in 2019 have been

## **Budget Action Description:**

This Budget Action adds \$3.5 million GF (ongoing) to the Human Services Department (HSD) for a contract with a law enforcement diversion program, such as the LEAD Program (Law Enforcement Assisted Diversion), that provides point-of-arrest and social contact diversion services. This Budget Action acknowledges the potential that the LEAD Program may receive this funding as well as private sector funding to close the revenue-budget gap discussed below. Finally, this action adds to the Criminal Division of the Law Department an unfunded 1.0 FTE Assistant City Prosecutor (ACP) position that will be funded via an MOU with the program and will serve as a second dedicated law enforcement assisted diversion attorney.

Consistent with the 2020 Endorsed Budget, the Proposed Budget maintains \$2.55 million for a law

enforcement assisted diversion program. This Council Budget Action's funding plus the funding in the Proposed Budget would bring the City's new, ongoing support for law enforcement assisted diversion to \$6.05 million in 2020. If this funding were to go to LEAD, it would be combined with other funding that will not flow through the City's budget (\$1.6 million in King County funding, \$0.7M in existing grant funding, and an additional \$1.5 million in new private sector contributions), and would be funded at a level sufficient to:

(1) sustain caseloads at no more than 25 cases per case manager vs. the current load of 44 cases per case manager;

(2) increase case manager salaries by 10 percent and all LEAD employee salaries by five percent;

(3) provide funding for project management functions such as LEAD Personnel Costs, Rent and Occupancy, Travel and Professional Services, Legal Services and a PDA Administrative Allocation; and

(4) hire 54 new case managers (increasing the number of case managers from 19 to 73).

The funding in the Council Budget Action would also be sufficient to pay for a second City of Seattle Attorney position and a study of the budget and staffing necessary to allow LEAD to accept all currently anticipated referrals for prioritized individuals.

Information about the LEAD program's assessment of its 2020 revenue and expenditure needs is provided in Attachment 1. Case Management Services is found in the first line of Table 2. LEAD Project Management Costs can be found in the lower half of Table 2.

The LEAD program currently employs 19 case managers with caseload of approximately 44 cases per manager. LEAD indicates that it cannot provide effective services when the caseload of case managers exceeds 25 cases. Effective services include providing timely outreach to every client who has completed an intake interview. LEAD currently has 547 participants and expects to have 1,400 participants in 2020, based on a trend line that expects the cases will double from 2019 to 2020 (as occurred from 2018 to 2019).

This Council Budget Action imposes three provisos:

"Of the appropriation in the 2020 budget for the Human Services Department, \$5.6 million is appropriated solely for a contract with a law enforcement assisted diversion program and may be spent for no other purpose."

"Of the appropriation in the 2020 budget for the Human Services Department, \$350,000 is appropriated solely for a contract with a law enforcement assisted diversion program and would be used to subcontract with the Seattle City Attorney's Office to support two law enforcement assisted diversion focused attorneys and a 0.5 FTE paralegal position and may be spent for no other purpose."

"Of the appropriation in the 2020 budget for the Human Services Department, \$100,000 is appropriated solely for the Human Services Department to fund a study to be led by the Mayor's Office, in consultation with a law enforcement assisted diversion program's evaluation workgroup and Council central staff, that determines the staff and budget that is necessary to accept all appropriate referrals for priority individuals, and to determine, in consultation with the evaluation workgroup and Council central staff and an appropriate center at an academic institution whether the dedicated a law enforcement assisted

## **Budget Action Description:**

This Council Budget Action would adopt a resolution that acknowledges the inherent responsibility of the City to reduce unnecessary justice system involvement. The resolution also acknowledges that prearrest diversion programs, such as the Law Enforcement Assisted Diversion (LEAD) program, represent a harm reduction, evidence-based approach to reduce recidivism and provide for the public safety. Finally, the resolution declares that the City is committed to ensuring that evidence-based, law enforcement-engaged, pre-booking diversion programs, such as LEAD, receive the public and private funding necessary to accept all priority qualifying referrals.

This resolution is dependent on the passage of HSD 99-C-2, which provides \$3.5 million in funding for the LEAD program and acknowledges a donation of \$1.5 million from The Ballmer Group.

This action adds \$23,000 GF to the Office of Hearing Examiner (HXM), including \$8,000 in one-time funding for portable recording equipment and \$15,000 in ongoing funding for a planner to participate in mediation.

Currently, HXM has access to two hearing rooms, one large and one small, resulting in the office only being able to accommodate one large, multi-party public hearing at a time. With the purchase of portable recording equipment, a second larger room could be obtained as needed to conduct two larger hearings simultaneously.

This action also adds \$15,000 ongoing GF to pay for the participation of a planner in the mediation process. Currently, mediation parties must pay for the required participation of a planner.

## **Budget Action Description:**

This Council Budget Action adds \$113,077 GF and 1.0 FTE paralegal position to the City Attorney's Office (LAW) to support the Regional Domestic Violence Firearm Enforcement Unit (Unit). This includes \$111,077 in ongoing funding and \$2,000 in one-time funding for equipment and office setup. This position will expand the Unit's capacity to address "red flag" cases involving individuals suspected of domestic violence and/or who pose an extreme risk.

The Regional Domestic Violence Firearms Enforcement Unit includes members from the King County Prosecuting Attorney's Office, LAW, the Seattle Police Department, and the King County Sheriff's Office. Formed by King County and Seattle in 2018, the mission of the unit is to reduce gun violence and increase victim and community safety through regional collaboration and proactive enforcement of firearm laws including the Extreme Risk Protection Orders approved by votes in an initiative in 2016.

Agenda

The Unit currently consists of a Program Manager; three dedicated firearms prosecutors; a "Court Coordinator"; a "Court Orders Problem-Solver"; law enforcement personnel to serve and enforce the orders; a DV-Firearms Advocate to help petitioners and their families; and a paralegal and data/records staffer. This additional advocate position will expand the ability of the Unit to serve as the first point of contact for family or household members initiating extreme risk protection orders and will help educate the public and community partners about these protection orders.

## **Budget Action Description:**

This Council Budget Action cuts 1.0 FTE assistant city attorney position and \$207,014 GF from the City Attorney's Office (LAW). The 2020 Proposed Budget adds 3.0 FTE assistant city attorney positions to LAW's civil division. This cut would leave LAW with two FTEs, full funding for one position, and partial funding for the second position.

## **Budget Action Description:**

This Council Budget Action would add \$117,000 GF to the City Attorney's Office (LAW) to fund a threat assessment specialist. This specialist would serve as a regional asset and first point of contact for high-risk firearm-related case assessment and would be responsible for case triage and assessment of both civil (protection order-related cases, including Extreme Risk Protection Orders) and criminal cases.

The Regional Domestic Violence Firearms Enforcement Unit (RDVFEU) includes members from the King County Prosecuting Attorney's Office, LAW, the Seattle Police Department, and the King County Sheriff's Office. Formed by King County and Seattle in 2018, the mission of the unit is to reduce gun violence and increase victim and community safety through regional collaboration and proactive enforcement of firearm laws including the Extreme Risk Protection Orders approved by votes in an initiative in 2016.

This Council Budget Action imposes the following proviso:

"Of the appropriation in the 2020 budget for the City Attorney's Office, \$117,000 is appropriated solely for a threat assessment specialist to be assigned to the Regional Domestic Violence Firearm Enforcement Unit and may be spent for no other purpose."

This Council Budget Action also adds \$10,000 GF for the Human Services Department (HSD) to create and evaluate a rental assistance pilot for individuals who 1) are age 50 or older, 2) have income limited to federal disability benefits, specifically Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI), that is no more than \$1,000 per month, and 3) are at risk of or currently experiencing homelessness. This funding is in addition to Council Budget Action HOM-13-B-1, which adds \$700,000 of General Fund for this purpose.

This Council Budget Action imposes the following proviso:

"Of the appropriations in the 2020 Budget for the Addressing Homelessness BSL, \$10,000 is appropriated solely to provide rental assistance and case management for no more than 12 months to disabled individuals over the age of 50 who are homeless or at-risk of experiencing homelessness due to a transition onto federal disability programs, and to evaluate the effects of that program, and may be spent for no other purpose."

## **Budget Action Description:**

This Council Budget Action would add \$15,000 GF to the Office for Civil Rights (OCR) to create a stable source of funding for the City's "Human Rights Day" Celebration.

### Background:

The City of Seattle created the Seattle Human Rights Commission in 1963. The Council also recognized December 10th as the official date for commemoration of the adoption of the Universal Declaration of Human Rights. The City has applied human rights principles in its policy-making; in 2012, the City reaffirmed its commitment to promote human rights by proclaiming Seattle a "Human Rights City" and adopting the Universal Declaration of Human Rights through Resolution 31420. A "Human Rights City" consciously aspires to respect, protect, and fulfill universal human rights as spelled out in the Universal

## **Budget Action Description:**

This Budget Action adds \$100,000 GF (one-time) to the Office of Economic Development (OED) for a consultant study of employment dependent on fossil fuels in the Seattle metropolitan area. The Green New Deal for Seattle (Resolution 31895), adopted by Council in August 2019, established a goal of making Seattle climate pollution-free by 2030, and committed the City to ensuring a just transition for workers whose jobs currently depend on the fossil fuel industry. However, the City lacks data on how many jobs in the region currently depend on the fossil fuel industry, and it is not clear what resources or actions will be required to achieve a just transition.

The goals of the study are to: (1) understand the potential impact to workers as the City acts to reduce reliance on fossil fuels; (2) analyze where job growth is anticipated in clean energy and related industries; and (3) identify strategies for supporting small businesses and their workers as the City

transitions away from fossil fuels. This study should include, but not be limited to:

1. An analysis of jobs and wages of those directly employed by the fossil fuel industry as well as related industries, such as pipefitters, natural gas appliance businesses, and auto mechanics;

2. A forecast of regional job growth in clean energy and related industries;

3. Interviews and/or focus groups with key stakeholders, including labor unions, workforce training providers, and small business owners; and

4. Recommendations for strategies that the City and its partners can implement to: (a) ensure a just transition for workers, with a particular focus on how to equip workers with the necessary skills to move from jobs reliant on fossil fuels to jobs in the clean energy sector; (b) accelerate and expand job growth in the clean energy sector, if necessary; and (c) ensure that jobs created are family-wage jobs.

The report should be presented to the Sustainability and Transportation Committee, or successor committee, and submitted to the Council Central Staff Executive Director and the Green New Deal Oversight Board by June 30, 2020.

## **Statement of Legislative Intent:**

This Statement of Legislative Intent requests that the Office of Economic Development (OED) collaborate with the Office of Housing (OH), Seattle Department of Construction and Inspections (SDCI), and the Office of Planning and Community Development to identify strategies and develop tools that will help connect building owners and developers with small businesses and service providers that are seeking commercial tenancies. This could include, but is not limited to: (1) developing a database of small businesses that are either at risk of displacement or have already been displaced, and an inventory of existing vacant commercial spaces and commercial space under development; (2) information on potential funding opportunities for commercial space, such as the Equitable Development Initiative, Seattle Preschool Program, and child care facilities program; and (3) information on permitting, leasing, licensing, and other applicable processes, rules and other requirements. SDCI and OH should provide these resources to all developers pursuing mixed-use residential projects (both affordable and market-rate) at pre-application meetings.

OED, SDCI, and OH should submit the materials and provide a progress report to the Housing, Health, Energy, and Workers' Rights Committee, or successor committee, and the Council Central Staff Executive Director by May 29, 2020.

## **Budget Action Description:**

This Budget Action adds \$75,000 GF (ongoing) to the Office of Economic Development (OED) to contract with a non-profit organization that has a history of partnering with municipal governments and businesses to develop career pathways, such as the Workforce Development Council of Seattle-King County (WDC), to support high road apprenticeships. These apprenticeships offer living wages, full benefits, flexibility, participative management, career advancement pathways, and a voice on the job. While OED and the WDC have invested in developing and promoting apprenticeship opportunities, neither has specifically focused on high road apprenticeships.

This action funds a high road apprenticeship coordinator within a non-profit organization dedicated to engaging with existing high road training programs and developing new programs. OED should collaborate with the selected non-profit organization and the MLK Labor to determine specific

1). OED has found this dual film and special events managerial role to be inadequate for each of the programs, with the position allocating about 85 percent of its time to special events and 15 percent to film. Separating the duties into two assignments gives OED greater staff capacity to focus on both the film industry as well as the special events industry.

The responsibility of the Film and Music Program Lead position includes, but is not be limited to:

1. Overseeing coordination of permits for film and music events;

2. Providing leadership to interdepartmental teams as an authoritative representative of OED to achieve important City objectives related to the film and music industry;

3. Influencing the film and music permitting processes;

4. Serving as a technical expert in film production to provide direct economic, cultural, and community development impact to the City;

5. Assisting in the development of policies affecting the City's ability to fund and deliver permitting programs and services to drive economic, cultural, and community growth for Seattle;

6. Advising the OED Director, the Special Events Committee, and manager on policies which may involve long-term impacts to the City, City services, partners, or the public;

7. Providing policy direction related to the Creative Economy and film and music industries, and participating in or leading and interdepartmental team, task force, and other public or internal-facing groups or processes;

8. Leading one administrative staff member in the day-to-day aspects of processing and approving permit applications, such as collecting payment for permits and events, issuing materials, receipts, and deposit returns;

9. Creating a system for alerting people who may be impacted by filming activities, such as an email or United States Postal Service mail program;

10. Creating City-issued identification badges for location scouting;

11. Providing assistance with obtaining Occupational Safety and Health Administration safety passports when required by federal law; and

12. Creating pre-approved signage and documentation communicating the planned timing for film shoots that may be posted in the vicinity of the filming location.

# Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Office of Economic Development (OED) provide recommendations regarding the creation of a film commission to serve as an independent advisory body to the City Council and Mayor on issues related to the film industry in Seattle. In the 2020 Proposed Budget, the resources previously located within the Office of Film and Music (OFM) will be repurposed to advance OED's new Creative Industry strategy. While the key functions of OFM, such as the permitting support for special events and filming, will remain unchanged, OED's broader strategy may result in a diminished focus on the film industry.

OED should determine if a film commission is necessary, and if so, describe the purpose of the commission, desired qualifications of commission members, and what resources would be needed to support the commission. To develop these recommendations, OED should consult with film industry stakeholders and the Office of Arts and Culture, as needed, and provide a report to the Civil Rights, Utilities, Economic Development, and Arts Committee, or successor committee, and the Council Central Staff Executive Director by April 3, 2020.

This Budget Action cuts \$100,000 GF (ongoing) from the Office of Economic Development (OED) for business recruitment and retention consultant services. Last year, the Council adopted Green Sheet 22-4-A-1-2019, which cut \$100,000 from OED's 2019 Adopted and 2020 Endorsed Budgets that was proposed to support Greater Seattle Partners, a public-private regional economic development corporation. # Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Office of Economic Development (OED) and the Mayor's Office (MO) convene a volunteer search committee to provide recommendations for hiring OED's Creative Industry Director. The committee will evaluate applicants and recommend candidates for consideration by the OED Director. As part of the restructuring of the Office of Film + Music included in the 2020 Proposed Budget, this new position replaces what was previously the Director of the Office of Film + Music, and will report to the OED Director.

The search committee should include representatives of workers in the film and music industries, including but not limited to: IATSE Local 488, Studio Mechanics of the Pacific NW; Teamsters Local 174, Motion Picture and Theatrical Trades Division; IATSE Local 600, International Cinematographers Guild; The Directors Guild of America; SAG - AFTRA; AFM Local 76-493; and the International Guild of Symphony, Opera, and Ballet Musicians.

OED and the MO should submit a memorandum containing the membership of the volunteer search committee to the Civil Rights, Utilities, Economic Development, and Arts Committee, or successor committee, and the Council Central Staff Executive Director by February 28, 2020.

This Budget Action adds \$200,000 GF (one-time) to the Office of Economic Development (OED) to provide funding to the Central District Community Preservation and Development Authority (CD CPDA) for costs associated with the redevelopment of the Seattle Vocational Institute (SVI) building in the Central District.

As part of the 2019 Adopted and 2020 Endorsed Budgets, the Council adopted Green Sheet 13-4-B-1-2019, which added \$100,000 GF to Finance General to support a feasibility study for the proposed CD CPDA. The funds were used to match funding from the State of Washington and King County to conduct initial planning and outreach work for the CD CPDA that is expected to be completed at the end of December 2019. Earlier this year, the Washington State Legislature passed and the Governor signed House Bill 1918, establishing the CD CPDA.

Agenda

Tab	Action	Option	Version

The intended source of ongoing revenue for the CD CPDA is rental income from the building currently occupied by SVI, which is owned by Seattle Colleges. Title to the property will be transferred from Seattle Colleges to the CD CPDA following the appointment of its Board of Directors around the end of 2019. The CD CPDA is requesting \$21.5 million in capital construction funding from the State of Washington and \$2 million from King County for design, engineering, construction, and operating costs for an 18-month period before, during, and after construction. This funding will match and support these costs.

# **Budget Action Description:**

This Council Budget Action adds \$100,000 GF (one-time) to the Office of Housing to fund predevelopment and planning costs for a proposed housing project in Little Saigon that will assist American Indian and Alaskan Native individuals and families. Pre-development and planning costs are costs related to planning and development of a project, including, but not limited to: preliminary plans, appraisals, environmental reports, and architectural designs. Housing developers typically use in-house resources or loans or grants from other organizations to fund such costs.

# **Budget Action Description:**

This Council Budget Action adds \$12.75 million GF in funding (one-time) to the Office of Housing (OH) to make financing commitments to affordable rental housing projects (affordable to households with incomes between 30 percent and 60 percent of Area Median Income) that applied for funding in OH's 2019 Notice of Funding Availability (NOFA) process. This funding increase will be accomplished by reducing funding of several programs supported by Mercer Sales Proceeds. Council Budget Action OH-9-A-1 makes these reductions to those programs.

In addition, this CBA states the Council's intent to appropriate \$7 million in additional REET II from 2021-2026. The \$7 million in REET II will be funded from REET II revenues received that are above the REET II forecasts reflected in the 2020-2025 Capital Improvement Program (CIP). If REET II revenues do not

Agenda

Tab	Action	Option	Version

come in above forecast, up to \$5 million in REET II reserve funds will be used and/or REET II revenues currently programmed for the Seattle Parks and Recreation (SPR) Major Maintenance Backlog and Asset Management CIP project (MC-PR-41001) will be redirected. Specific appropriations by source will be made in the 2021 Proposed Budget.

### Background:

The Mayor's 2020 Endorsed Budget included \$45 million of funding to make financing commitments to projects applying to OH's 2019 NOFA. The 2020 Proposed Budget adds \$46 million for the NOFA. Of this \$46 million, \$21 million is supported by revenues from the new authorization granted by the State Legislature for local jurisdictions to implement a local sales tax to fund affordable housing and \$25 million is supported by a \$5 million appropriation of REET II funds annually from 2021 to 2025. This brings total funding available for the 2019 NOFA in the proposed budget to \$91 million. This budget action will increase this amount by \$19.75 million (as detailed above) for a total of approximately \$110.75 million.

# **Budget Action Description:**

The 2020 Proposed Budget adds \$6 million GF (one-time) to the Office of Housing (OH) for an Accessory Dwelling Unit (ADU) Loan Program using proceeds from the sale of the Mercer properties. This budget action imposes a proviso on \$2.5 million of the proposed \$6 million. Prior to releasing the funds, OH is required to complete a Racial Equity Toolkit (RET) on the proposed program and prepare legislation amending the Housing Funding Policies, which includes programmatic details to ensure that the Program is consistent with the Council's policy goals. The policy intent is to develop a loan program for ADUs that help stabilize low-income homeowners, particularly low-income homeowners in areas identified as having a high risk of displacement, and increases access to affordable rental housing in Single-family zones.

The remaining \$3.5 million proposed for the ADU Loan Program is redirected for other Council priorities

Agenda

Tab	Action	Option	Version

(see CBA OH-9-A-1).

This proposal to decrease the investment from \$6 million to \$2.5 million is expected to provide sufficient resources to launch a pilot program. Approximately \$2 million is intended for the loan fund; this will require a competitive bid process. The remaining \$500,000 will support other programmatic requirements (e.g. funding for City staff or contracted services for tenant screenings, landlord training for homeowners, etc.).

This Council Budget Action would impose the following budget proviso:

"Of the appropriation in the 2020 budget for the Office of Housing, \$2,500,000 is appropriated solely for an Accessory Dwelling Unit Loan (ADU) Program and may be spent for no other purpose. Furthermore, none of the money so appropriated may be spent on the ADU Loan Program until authorized by future ordinance."

Budget Action Description:

This Council Budget Action adds \$80,000 GF in 2020 (ongoing) to the Office of Inspector General for Public Safety (OIG) for the retention of legal services in order to receive independent legal advice and representation in policing-related matters, particularly with relation to United States v. Seattle, before the U.S. District Court of Western Washington. This Council budget action also imposes a proviso.

No funding for this purpose was included in either the 2020 Endorsed or the 2020 Proposed Budget. The \$80,000 would provide funding to hire independent legal counsel in the event that the OIG finds itself in conflict with the Seattle City Attorney. This type of conflict happened in 2019 when another police accountability agency, the Community Police Commission, chose to independently file a brief that

Agenda

Tab	Action	Option	Version

responded to an order by the Honorable Judge Robart, pursuant to the 2012 Settlement Agreement between the U.S. District Court and the City of Seattle.

The Seattle City Attorney's Office provides legal services to the Executive and Legislative Branches, except when there is a conflict of interest, specific expertise is required, or existing staff is at capacity. In other instances, a City department may not wish to be represented by the City Attorney's Office because there is disagreement about a particular course of action. In these instances, a department may be required to use its operating budget to retain outside counsel. The cost of outside legal counsel can be difficult for a small city department, such as the police accountability agencies established in Ordinance 125315, to cover within existing appropriation levels.

This Council Budget Action imposes the following proviso:

"Of the appropriation in the 2020 budget for the Office of Inspector General for Police, \$80,000 is appropriated solely for the retention of outside legal counsel for an attorney-client relationship only, and may be spent for no other purpose."

This Budget Action would add 1.0 FTE to the Office of the Inspector General for Public Safety (OIG) for an Operations Manager Position.

Compared with the 2020 Endorsed Budget, the 2020 Proposed Budget adds funding and position authority for two auditor positions: One Senior Auditor \$171,000 (1.0 FTE) and one Auditor \$159,000 (1.0 FTE). Neither the 2020 Endorsed Budget nor the 2020 Proposed Budget provides position authority or funding for an Operations Manager position, which the OIG requested during the development of the Mayor's 2020 Proposed Budget.

OIG staff have expressed a need to increase operational capacity to perform finance, budget, public disclosure, and human resource functions. Many of the finance and human resource duties continue to be performed with the assistance of Legislative Department staff.

This Budget Action imposes a proviso \$150,000 GF in the Office of Planning and Community Development's (OPCD) budget proposed for outreach and engagement work regarding the next major Comprehensive Plan update. The proviso will be lifted after OPCD presents its work plan, including plans for a Racial Equity Toolkit, to the Planning, Land Use and Zoning Committee, or its successor committee.

Under the Washington State Growth Management Act, the City is required to update its Comprehensive Plan every eight years. The next major update is due in 2023. The Urban Village Strategy for growth was adopted as a foundation of the Comprehensive Plan in 1994 and has been the guiding strategy for comprehensive plans in Seattle ever since. The purpose of the urban village strategy is to concentrate growth in "urban villages" and "urban centers" where jobs, transit and services are readily available.

Agenda

Tab	Action	Option	Version
OPCD	1	А	2

In the 25 years since adoption of the first Comprehensive Plan, communities of color throughout the city have been displaced from areas like the Central District. Data suggests that this is largely driven by a lack of housing options, particularly in areas with high access to opportunity north of the Ship Canal, in the face of unanticipated growth. Coupled with restrictions on development capacity, this has led to gentrification of areas such as the Central District, Chinatown-International District, Beacon Hill, Columbia City, and Delridge.

In 2018, the Council adopted Statement of Legislative Intent (SLI) 29-4-B-1, which requested that "OPCD, DON, and OCR prepare a racial equity analysis of Seattle's strategy for accommodating growth" as part of "pre-planning work in anticipation of the next major update to the Comprehensive Plan." The Council has received a preliminary response to this SLI. A final response is due on December 1, 2019.

This Council Budget Action would impose the following budget proviso:

"None of the money appropriated in the 2020 budget for the Office of Planning and Community Development for outreach and engagement regarding the next major update to the Comprehensive Plan may be spent unless the Chair of the Council's Planning, Land Use and Zoning committee, or the successor committee with purview over the Office of Planning and Community Development, files a certification with the City Clerk that the Office of Planning and Community Development, the Department of Neighborhoods, and the Office for Civil Rights have briefed the committee on their work plan for Comprehensive Plan outreach and engagement, including a racial equity toolkit."

# **Budget Action Description:**

This Budget Action imposes a proviso on \$500,000 in the Office of Planning and Community Development's (OPCD's) budget to ensure that certain issues are studied in an Environmental Impact Statement (EIS) if an EIS is required for the next major Comprehensive Plan update. Any EIS would study a range of alternatives. OPCD expects to use these funds to contract with a consultant to prepare the EIS. The proviso requires that the contract with an EIS consultant provides for:

(1) Analysis of a growth alternative addressing additional housing capacity and diversity - including duplexes, triplexes, fourplexes, and row houses - in areas of the city currently zoned exclusively for single-family houses;

(2) Development of strategies to minimize displacement of low-income residents and communities of

color; and

(3) Analysis of an alternative name for single-family areas and single-family zones, such as Neighborhood Residential.

### Background

Seattle's Comprehensive Plan is a 20-year vision and roadmap for Seattle's future growth. A major update is undertaken every eight years. The City expects to adopt its next major update to the Comprehensive Plan update by June 2023. OPCD is conducting pre-planning in 2019 and will formally launch the Comprehensive Plan update process in 2020.

The Comprehensive Plan's "Urban Village Strategy" for growth, adopted in 1994, concentrates jobs, housing, and services into four categories of urban villages. It has been the guiding strategy for Comprehensive Plans in Seattle ever since. Of all the areas that allow residential uses in Seattle, 25 percent allows for multifamily residential development, while 75 percent is zoned exclusively for single-family detached houses.

Seattle has seen unprecedented growth over the last decade, adding more than 120,000 residents since 2010 - and this trend is expected to continue. Since 2006, over 80 percent of Seattle's growth has occurred in urban centers and villages. Only 5 percent of new housing units in Seattle from 2010 to 2017 were built in areas zoned Single-family. Even as the population of Seattle as a whole has increased significantly, the population density in some single-family areas has decreased.

Statement of Legislative Intent 29-4-B-1-2019 requested that "OPCD, DON, and OCR prepare a racial equity analysis of Seattle's strategy for accommodating growth" as part of "pre-planning work in anticipation of the next major update to the Comprehensive Plan." The racial equity toolkit is expected to provide policy options to increase the equity of Seattle's growth strategy and address the legacy of discrimination and exclusion in Seattle's public policies and investments, in particular the inequity inherent in the City's Single-family zoning. Washington State House Bill 1923 amended the Revised Code of Washington to encourage cities to adopt additional methods to accommodate residential growth.

Environmental review will likely be required for any policy options to promote greater economic and racial diversity across Seattle's communities by allowing greater housing flexibility in Seattle's current single-family zones. Any EIS will study a range of alternatives. This proviso requires that changes to single-family zones and other alternatives to minimize displacement be among the alternatives studied if an EIS is prepared for the next major Comprehensive Plan update.

This Council budget action would impose the following budget proviso:

"Of the appropriation in the Office of Planning and Community Development (OPCD), \$500,000 is appropriated solely for the purpose of retaining a consultant or consultants to prepare an Environmental Impact Statement (EIS), if it is determined by OPCD that an EIS is warranted based on the proposed impacts of the next major Comprehensive Plan update. If required, OPCD is expected to sign a contract for consultant assistance to prepare an EIS in 2020. The appropriation may not be used for any other purpose. If OPCD determines that an EIS is necessary for the next major update, OPCD shall file with the City Clerk a contract with a consultant to study a range of alternatives, including, but not limited to:

1. At least one growth alternative that provides additional housing capacity and housing type diversity in all single-family areas.

Agenda

Tab	Action	Option	Version
OPCD	2	В	2

2. At least one growth alternative that uses other strategies to minimize displacement of low-income residents and communities of color.

3. At least one growth alternative that studies an alternative name for Single-family zones, such as Neighborhood Residential.

The areas of study identified (items 1-3 above) may be combined into one alternative or studied separately. In developing the EIS scope, OPCD should consider other actions to increase residential building capacity, such as those listed in RCW 36.70A.600."

# **Budget Action Description:**

This Budget Action adds \$136,291 GF in ongoing support to the Office of Sustainability and Environment (OSE). In September 2019, the Council passed Ordinance 125926, establishing the Green New Deal Oversight Board (Board) and creating an interdepartmental team (IDT) to implement climate actions. The legislation anticipated that both entities would be staffed by OSE, which does not currently have sufficient staff capacity to support either. This action provides staff support for the Board and IDT by adding \$116,291 GF for 1.0 FTE Strategic Advisor 1, assuming a start date of April 1, 2020. It also adds \$20,000 GF to compensate Board members for whom participating on the Board presents a financial hardship; this amount assumes all 19 members qualify for half of the year.

The Strategic Advisor position will provide administrative support for the Board and coordinate the efforts

of the IDT, which will be comprised of representatives from the Department of Parks and Recreation, Seattle Department of Transportation, Office of Planning and Community Development, Seattle Department of Construction and Inspections, Office of Housing, Seattle Public Utilities, Seattle City Light, Office of Economic Development, Seattle Department of Human Resources, Office of Emergency Management, Department of Neighborhoods, the Mayor's Office, City Council, City Council Central Staff, and other departments as needed. The IDT will facilitate the development and creation of annual climate actions for all City departments that will collectively result in the elimination of climate pollutants by 2030, and measure progress towards this goal.

This Budget Action imposes the following budget proviso:

"Of the appropriation in the 2020 budget for the Office of Sustainability and Environment, \$20,000 is appropriated solely for compensation to Green New Deal Oversight Board members for whom participation on the Board presents a financial hardship and may be spent for no other purpose."

This Budget Action reduces one-time Sweetened Beverage Tax (SBT) support for capital improvements in the P-Patch program in the Department of Neighborhood (DON) from \$3,000,000 to \$725,000. Currently, the P-Patch Program receives \$200,000 of Parks District funding annually to support

maintenance but has otherwise not received substantial capital improvement funding since 2008.

The \$2,275,000 decrease in SBT is redirected to other priorities, including those identified by the SBT Community Advisory Board (CAB). This action increases SBT support in the Office of Sustainability and Environment (OSE), Human Services Department (HSD), Department of Education and Early Learning (DEEL) and Seattle Parks and Recreation (SPR) for the following one-time expenditures, all of which are eligible for SBT funding under Seattle Municipal Code 5.53.055:

1. Adds \$75,000 SBT to OSE for consultant services to assess scratch cooking infrastructure at Seattle Public Schools (SPS). SPS Nutrition Services does not currently have the capability to prepare food from scratch, which would improve the freshness, quality, variety, and taste of school food. An assessment of operational and renovation requirements to transition to scratch cooking will provide SPS with recommendations and cost estimates to implement this change;

2. Adds \$300,000 SBT to SPR and \$140,000 SBT to OSE for installation of water bottle filling stations at community centers and Seattle Public Schools, respectively, to encourage youth to drink more water. Investments should be prioritized for neighborhoods with higher proportions of low-income households and people of color;

3. Adds \$735,000 SBT to HSD to provide micro-grants to food banks, meal program sites, and home child care programs for kitchen equipment and supplies, such as refrigerators, commercial grade ovens and other appliances, to help them provide fresh food options;

4. Adds \$225,000 SBT to OSE for consultant services to develop an evaluation plan for all SBTsupported programs. This will assess the evaluation capacity needs across SBT-funded programs and services and create a plan to evaluate these programs and services, including identifying shared measurement protocols to collect common measures;

5. Adds \$100,000 SBT to DEEL to provide grants to community-based organizations, such as WestSide Baby, that work to provide diapers to families of diaper-aged children for whom a lack of access to diapers presents a barrier to using and accessing childcare services, or for families who access diapers via food banks, shelters, enhanced shelters, and tiny home villages;

6. Adds \$375,000 SBT to DEEL to evaluate how the City can facilitate connecting families with childcare providers and develop strategies and models based on best, promising, or emerging practices to address the lack of affordable and accessible childcare for infant and toddler care (0-3 years of age) from other jurisdictions. DEEL should work with community-based organizations, providers, organized labor, and other relevant stakeholders to research and identify strategies and models, including non-center based models, to expand childcare access and infrastructure in the birth to three age group for all families in Seattle;

7. Adds \$225,000 SBT to OSE for an additional 450 Fresh Bucks vouchers, which received a \$2,000,000 SBT ongoing increase in the 2020 Proposed Budget. This allows OSE to offer a total of 6,450 vouchers to both SNAP-eligible residents and those in the "food security gap" (i.e., people who experience food insecurity but do not qualify for other food assistance programs); and

8. Adds \$100,000 SBT to OSE for consultant support to assist with the CAB's annual report and other materials, and analyze key issue areas, such as opportunities and gaps in prenatal-to-aged three programs and services in Seattle.

Agenda

Tab	Action	Option	Version		
OSE	2	D	1		

This Budget Action imposes the following proviso:

"Of the appropriations in the 2020 budget for the Department of Neighborhoods, \$725,000 is appropriated for capital improvements for P-Patch gardens located within Healthy Food Priority Areas, as presented on page 22 of the Healthy Food Availability & Food Bank Network Report, published in February 2019, and may be spent for no other purpose. Furthermore, the Council anticipates that funding will be prioritized for gardens located within areas where all three factors - lower income, longer travel times to healthy food retailers, and higher percentage of unhealthy food retailers - are present."

The intent of this proviso is to ensure that SBT funds are used only for P-Patch gardens that support communities with the greatest need for healthy food options. DON should consult with the SBT CAB as it develops a strategy for allocating this funding.

# Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Office of Sustainability (OSE) collaborate with the Office of Housing (OH) to establish high-road contracting standards for electric heat installers, as per the high-road standards and practices established by Resolution 31232 in 2010. Between 2010 and 2014, OSE administered a federally-funded Community Power Works program that offered loans and rebates for eligible energy efficiency improvements to homes. For this program, OSE developed a Community High-Road Agreement (HRA) workforce agreement focused on providing good jobs, equitable access, and quality work. The HRA encouraged living-wage jobs with benefits, training opportunities, and safety guarantees; ensured that all types of businesses and workers, including those in historically underrepresented groups, had access to the program's economic opportunities; and included quality assurance mechanisms to promote high-quality energy efficiency improvements.

The City has set a goal of converting all homes heated by oil to electric heat or to a modern tank by 2029 and is funding the conversion of oil heat systems to electric systems for eligible low-income households using the proceeds from the Heating Oil Tax, enacted by Ordinance 125934. The conversions will be administered by OH. OSE and OH should set up conditions for an HRA with electric heat installers contracted for these conversions. Additionally, OSE should explore the possibility of creating a list of electrical contractors who are willing to agree to an HRA and determine if the City can prioritize these contractors for City-funded projects.

OSE should submit a report to the Sustainability and Transportation Committee, or successor committee, the Council Central Staff Executive Director, and the Green New Deal Oversight Board by June 30, 2020.

### Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests Seattle City Light (SCL) report to the Sustainability and Transportation Committee, or its successor, and the Central Staff Director by July 31, 2020 regarding how SCL's proposed 2021-2026 Strategic Plan and rate design will be consistent with the goals of Resolution 31895, namely:

A. Make Seattle free of climate pollutants, meaning those that cause shifts in climate patterns, including carbon dioxide, black carbon, methane, nitrogen oxides, and fluorinated gases, by 2030;

B. Prioritize investment in communities historically most harmed by economic, racial, and environmental iniustice:

C. Advance an equitable transition from an economy based on extraction and exploitation to one based on regeneration and cooperation, ensuring that those with the least amount of power and wealth are positioned to lead during this transition and are not left behind; and

D. Create stable, well-paying jobs that prioritize local hire and are protected by Project Labor Agreements and Labor Harmony Agreements to ensure high-quality work and fair treatment of workers.

SCL is expected to transmit for Council's consideration the proposed 2021-2026 Strategic Plan and the rate design in the second quarter of 2020.

Seattle has committed to eliminating all climate pollution by 2030 as part of Seattle's Green New Deal Resolution (Resolution 31895). To fulfill this commitment, Seattle will need to convert rapidly from the use of fossil fuels as energy sources for the operation of vehicles and buildings to the use of all-electric modes of transportation and building energy systems.

In 2005, SCL became the first electric utility in the country to achieve zero net greenhouse gas emissions.

### Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests Seattle City Light (SCL) in collaboration with Seattle Department of Transportation (SDOT) and the Office of Sustainability and the Environment (OSE) to report to the Sustainability and Transportation Committee, or its successor, and the Central Staff Director by July 31, 2020 on:

The expected impacts to SCL, SDOT and OSE on the operations and capital projects resulting from shifting to exclusive use of electricity for 100 percent of the power demands of buildings and all modes of local transportation (including private vehicles, light duty vehicles, public transportation and port operations) in the City of Seattle by 2030. The report should include answers to the following questions:

A. How would SCL meet the increased demand for electric power, including impacts on infrastructure?

B. How would SDOT incorporate full electrification into its transportation planning, infrastructure investment, and cross-agency coordination?

C. How would OSE adjust its cross-agency coordination, monitoring of compliance, and measuring of progress?

D. What are the key milestones to achieve complete electrification of local transportation and buildings in Seattle by 2030?

### **Budget Action Description:**

This budget action imposes a proviso on appropriations in the Seattle Department of Construction and Inspections (SDCI). Expenditures subject to the proviso will be limited to use for updates to green building standards administered by SDCI, as follows:

"Of the appropriations in the 2020 Budget to the Seattle Department of Construction and Inspections, \$63,000 is appropriated solely to develop updates to green building standards and green-building incentive programs, which will be proposed to the Council, and may be spent for no other purpose. The Council anticipates that proposed updates will include incentives to use FSC-certified cross-laminated timber as a construction material."

SDCI administers a variety of programs and regulations that require or provide incentives for using green building practices. These programs include incentives for new downtown buildings to meet a United

States Green Building Council Leadership in Energy and Environmental Design (LEED) standard, an incentive pilot program to meet Living Building Challenge standards, and incentives to develop to the Built Green 4-star standard. These programs and regulations were established at various times and were intended to accomplish somewhat different objectives. A comprehensive review of the programs and regulations will help the Council understand whether the programs should be revised to help the City achieve its overall green building and climate protection objectives.

### Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Office of Planning and Community Development (OPCD) and the Seattle Department of Construction and Inspections (SDCI) develop, and conduct any necessary associated environmental review, on a regulatory proposal to limit development of new fossil fuel production and storage facilities within the Seattle city limits.

In August 2019 the Council passed Resolution 31896, which established the docket of Comprehensive Plan amendments the Council will consider in 2020. Resolution 31896 contemplates that the Council will consider the following types of policy changes related to fossil fuels and public health:

"Section 5. Amendments related to fossil fuels and public health. The Council requests that OPCD, in consultation with the Seattle Department of Construction and Inspections, the Office of Sustainability, and the Environmental Justice Committee, draft, evaluate, undertake environmental review and provide recommendations for potential amendments to the Environment, Land Use or Utilities Elements that would clarify the City's intent to protect the public health and meet its climate goals by limiting fossil fuel production and storage."

Any policy and / or regulatory proposal related to the location of fossil fuel production and storage facilities in Seattle's shorelines may be combined with the 2020 update to the Seattle Shoreline Master Program, for which Comprehensive Plan amendments may be adopted outside of the annual Comprehensive Plan amendment cycle.

The report should be submitted to the Chair of the Planning, Land Use and Zoning Committee, or its successor committee, and the Central Staff Executive Director, by June 30, 2020.

### **Budget Action Description:**

This Budget Action adds 1.0 term-limited FTE Electrical Inspector and \$111,535 GF to the Seattle Department of Construction and Inspections to enforce state laws and regulations applicable to electrical contractors. The GF appropriation includes \$35,000 for a one-time vehicle purchase for the inspector. The position would start mid-2020 and run through the end of 2021.

In 2018 the Washington State Legislature passed ESHB 1952. That bill authorizes cities and towns that administer locally adopted electrical codes, like the City of Seattle, to enforce state laws and regulations that are intended to combat the use of unlicensed electrical contractors and uncertified electricians. State law allows local governments enforcing state regulations to pursue civil penalties of \$50 - \$10,000 for violations of state licensing regulations and \$50 - \$500 for hiring electricians who are not certified or for a contractor failing to maintain minimum supervision ratios between trainees and apprentices and

more experienced electricians.

Electrical inspectors at the Washington State Department of Labor and Industries' Electrical Compliance, Outreach, Regulation, and Education (E-CORE) Team currently enforce these regulations. King County has one assigned E-CORE inspector. In 2019, E-CORE issued 6,050 citations, a 19 percent increase over the previous year. Most citations were associated with work involving out-of-state, unlicensed electrical contractors.

#### **Budget Action Description:**

This action adds position authority for 1.0 FTE Housing and Zoning Technician and 1.0 FTE Code Compliance Analyst and \$235,684 GF in appropriation authority to the Seattle Department of Construction and Inspections (SDCI) Compliance BCL to improve outreach and education and facilitate implementation of new tenant protection regulations.

Not including inspectors, SDCI currently has five staff in the Property Owner and Tenant Assistance (POTA) Group who help administer regulations related to tenant protections. Since 2018 customer service calls by landlords and tenants to SDCI's complaint center have increased by 29 percent. Similarly, the length of time to resolve enforcement action related to violations of tenant protection regulations has doubled from approximately 29 days to 58 days.

Agenda

Tab	Action	Option	Version
SDCI	5	А	2

In September the Council passed five bills that modify or create new tenant protections. These include Council Bill (CB) 119606, which limits the ability of a landlord to restrict the number of tenants who reside in a unit, and CB 119658, which establishes that a tenant who is subject to domestic violence is not liable for damage caused by an abuser. The other three bills require that notices to terminate, enter, and increase housing costs refer tenants to City resources to find out their rights (CB 119619); that landlords provide receipts and non-electronic payment options to tenants (CB 119620); and that landlords comply with the Rental Registration and Inspection Ordinance (RRIO) program before notices may be issued to terminate a tenancy (CB 119621).

SDCI estimates that two ongoing positions are needed to address the existing workload and implement new regulations: (1) 1.0 FTE Housing and Zoning Technician (\$95,206 annually) to staff complaint and assistance phone-lines and (2) 1.0 FTE Code Compliance Analyst (\$125,477 annually) to provide outreach on City laws to landlords and tenants. Additionally, SDCI estimates that one-time funding of \$7,000 and ongoing funding of \$8,000 is needed to develop and maintain outreach materials.

The proposed appropriation would fund two tenant rights attorney to provide eviction defense legal support.

The 2020 Endorsed and Proposed Budgets include an ongoing appropriation of \$615,000 for tenant services grants and contracts. The 2019 Adopted Budget also included \$96,000 for eviction defense legal services. That appropriation was one-time and is not included in the Mayor's proposed budget. ### **Budget Action Description:**

This budget action recommends passage of Council Bill (CB) 119669. CB 119669 would amend the Seattle Department of Construction and Inspections (SDCI) fee ordinance. Most fees are proposed to be increased to implement inflationary adjustments and to reflect anticipated annual wage increases that will be effective January 1, 2020, when the CB would go into effect.

The fee adjustments proposed by this legislation will result in an estimated net increase in SDCI's 2020 fee-based revenue of \$1.2 million. Fee revenues are calculated to cover the costs of SDCI's permitting, inspection and enforcement functions and are used for those activities.

### **Budget Action Description:**

This Budget Action adds \$60,000 GF (ongoing) to the Seattle Department of Construction and Inspections (SDCI) Compliance BSL to contract with community-based organizations for renter outreach, education, and organizing. This action also: (1) reduces by \$35,000 an appropriation in the Seattle Police Department for an administrative assistant position to reflect a delayed hiring date and (2) reduces by \$25,000 an appropriation in the Seattle Department of Transportation for congestion pricing outreach.

Of the appropriation to SDCI, the Council expects that the funding would be contracted to non-profit organizations with experience organizing LGBTQ renters to aid LGBTQ seniors; general renter organizing; renter advocacy; and direct outreach to renters, such as door-knocking.

Consistent with the 2020 Endorsed Budget, the proposed budget includes an ongoing appropriation of

### **Budget Action Description:**

Pass Council Bill (CB 119688). This bill would establish a new employee giving program for charitable contributions. The legislation would replace the SDHR Director's administration of an annual campaign for charitable contributions through payroll deductions with an annual campaign conducted by a "designated campaign administrator" – a qualified nonprofit, third-party administrator that would provide full campaign support and distribute employee donations.

The City has administered an employee giving program with annual campaigns and payroll deductions since 1988. SDHR states that as program expanded, staffing did not increase to meet intensified program demands. In 2017 and 2018, the program underwent an audit and investigation, both of which recommended substantial changes to institute strong program management and strengthen internal controls over cash receipts. One of the recommendations was to consider third party administration of

the workplace giving campaign. In the 2018 Proposed Budget, SDHR proposed reducing the program's staffing in favor of transferring the program to an external organization, such as United Way of King County. The 2018 Adopted Budget abrogated the identified position and, since then, SDHR has taken steps to discontinue payroll deductions as of January 7, 2020.

This Council Budget Action would add \$150,000 of School Safety Traffic and Pedestrian Improvement Fund (SSTPI Fund) to fund a new position at Seattle Public Schools. The work of the new position will be to support walk-to-school and bike-to-school programs across the school district and support the school

district's efforts to ensure that crossing guard positions are filled. This staffing would help address disparity across schools, some of which rely on volunteer support to fulfill these roles. The SSTPI Fund is currently projected to have an unreserved fund balance of \$3 million at the end of 2020.

The intent of this Council Budget Action is to fund this position for at least 5 years. The appropriations would enable the Seattle Department of Transportation to enter an interagency agreement with Seattle Public Schools to provide funding for the Seattle Public Schools position.

## **Statement of Legislative Intent:**

Council requests that the Seattle Department of Transportation (SDOT) provide a report identifying the amount of SDOT's annual expenditures to maintain bicycle infrastructure and recommending accounting and budget process changes to measure this spending from year to year.

The 2020 Proposed Budget includes \$38,722,268 for the Maintenance Operations Budget Summary Level (BSL). The Maintenance Operations BSL provides appropriations for routine maintenance of the City's right-of-way, including roadways, sidewalks, and landscaping. Within this BSL, the budget does not identify specific funding for maintenance of bike facilities, such as protected bike lanes and trails.

Council requests that SDOT (a) identify the amount of annual funding for maintenance of bike facilities; (b) identify accounting and budget process changes to clearly identify this category of spending in future budget proposals; and (c) work with the Seattle Bike Advisory Board and stakeholders to develop a list of priority locations for ongoing maintenance.

Council requests that SDOT report to the Sustainability and Transportation Committee (or successor committee) and the Central Staff Director by April 1, 2020.

### **Budget Action Description:**

This Council Budget Action would add \$300,000 and 1.0 FTE Strategic Advisor 1 position to support implementation of the Transportation Equity Agenda in SDOT's Mobility Operations BSL. This Council Budget Action would also cut \$300,000 in Transportation Network Company Tax from Finance General Reserves.

SDOT's Transportation Equity program relies on Seattle Transportation Benefit District (STBD) funding and revenues from the Residential Parking Zone (RPZ) program. The Transportation Equity program manages the low-income transit access and vehicle license fee rebate programs authorized by STBD Proposition 1. In the 2018 Adopted Budget, Council added \$230,000 and a term-limited 1.0 FTE Strategic Advisor 1 to establish a Transportation Equity Work Group and to develop a Transportation Equity Agenda for the department. The work of the Transportation Equity Work Group was anticipated to

Agenda

Tab	Action	Option	Version
SDOT	3	В	1

be complete by the end of 2019, but the start of the work was delayed, and recommendations are now anticipated to be complete in Spring 2020. The Strategic Advisor 1 position was created as a term-limited temporary assignment through April 2021.

The 2020 Proposed Budget includes baseline STBD and RPZ funding for the Transportation Equity program, but it does not include any additional funding to implement the Transportation Equity Agenda. SDOT anticipates that these resources and carry-forward of the remaining portion of the \$230,000 will be sufficient to complete the work of the Transportation Equity Work Group. SDOT is waiting for the recommendations to be complete before identifying implementation steps and resource needs.

The intent of this Council Budget Action is to provide resources and staff to oversee implementation of the agenda and provide funding for recommendations that are not budget neutral, for example helping resource community organizations for community outreach. The Transportation Equity Agenda is anticipated to include recommendations for:

(1) affordability, housing and displacement;

(2) community engagement;

(3) transit access;

(4) transparency; and

(5) safety.

## **Budget Action Description:**

This Council Budget Action would redirect an additional \$2 million of Mercer Megablock property proceeds to the Bike Master Plan - Protected Bike Lanes Capital Improvement Program (CIP) project (MC-TR-C062), resulting in a total of \$10.35 million of Mercer Megablock proceeds to implement bike infrastructure projects serving South Seattle. This Council Budget Action would also add the following proviso on the SDOT budget:

Agenda

Tab	Action	Option	Version
SDOT	4	В	1

"Of the appropriations in the 2020 budget for the Seattle Department of Transportation's Mobility-Capital BSL, \$10,350,000 is appropriated solely for implementation of bicycle facilities on (1) Martin Luther King, Jr. Way (Rainier to Henderson St), (2) Beacon Avenue (Jose Rizal Bridge to S 39th St), and/or (3) Georgetown to South Park Trail and may be used for no other purpose."

In September 2019, Council adopted Resolution 31894 requesting that the Executive identify funding in the 2020 Proposed Budget for bicycle infrastructure projects that were not fully funded in the 2019-2024 Bicycle Master Plan Implementation Plan. The three facilities listed in the proposed proviso were identified in Resolution 31894.

The 2020-2025 Proposed CIP would allocate \$8.35 million of Mercer Megablock proceeds across multiple years (2020 thru 2023) in the Bike Master Plan – Protected Bike Lanes CIP project. Of these funds, \$500,000 is proposed to be appropriated in 2020.

This Council Budget Action would appropriate an additional \$2 million of Mercer Megablock proceeds in 2020 for the Bike Master Plan – Protected Bike Lanes CIP project; and it would move \$7.85 million that the 2020-2025 Proposed CIP intends to spend in future years (2021, 2022, and 2023) to 2020. This would allow the spending proviso to apply to the \$10.35 million of total Mercer Megablock property proceeds identified in this Council Budget Action. Under state law, unspent capital appropriations automatically carry forward, with proviso restrictions, to subsequent years.

The 2020 Proposed Budget would direct \$9.2 million of the Mercer Megablock property proceeds to backfill lower than anticipated Commercial Parking Tax revenue. This Council Budget Action would reduce the Proposed Budget's Commercial Parking Tax backfill from \$9.2 million to \$7.2 million. Commercial Parking Tax revenue is projected to be \$2.7 million lower in 2019 (compared to the 2019 Adopted Budget) and \$3.2 million lower in 2020 (compared to the 2020 Endorsed Budget).

Commercial Parking Tax revenues are managed as a subfund within the Transportation Fund. The 2020 Proposed Budget projects that the Commercial Parking Tax subfund would maintain a positive unrestricted fund balance through 2023, when the remaining fund balance is projected to be \$8 million, and it projects a negative fund balance beginning in 2024. This Council Budget Action would result in a lower Commercial Parking Tax subfund balance of \$6 million in 2023.

The impact of this Council Budget Action on the Bike Master Plan - Protected Bike Lanes CIP Page is shown in Attachment A.

### **Budget Action Description:**

This Council Budget Action would establish a new West Marginal Way Safe Street and Accessibility Improvements CIP project in the Seattle Department of Transportation (SDOT) and add \$500,000 of General Fund (TNC Tax) for pedestrian safety improvements at West Marginal Way near the Duwamish Longhouse and Cultural Center. The project would include a pedestrian-activated traffic signal and marked crosswalk, sidewalk pavement on the west side of West Marginal Way, Americans with Disabilities Act (ADA) accessible crossing of railroad track to the Duwamish Trail, and ADA accessible connection to the Duwamish Tribe's Herring's House parking lot. SDOT estimates this project will cost \$3.25 million: \$250,000 for planning, \$500,000 for design, and \$2.5 million for construction.

This Council Budget Action includes \$500,000 of General Fund (TNC Tax) to fund a portion of the planning and design work. The funding is made available in Council Budget Action SDOT-201-A-1 and

## Statement of Legislative Intent:

In August 2019, Council adopted Ordinance 125889 which authorized \$9 million to conduct additional design and engineering on the Center City Streetcar. The additional work will enable the Seattle Department of Transportation (SDOT) to provide a new baseline cost and schedule for the project.

This Statement of Legislative Intent requests that SDOT provide a report detailing the following:

(1) The new baseline project cost estimate, an anticipated project development schedule, and a funding plan for how SDOT intends to pay for the project capital costs. The funding plan should include an identified contingent source of construction funding if SDOT does not receive the \$75 million Small Starts Grant from the Federal Transit Administration; and

(2) A detailed accounting of the anticipated operating costs for the consolidated streetcar system with the Center City Streetcar, along with a detailed funding plan identifying the anticipated sources for covering these costs.

The Council requests that the report be submitted to the Sustainability and Transportation Committee (or successor committee) and the Central Staff Director by September 1, 2020.

## **Budget Action Description:**

This Council Budget Action would add \$150,000 of General Fund (TNC Tax) to the Seattle Department of Transportation (SDOT) for a neighborhood focused public life study of Capitol Hill to be delivered in partnership with one or more community organizations, such as the Capitol Hill EcoDistrict. This funding is intended to support community engagement, community-based design, planning, and visioning efforts for Capitol Hill.

A public life study seeks to evaluate and characterize the use of public space (i.e., how is public space being used and who is using the public space) to provide insight into how design, activation, social behavior, built environment, and urban form influence public activity. SDOT's 2018 Public Life Study evaluated 108 block faces across the city, including 4 locations in Capitol Hill. Consistent with the 2020 Endorsed Budget, the 2020 Proposed Budget does not include any funding for such a study.

## **Budget Action Description:**

This Council Budget Action recommends passage of Council Bill 119699.

This legislation would adjust the fee schedule for free floating car share permits to reduce the annual per vehicle Restricted Parking Zone (RPZ) fee from \$700/year to \$200/year. This would reduce the total free floating car share per vehicle fee from \$1,730/year to \$1,230/year.

Agenda

Tab	Action	Option	Version
SDOT	17	А	3

The RPZ fee was initially established in 2012 at \$200/year to cover costs for administrating car share permitted vehicles in RPZ zones. The RPZ fee was later increased in 2015 to \$700/year to account for higher administrative costs as the car share permitting program was expanded to allow more operators and vehicles. A portion of the RPZ fee is used to support activities to expand access to improved mobility options, including for low-income residents. Expenditures in this program area have been lower than projected due to staffing changes, and SDOT has accrued a balance of funds for this program

Since 2015, Seattle has seen an increase in alternative transportation services, including free floating bike share and transportation network companies. In 2019, two free floating car share operators (ReachNow and Limepod) ceased operations, leaving one operator (Car2Go) in Seattle. The 2020 Endorsed Budget anticipated 1,938 permitted car share vehicles. The current projection for 2020 is 750 permitted car share vehicles.

A reduced RPZ permit fee of \$200/year would fully recoup the administration costs associated with free floating car share in the current market environment. There is no anticipated 2020 impact to SDOT's mobility options program, however future expenditures will need to be aligned to expected revenues in the 2021 budget and beyond.

This Council Budget Action would reduce Transportation Fund revenues by \$1,325,400 in 2020. This reduction consists of two components: (1) a \$950,400 in 2020 to reflect fewer vehicles permitted than was anticipated in the 2020 Proposed Budget, and (2) a \$375,000 reduction to reflect the lower RPZ fee proposed in Council Bill XXXX.

While RPZ Fee proceeds are directed to the Transportation Fund, a portion of the remaining fees included in the Car Share vehicle permit are directed to the General Fund. The reduction in anticipated General Fund in 2020 due to the reduced number of anticipated vehicles is \$1,104,840. This revenue adjustment will be included in a separate Council Budget Action for CBO's November Revenue Update.

## **Budget Action Description:**

This Council Budget Action would add \$350,000 of General Fund (TNC Tax) for the construction of Home Zone pilot program projects in 2020.

In the 2019 Adopted Budget, Council approved \$350,000 for the Home Zone pilot program to fund traffic calming measures (such as diverters and speed humps) on clusters of residential streets to create people-centered zones within the arterial grid. Working with community advocacy groups, SDOT evaluated 20 potential locations and developed conceptual plans for four of these locations. Ultimately, SDOT selected 2 locations (Broadview South and South Park) for funding in 2019. Consistent with the 2020 Endorsed Budget, the 2020 Proposed Budget did not include funding for any additional Home Zone pilot program investments.

## Statement of Legislative Intent:

Council requests that the Seattle Department of Transportation (SDOT) and the City Budget Office (CBO) provide a report on the schedule and status of third party funding discussion with Sound Transit on the West Seattle and Ballard Link Extension project.

Through Sound Transit's environmental process, the Sound Transit Board has identified Preferred Alternatives for the Sound Transit project with third party funding. Sound Transit intends to release a Draft Environmental Impact Statement for the project in 2020. Council requests that SDOT and CBO report on the process and schedule for the City to discuss third party funding options with Sound Transit, including identifying key decision points and summarizing funding discussions to date.

Council requests that SDOT and CBO report to the Sustainability and Transportation Committee (or successor committee) and the Central Staff Director by July 1, 2020.

## **Budget Action Description:**

This Council Budget Action amends Council Bill 119670 and recommends passage of the legislation as amended.

This legislation would increase the annual fee for Commercial Vehicle Load Zone permits from \$195 to \$250 per permit. This fee was last adjusted in 2011. The legislation would also increase the Temporary No Parking fees (also known as meter hooding) by \$2 per day, resulting in a total fee of between \$17 and \$27 per day (depending on location). These additional fees would, in part, support the addition of a 1.0 FTE in the Commercial Vehicle Enforcement program and a 1.0 FTE for the Traffic Permits Counter that were included in the 2020 Proposed Budget.

The legislation as proposed by the Executive would also increase the monetary penalty for parking

infractions in Commercial Vehicle Load Zones from \$53 to \$63. After the legislation was submitted with the 2020 Proposed Budget, Seattle Municipal Court (SMC) staff noted that the legislation would conflict with SMC's rules related to infraction fee changes, which specify a process for updating the infraction fee. The Executive has requested that Council consider amending the legislation to remove the change to the infraction fee. There is no revenue adjustment associated with this amendment as the 2020 Proposed Budget did not incorporate the \$10 fee increase in SDOT's revenue projections.

The proposed amendments to CB 119670 are shown in Attachment A.

## **Budget Action Description:**

In January 2019, the Executive announced the position of Director of Citywide Mobility to lead Seattle's efforts in addressing congestion impacts related to the "Seattle Squeeze," starting with the permanent closure of the Alaskan Way Viaduct. The Executive created this position as a term-limited temporary

position, and the 2020 Proposed Budget includes funding for this position to continue through 2020. More recently, the Executive informed Council that the operational planning and preparation work conducted by this position would be completed by the end of 2019 and that the position would end.

The proposed 2020 funding for this position is included in the FAS budget, with costs recovered through allocation rates to City Departments. Funding for this position includes \$134,150 of General Fund, \$8,750 from the Seattle Department of Construction and Inspections (SDCI), \$18,100 from the Retirement Fund (RET), \$30,100 from Seattle Public Utilities (SPU), \$39,125 from Seattle City Light (SCL), and \$19,775 from SDOT.

This Council Budget Action would cut funding in 2020 for this position, freeing up \$134,150 of General Fund for other Council priorities. The remaining funds would see a corresponding reduction in FAS billing for citywide services.

## **Budget Action Description:**

This Council Budget Action recommends passage of Council Bill (CB) 119677 authorizing the extension of the term of an interfund loan to the Central Waterfront Improvement Fund (CWIF); changing the lending fund from the Move Seattle Fund to the Real Estate Excise Tax (REET) I Capital Project Fund; and reducing the amount of the existing interfund loan from \$31,225,000 to \$12,225,000.

Currently, the term of the interfund loan to the CWIF expires on December 31, 2019. This legislation would extend the term to December 31, 2023 until sufficient funds from philanthropic contributions, bonds sales, and reimbursements from private utilities are available to repay or have repaid the loan.

## Background

CWIF is a single fund from which multiple departments draw funding resources. The fund tracks the

interfund loan and philanthropic funds as well as other revenues. The fund supports certain costs associated with the design and construction of the waterfront improvement program and related costs for City administration, including the Office of the Waterfront and Civic Projects. Appropriations made from the Central Waterfront Improvement Fund are for these purposes.

### Related legislation

CB 119678 would authorize a \$19,000,000 interfund loan from the REET I Capital Project Fund to the Local Improvement District (LID) No. 6751 Fund ("Waterfront LID Fund") to pay the costs of LID Improvements. Considered together, the sum of the interfund loans authorized by C.B. 119677 and C.B. 119678 is the same as the current interfund loan amount for Waterfront spending: \$31,225,000.

This Council Budget Action recommends passage of (CB) Council Bill 119678 authorizing a \$19,000,000 interfund loan from the Real Estate Excise Tax (REET) I Capital Project Fund to the Local Improvement District (LID) No. 6751 Fund (Waterfront LID Fund) to pay the costs of LID Improvements in anticipation of the issuance of LID Bonds expected in late 2020.

### Background

With formation of the Waterfront LID and the creation of the new Waterfront LID fund in January 2019, it is recommended that expense of LID-eligible projects of the Central Waterfront be segregated from other expenses in anticipation of LID-eligible cost reimbursement by LID bond revenues. With the passage of 119678, the CWIF will no longer be used for costs eligible to be repaid with future LID bond proceeds.

These projects are eligible for reimbursement by LID bond revenues:

## Promenade

A continuous public open space extending along the west side of Alaskan Way from King Street to Pine Street.

### Overlook Walk

An elevated pedestrian bridge situated at the terminus of the Pike/Pine corridor, would include several buildings, an elevated lid over the surface street, open space with excellent view amenities, and an accessible pedestrian pathway with many connections between the Pike Place Market and the waterfront.

### Pioneer Square Street Improvements

Streetscape and new roadway/ sidewalk improvements to portions of S Main Street, S Washington Street, Yesler Way and S King Street from Alaskan Way/First Avenue east to 2nd Avenue S.

### Union Street Pedestrian Connection

A universally accessible pedestrian link between the new waterfront and Western Avenue. An elevated pedestrian walkway and elevator extends from the southwest corner of Union Street and Western Avenue to the eastern side of Alaskan Way.

### **Pike/Pine Streetscape Improvements**

Pedestrian improvements along Pike and Pine streets from First Avenue to Ninth Avenue, providing enhanced pedestrian access to and from the Pike Place Market and waterfront.

### Waterfront Park

A rebuilt pier park located at the base of Union Street, would provide a unique atmosphere for social gathering/performance spaces with excellent view amenities.

## **Related legislation**

This Council Budget Action would establish a new CIP project in the Seattle Department of Transportation (SDOT) and add \$1.76 million of General Fund for implementation of the Thomas Street Redefined project. The project makes improvements to Thomas St from 5th Ave N to Dexter Ave N, including but not limited to:

(1) a half block closure of 5th Ave N and Thomas St to create a public plaza adjacent to the Seattle Center skatepark;

- (2) a 36' wide pedestrian and bicycle promenade from 5th Ave N to Dexter Ave N; and
- (3) a protected intersection at Dexter Ave N and Thomas St.

Agenda

Tab	Action	Option	Version
SDOT	912	А	1

The project will be coordinated with streetscape improvements funded by Seattle City Light for the street frontage of the Broad Street Substation and intersection improvements at 7th Ave N and Thomas St funded by the Washington State Department of Transportation.

The 2020 Proposed Budget included \$990,000 of Landscape Conservation and Local Infrastructure Program (LCLIP) funds and \$2 million of Mercer Megablock proceeds (in the Bike Master Plan – Greenways CIP project) for the Thomas Street Redefined project. SDOT intends to request an additional \$1.1 million of LCLIP funds in the Fourth Quarter 2019 Supplemental Budget for this project. With these sources of funds, the project has an estimated funding gap of \$3.8 million.

The funding for this Council Budget Action includes \$1.25 million of anticipated 2020 Transportation Network Company tax revenue (General Fund) identified in SDOT-201-A-1, and \$510,000 of reprioritized General Fund resources.

The proposed Thomas Street Redefined CIP page is shown in Attachment A. The proposed CIP page shows only the additional funds included in this Council Budget Action. Existing resources for this project could be consolidated in this new CIP project through subsequent supplemental budget action.

This Council Budget Action also adds \$40,000 of reprioritized General Fund resources for the Human Services Department (HSD) to create and evaluate a rental assistance pilot for individuals who 1) are age 50 or older, 2) have income limited to federal disability benefits, specifically Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI), that is no more than \$1,000 per month, and 3) are at risk of or currently experiencing homelessness. This funding is in addition to Council Budget Action HOM-13-B-1, which adds \$700,000 of General Fund for this purpose.

This Council Budget Action imposes the following proviso:

"Of the appropriations in the 2020 Budget for the Addressing Homelessness BSL, \$40,000 is appropriated solely to provide rental assistance and case management for no more than 12 months to disabled individuals over the age of 50 who are homeless or at-risk of experiencing homelessness due to a transition onto federal disability programs, and to evaluate the effects of that program, and may be spent for no other purpose."

## **Statement of Legislative Intent:**

Council requests that SDOT develop an administrative plan and supporting budget proposal to make all public transit in Seattle (including bus, light rail, and streetcar) free to ride. Models to investigate could include providing ORCA passes with public funding, requiring employers to provide ORCA passes to employees, and establishing a Seattle Ride Free Zone.

Council requests that SDOT report to the Sustainability and Transportation Committee (or successor committee) and the Central Staff Director by June 1, 2020.

## **Budget Action Description:**

This Budget Action would add \$600,000 GF to the Seattle Fire Department (SFD) in 2020 to augment one recruit class.

The Endorsed and Proposed Budgets include base-level funding for two recruit classes, each containing approximately 30 recruits. This Budget Action would provide funding that is sufficient to fund nine additional candidates for one recruit class. SFD staff have indicated that a larger recruit class would allow the department to fill vacancies more quickly.

SFD staff have indicated that an aging workforce is creating a number of firefighter vacancies that are not being filled quickly enough. SFD staff have noted that: 1) 25 percent of SFD Firefighters are 53 years of age or older and are eligible for retirement; and 2) 38 percent of SFD Firefighters are 50 years

## **Budget Action Description:**

This budget action recommends passage of CB 119675, which authorizes an interfund loan of up to \$2,000,000 from the Information Technology (IT) Fund to the Cable Television Franchise (CTF) Fund to support CTF Fund programs in Seattle Information Technology (Seattle IT). The CTF Fund receives revenue from franchise fees that cable providers pay to the City as compensation for using the public right-of-way to provide cable television services.

Cable provider customers have been "cutting the cord," largely through switching to on-line streaming services. In 2016, revenue to the CTF Fund was \$9.5 million. Since that time, revenues have continued to fall. The financial plan for the CTF Fund from the 2019 Adopted Budget projected \$8.6 million in franchise fee revenue for 2018. The actual amount collected in 2018 was \$7.7 million, a shortfall of about \$900,000. The 2020 Proposed Budget anticipates that - without an inter fund loan or other changes - the

CTF Fund will enter a deficit cash position for more than 90 days during 2020 due to cash flow projections given the revenue decline.

To repay the loan by December 31, 2020, Seattle IT plans to under spend in CTF Fund programs in 2020, which will build available cash in the fund. Another potential repayment option is revenue from the 2019 Information Technology Fund rate true-up.

## Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests that the Seattle Police Department (SPD) examine its Charge By Officer (CBO) program. The analysis should determine how CBO cases are used by SPD, LAW and SMC.

SPD is asked to submit a report by July 1, 2020 to the Chair of the Gender Equity, Safe Communities, and New Americans Committee – or successor committee - and the Council Central Staff Director. The report should:

(1) summarize Seattle's CBO program history, including information on number of CBOs by year, the average time it takes to file a CBO, whether the CBO has resulted in a FTA notice and data on the crimes where CBO is used;

(2) through an analysis of arrests, FTAs and jail bookings, describe whether the CBO program decreases or contributes further to involvement in the criminal justice system in the long term; and

(3) determine whether the CBO program exacerbates harm in cases where providing a citation as an alternative to booking might have otherwise been handled by not citing or referring a person to the Law Enforcement Assisted Diversion (LEAD) program.

### Background:

Section 15.020 of the SPD Policy Manual outlines the Department's CBO program, which offers SPD officers an alternative to booking suspected misdemeanants into jail. The CBO program allows officers to refer directly to the City Attorney's Office (LAW) a case that has been fully investigated in the field and does not require any Detective follow up.

The CBO reduces the negative outcomes associated with jail bookings, which may include separation from family and the risk of losing employment if a suspected misdemeanant cannot report for work. However, it does not fully mitigate the harm caused by the Criminal Justice System and may exacerbate such harm if

SPD	1	В	1

LAW filing delays or an improperly delivered summons results in a Failure To Appear (FTA) notice that becomes the basis for a warrant.

As an alternative to arrest, or to CBO, the City's Law Enforcement Assisted Diversion offers officers another choice – to bypass the Criminal Justice System altogether in favor an approach that reduces law violations by participants through use of harm reduction-based case management.

Some U.S. cities, such as New Orleans, LA use CBO-type programs where officers are expected to issue summonses in lieu of arrests for many misdemeanor offenses. And the State of New York passed legislation in April 2019 that expands the use of desk appearance tickets in lieu of arrests for most misdemeanors. These efforts are in line with President Obama's Task Force on 21st Century Policing which recommended that "law enforcement training policies should emphasize de-escalation and alternatives to arrest or summons in situations where appropriate." Additionally, the Seattle Reentry Workgroup, created by Resolution 31637 and convened by the Office of Civil Rights, recommended in its final report that SPD limit arrests for nonviolent misdemeanor offenses and increase its use of alternatives to arrest.

## **Budget Action Description:**

This Council Budget Action adds \$87,500 GF (ongoing) in 2020 to the Seattle Police Department (SPD) to contract with an Indigenous led community building organization (CBO), such as the Seattle Indian Health Board, to: (1) assist the City and SPD with a review of its current methods for collecting, disseminating, and using data on Native Communities, including providing training to City or SPD employees to improve data collection; (2) assist American Indian and Alaska Native communities in accessing City databases; (3) provide the City with Indigenous-led approaches to ending gender-based violence; and (4) build relationships between Seattle Law Enforcement and the Indigenous community.

The 2020 Proposed Budget adds authority for 1.0 FTE Crime Prevention Coordinator and reserves as part of SPD's base budget funding \$113,000 for a Native American Liaison position. Council Budget Action SPD-3-A-1 upgrades this position and adds funding to focus the duties on data collection.

## **Budget Action Description:**

This Council Budget Action would impose two provisos on Seattle Police Department (SPD) appropriations to restrict a total of \$200,000 that may only be spent on training related to sex work. The Council intends that SPD will collaborate and contract with a community-based organization (CBO) that has the subject matter expertise to deliver training to SPD leadership and relevant sworn officers aimed at addressing the criminal justice system's response(s) to the various needs of individuals involved in the sex trade. The training curriculum should present information on a range of topics including but not limited to sex worker harm-reduction best practices, intersectionality, anti-racism, implicit bias and microaggressions. These trainings should incorporate surveys and/or other evaluation methods to determine gaps in officers' understanding of these issues. The CBO conducting these trainings should be peer-based, person of color led and have experience providing direct services to sex workers. Council requests that SPD involve City Council staff with issue-area experience in the development of a Request for Proposal and the bid selection process to select the CBO conducting these trainings.

## Statement of Legislative Intent:

This Statement of Legislative Intent requests that the Seattle Police Department (SPD) develop a City-wide approach to collect and report the theft, damage, or vandalism of City assets, including the theft of copper wire and the damage caused to City infrastructure during copper wire theft.

Seattle City Light (SCL) has reported 19 copper thefts from streetlights in 2019, with a year-to-date repair cost of over \$113,000. These are in addition to seven other copper thefts from SCL physical facilities in 2019. Seattle Public Utilities and the Seattle Department of Transportation have also indicated that they have incurred theft of copper wire, although the theft is not always reported to SPD. Staff at SPD have indicated that a cursory review showed 52 incidents in 2018 where copper wire was noted as part of the theft report.

SPD is requested to submit to the Chair of the Gender Equity, Safe Communities, New Americans and Education Committee (GESCNA-Ed) – or a successor Committee – and to the Director of Council's Central Staff every quarter beginning on April 1, 2019 a report that:

(1) Identifies whether City departments are tracking damage to City infrastructure, including damage caused by copper wire theft;

(2) Recommends how City departments could most effectively track damage to City infrastructure; and(3) Recommends steps that SPD and other departments can take to deter theft and to identify and address

frequent offenders of copper wire theft.

## Statement of Legislative Intent:

The Statement of Legislative Intent would request that the Seattle Police Department (SPD) report on the eight scrap metal recycling businesses in Seattle and their compliance with copper wire sales transactions and recordkeeping requirements established by RCW 19.290.020.

RCW 19.290.020 requires that every scrap metal business doing business in this state must create as part of each recycling transaction an accurate and legible record of each transaction involving private metal property or nonferrous metal property. The record must be open to the inspection of any commissioned law enforcement officer at all times during business hours and must be maintained wherever that business is conducted for five years following the date of the transaction.

SPD is requested to submit to the Chair of the Gender Equity, Safe Communities, New Americans and Education Committee (GESCNA-Ed) – or a successor Committee – and to the Director of Council's Central Staff on March 31, 2020 a report that:

(1) Indicates how SPD is responding to Council's request to examine records of copper wire transfers;(2) Identifies steps that SPD is taking to ensure that metal recyclers are keeping accurate records of transactions and are taking action to deter purchase of stolen metals; and

(3) Identifies financial or personnel related resources that are needed to ensure that SPD has what it needs to effectuate this Statement of Legislative Intent (SLI) as well as SLI SPD 9-A-1.

## Statement of Legislative Intent:

This Statement of Legislative Intent was included in the 2019 Adopted Budget and is requested to be continued in the 2020 Adopted Budget.

This Statement of Legislative Intent would require the Seattle Police Department to submit to the Council in the third week of each month, beginning in January of 2020, the "SPD Sworn Staffing Model" (SPD Sworn Hiring Projections with Year-to-Date Actuals) as well as a report on Precinct staffing. The model shall include actuals from the beginning of the prior year through the preceding month and hiring projections through the end of the following year. The department shall also submit a precinct census in a format similar to what has been transmitted in 2019. The department shall transmit these reports electronically to the Central Staff member who is responsible for police matters and to the Chair of the Gender Equity, Safe Communities, New Americans and Education Committee or any successor committee that is responsible for public safety matters.

## **Budget Action Description:**

This Council Budget Action would reduce the Seattle Police Department (SPD) funding to waive recruit testing fees by \$70,000.

The 2020 Proposed Budget includes \$1.6 million for a recruitment and retention initiative. Among other things, this initiative included \$75,000 for SPD to waive the \$50 recruit testing fee that would otherwise be charged to each of approximately 1,500 individuals. This Council Budget Action would decrease the funded amount for this purpose from \$75,000 to \$5,000; the remaining \$5,000 could be applied to waive or reduce the testing fees charged to low-income applicants who cannot afford the testing fee.

## **Budget Action Description:**

This Council Budget Action would reduce by \$75,000 the Seattle Police Department's (SPD) budget for staff support of its recruitment and retention initiative. The 2020 Proposed Budget includes \$1.6 million for a recruitment and retention initiative, including funding for three temporary positions and one permanent position. As part of this initiative, the Proposed Budget included \$150,000 for a temporary position to backfill the duties of SPD's existing Leadership and Organizational Development Advisor to free up that position's time to work on the recruitment and retention initiative. This Council Budget Action provides 50 percent of the funding included in the Proposed Budget for this purpose.

## **Budget Action Description:**

This Council Budget Action would reduce by \$240,000 the budget for the Seattle Police Department's (SPD) proposed sergeant training. The 2020 Proposed Budget includes \$1.6 million for a recruitment and retention initiative. As part of this initiative, SPD would spend \$787,000 to train all of its patrol sergeants in 2020. The \$787,000 includes \$480,000 for overtime for four days of sergeant's training and \$307,000 for contracted costs for the trainings. This budget action reduces the overtime budget for the training by \$240,000 and implements the training over two years instead of one year. Under this schedule, sergeants will receive two days of training in 2020 and two days of training is 2121.

(2) Implement a towel pilot program at SPR community centers providing shower services for homeless individuals (\$65,000); and

(3) Make repairs and perform maintenance work related to the increased use of showers at the community centers providing shower services for homeless individuals (\$10,000).

In addition, this Council Budget Action also amends the Comfort Station Renovations Capital Improvement Project (MC-PR-4103) page as shown in Attachment 1.

This budget action anticipates SPR will schedule hours for these services as early in the morning as possible and explore the use of disposable, compostable towels as a potential cost-efficient, environment-friendly option for the towel pilot.

This project renovates selected comfort stations for improved ADA access, ventilation and finishes (walls and floors), and security. The renovations also may include reconfigured stalls, new toilets, urinals, and sinks, ADA accessories, paint and finishes, and related work, depending on the needs of a particular site. In some cases, a comfort station may be replaced with a prefabricated unit. More park users will have access to these facilities, and the improvements will make them more inviting and comfortable.

## **Statement of Legislative Intent:**

The Council requests Seattle Parks & Recreation (SPR) to provide a report on the status of the Green Seattle Partnership Program. This program is a collaborative effort between the City of Seattle and Forterra to restore 2500 acres of forested park lands in Seattle by 2025. The report should include the following information:

1) Forest Restoration Progress: What is the status of the acres involved in the program?

- a) total # of acres enrolled
- b) # of acres in establishment Phases 2-3
- c) # of acres that have reached the final Phase 4
- d) # of acres remaining to be enrolled
- e) # of additional acres beyond the original goal of 2,500

2) Volunteers: How many volunteer hours have been leveraged to make this program successful?

3) Community Leadership: How many forest stewards are trained as volunteer and forest restoration experts?

4) Youth: What kind of youth engagement has the program accomplished?

- a) number of schools/students engaged
- b) % of the total volunteer hours that are youth
- c) number of youth leadership opportunities/programs involved

5) Challenges: What are the challenges and barriers to completing the remaining work of restoring more than 2500 acres of park land?

6) Investments: What are the estimated resources that have been invested to date by implementation partners, volunteer hours, and City funding)?

7) Funding: What funding and resources (please list/describe separate for FTE for field, program and volunteer management; materials; contractors; etc.) are needed to:

a) Enroll the remaining acres into Phase 1 restoration

b) Move remaining acres into Phase 4

c) Maintain acres in Phase 4 between 2020 and 2025

d) Maintain all Phase 4 long-term annually beyond 2025

8) Extended Impacts: What are the unintended benefits that have resulted and resources leveraged (e.g., research, additional funding, etc.) from the partnership?

9) Neighborhood Benefits: Are there opportunities for these projects to better serve the needs of our neighborhoods and provide a greater degree of environmental services even more than it does currently?

10) Access to Nature: How can we enhance the passive recreation offered by these properties as we also ensure they maintain a high degree of ecological integrity?

## **Budget Action Description:**

This Council Budget Action recommends passage of CB 119671. This legislation would adopt revisions to the 2020 Parks Fee Schedule that establishes charges for the use of certain park and recreation facilities and services. The proposed revisions include technical changes to address issues with the class and course registration system that is unable to process certain fee amounts. In addition, the legislation would eliminate low-income recreation swim fees. The legislation would allow low-income individuals to swim for free at City pools beginning January 1, 2020.

This change would result in a revenue reduction of \$45,000 annually. To backfill the revenue reduction, the 2020 Proposed Budget would reallocate a portion of the \$150,000 in funding that had been provided by the Council in the 2020 Endorsed Budget to expand the daily operation of an unspecified number of wading pools.

SPU's current process for multifamily building shut-offs is to inform residents through 30-day notices that are taped to the building's main entrances and exits. SPU also notifies the Seattle Department of Construction and Inspections (SDCI) 10 days before the shut-off is scheduled to occur. This funding will enable the department to perform the following additional actions:

a) Mailing a 7-day notice directly to residents;

b) Taping a 24-hour notice to the main entrances and exits and, for buildings that are accessible to SPU staff and have 15 or fewer units, placing door hangers on individual units; and

c) Notifying SDCI 24 hours before a shut-off is scheduled to occur, and providing SDCI with a single point of contact within SPU for handling impending shut-off interactions.

## **Budget Action Description:**

This budget action would add \$179,712 in the Seattle Public Utilities (SPU) Drainage and Wastewater Fund to begin a pilot program that provides mobile pump-out services to recreational vehicles (RVs). The budget action would also cut a total of \$179,712 from an ongoing reserve account (\$100,000) and a precapital planning account (\$79,712) in the SPU Drainage and Wastewater Fund.

Agenda

Tab	Action	Option	Version
SPU	4	А	2

It is estimated that the pilot program funding could provide eight pump-out events per month, with each event consisting of a four-hour period during which five to eight RVs could be serviced. In total, the pilot program would service between 40 and 64 RVs per month.

This estimate assumes that SPU would be able to partner with the RV Remediation Interdepartmental Team or separately with the Seattle Police Department to guarantee SPU employee safety and to help coordinate the response.

The Council requests that SPU provide updates to the Council on the progress in setting up the pilot program and the program's accomplishments during the year, as this information will help to inform the development of the 2021 budget.

### Background:

SPU has previously conducted two field tests at RV sites near drainage infrastructure that drain to waterways that are identified as critical areas under the City's National Pollutant Discharge Elimination System (NPDES) permit. The trials were limited in scope, serving six out of a possible 17 RVs.

SPU is also in the process of filling a temporary position that will work to determine the scope of this body of work and to explore potential program options. Given that the temporary position and the appropriation authority provided by this budget action are funded by the Drainage and Wastewater Fund, RV pump-out services will only be able to be provided in environmentally sensitive areas that affect the City's NPDES permit.

## **Budget Action Description:**

This budget action recommends passage of CB 119672, Seattle Public Utilities' (SPU's) 2020-2022 solid waste rates ordinance.

This CB would establish solid waste rates for residential and commercial customers for the period from April 1, 2020 to March 31, 2023. If approved, solid waste rates would, on average, increase 3.0 percent in 2020, 2.9 percent in 2021, and 2.9 percent in 2022. These proposed rates are below those projected in the Council-adopted 2017 Strategic Business Plan, which were between 3.0 percent and 4.0 percent annually. The proposed rates are also below the six-year solid waste average of 3.4 percent. As proposed, a typical single-family residential customer would have monthly bill increases of \$1.50 in 2020, \$1.50 in 2021, and \$1.60 in 2022.

### **Budget Action Description:**

This budget action would substitute version D3 of Council Bill (CB) 119686, shown in Attachment 1, for version D2; and pass CB 119686 as amended. The substitute bill would include the following amendments:

(1) Require the Office of Labor Standards (OLS) Director to issue rules on (a) passenger privacy and safety concerns for deactivations that include but are not limited to allegations of sexual assault, and (b) the definition of "egregious misconduct."

(2) Require the OLS Director to develop rules and regulations through an inclusive rulemaking process that includes participation of representatives of local sexual assault organizations.

(3) Delay the effective date of the legislation to October 1, 2020.

This budget action also would pass CB 119686, as amended, to establish a voluntary arbitration process for Transportation Network company (TNC) drivers to challenge disputes over deactivation. The process would include (1) deactivation rights for TNC drivers, (2) a Deactivation Appeals Panel to conduct arbitration proceedings, and (3) a Driver Resolution Center to represent TNC drivers at arbitration proceedings and to conduct outreach. OLS would implement the legislation and issue rules.

WHEREAS, the establishment of minimum labor standards for TNC drivers is a subject of vital and imminent concern to the people of this City and requires appropriate action by City Council to establish such minimum labor standards within the City;

NOW, THEREFORE,

# **BE IT ORDAINED BY THE CITY OF SEATTLE AS FOLLOWS:**

Section 1. Findings

A. In order to protect the public health, safety, and welfare, The City of Seattle is
granted express authority to regulate for-hire transportation services pursuant to chapter 46.72
RCW. This authority includes regulating entry, requiring a license, controlling rates, establishing
safety requirements, and any other requirement to ensure safe and reliable transportation
services.

B. In the pursuit of economic opportunity, many transportation network company
(TNC) drivers are immigrants and people of color who have taken on debt or invested their
savings to purchase and/or lease vehicles to provide TNC services.

C. The TNCs represent that their business models rely on TNC drivers being
classified as independent contractors, and that they are exempt from minimum labor standards
established by federal, state, and local law.

D. TNC drivers are subject to TNC companies' policies that can be unilaterally
changed so they can be deactivated for a variety of reasons, and they do not have consistent
access to due process for such deactivations, nor do they have regular access to human resources
staff who have the power to correct unwarranted deactivations, via either in-person meeting or
telephone, to air their deactivation-related grievances.

Kerem Levitas OLS TNC Driver Deactivation Rights ORD D32

E. The TNCs deactivate drivers with unclear processes for review of those deactivations. Establishing a reasonable standard for the deactivations of TNC drivers as well as access to a neutral Deactivation Appeals Process in which unwarranted deactivations may be challenged will help ensure that thousands of drivers who provide vital transportation services in Seattle will be able enjoy a small measure of job security. F. TNC drivers who have protection against unwarranted deactivation will be more likely to remain in their positions over time, and to devote more time to their work as TNC drivers. Such experienced drivers will improve the safety and reliability of the TNC services provided by the TNCs to passengers and thus reduce safety and reliability problems created by frequent turnover in the TNC services industry.

11 Section 2. A new Chapter 14.32 is added to the Seattle Municipal Code as follows: 12 **CHAPTER 14.32 TRANSPORTATION NETWORK COMPANY DRIVERS** 13 **DEACTIVATION RIGHTS** 14 14.32.010 Short title 15 This Chapter 14.32 shall constitute the "Transportation Network Company Driver Deactivation 16 Rights Ordinance" and may be cited as such. 17 14.32.015 Declaration of policy 18 It is declared to be the policy of the City, in the exercise of its police powers for the protection of 19 the public health, safety, and general welfare, and for the maintenance of peace and good 20 government, to ensure that TNC drivers can perform their services in a safe and reliable manner, 21 and thereby promote the welfare of the people who rely on such services to meet their 22 transportation needs.

1	For the purposes of this Chapter 14.32:
2	"Agency" means the Office of Labor Standards and any division therein.
3	"Aggrieved party" means the TNC driver or other person who suffers tangible or
4	intangible harm due to the TNC's violation of this Chapter 14.32.
5	"Application dispatch" means technology that allows consumers to directly request
6	dispatch of TNC drivers for trips and/or allows TNC drivers or TNCs to accept trip requests and
7	payments for trips via the internet using mobile interfaces such as, but not limited to, smartphone
8	and tablet applications.
9	"Available platform time" means the time a TNC driver is logged in to the driver
10	platform prior to receiving a trip request from a TNC.
11	"City" means The City of Seattle.
12	"Compensation" means payment owed to a TNC driver by reason of providing TNC
13	services.
14	"Days" means calendar days.
15	"Deactivation" means the blocking of a TNC driver's access to the driver platform,
16	changing a TNC driver's status from eligible to provide TNC services to ineligible, or other
17	material restriction in access to the driver platform that is effected by a TNC.
18	"Director" means the Director of the Office of Labor Standards.
19	"Dispatch location" means the location of the TNC driver at the time the TNC driver
20	accepts a trip request from the TNC.
21	"Dispatch platform time" means the time a TNC driver spends traveling from dispatch
22	location to passenger pick-up location. Dispatch platform time ends when a passenger cancels a
23	trip, fails to appear for a trip, or enters the TNC driver's vehicle.

"Driver platform" means the driver-facing application dispatch system software or any online-enabled application service, website, or system, used by a TNC driver, that enables the prearrangement of passenger trips for compensation.

4 "Driver Resolution Center" means a non-profit organization registered with the 5 Washington Secretary of State that contracts with the Agency to provide culturally competent 6 TNC driver representation services, outreach, and education; that is affiliated with an 7 organization with experience advocating for the civil and economic rights of drivers, contractors, 8 and workers from disadvantaged socioeconomic groups and representing workers in grievance 9 proceedings; and whose administration and/or formation was/is not funded, excessively influenced, or controlled by a TNC. This organization shall have a proven commitment to worker 10 11 rights and experience in providing resources, programs, and services to TNC drivers, contractors, 12 and workers that allow them to build sustainable economic opportunities while competing in a 13 changing business environment. The Driver Resolution Center should consider contractual 14 partnerships among entities to achieve the direct participation of organizations primarily focused 15 on diversity and advocating for the civil and economic rights of workers from disadvantaged socioeconomic groups. 16

"Operating in Seattle" means, with respect to a TNC, providing application dispatch services to any affiliated driver at any time for the transport of any passenger for compensation from or to a point within the geographical confines of Seattle.

"Passenger drop-off location" means the location where a passenger exits a TNC driver's vehicle at the end of a trip.

22 "Passenger pick-up location" means the location where a passenger has requested to be
23 picked up at the time of dispatch, for the purpose of receiving TNC services.

Kerem Levitas OLS TNC Driver Deactivation Rights ORD D32

"Passenger platform time" means the period of time commencing when a passenger enters the TNC driver's vehicle until the time when the passenger exits the TNC vehicle.

"Representative" means a person who gives advice or guidance and includes, but is not limited to, family members, friends, licensed professionals, attorneys, advocates, and Driver Resolution Center advocates.

"Respondent" means the TNC who is alleged or found to have committed a violation of this Chapter 14.32.

"TNC services" means services related to the transportation of passengers that are provided by a TNC driver while logged in to the driver platform, including services provided during available platform time, dispatch platform time, and passenger platform time.

"Transportation network company" or "TNC" means an organization whether a
corporation, partnership, sole proprietor, or other form, licensed or required to be licensed under
Chapter 6.310, operating in Seattle that offers prearranged transportation services for
compensation using an online-enabled application or platform, such as an application dispatch
system, to connect passengers with drivers using a "transportation network company (TNC)
endorsed vehicle," as defined in Chapter 6.310.

"Transportation network company driver" or "TNC driver" means a licensed for-hire driver, as defined in Chapter 6.310, affiliated with and accepting trips from a licensed transportation network company. For purposes of this Chapter 14.32, at any time that a driver is logged into the driver platform, the driver is considered a TNC driver.

"TNC dispatched trip" or "trip" means the dispatch of a TNC driver to provide transportation to a passenger in a TNC endorsed vehicle through the use of a TNC's application

Kerem Levitas OLS TNC Driver Deactivation Rights ORD D32

2. Subject to driver eligibility standards created by Director's rule, a TNC
 driver shall have a right to challenge all permanent deactivations and temporary deactivations, as
 defined by Director's rule.

The TNC driver has the right to elect between representing themselves
 during any deactivation challenge or being represented by a representative, including an
 advocate from the Driver Resolution Center. The Driver Resolution Center shall have discretion
 to determine whether to represent a TNC driver, as defined by Director's rule.

4. For deactivations not described in subsection 14.32.050.E, the TNC shall
provide the TNC driver with 14 days' notice of the impending deactivation. The notice shall
include a written statement of the reasons for and effective date of deactivation and provide
notice, in a form and manner designated by the Agency, of the TNC driver's right to challenge
such deactivation under this Section 14.32.050. The Agency shall create and distribute the notice
in English and other languages as provided by rules issued by the Director.

5. Upon deactivation, every TNC shall furnish to the TNC driver a written
statement of the reasons for and effective date of deactivation and provide notice, in a form and
manner designated by the Agency, of the TNC driver's right to challenge such deactivation
under this Section 14.32.050. The Agency shall create and distribute the notice in English and
other languages as provided by rules issued by the Director.

B. The TNC driver and TNC may, by mutual agreement, proceed to arbitration
through the Deactivation Appeals Panel arbitration ("Panel arbitration") proceeding created by
this Chapter 14.32 instead of proceeding under any applicable arbitration agreement between the
TNC driver and the TNC ("private arbitration agreement"). In the absence of a private arbitration
agreement between a TNC driver and a TNC, the TNC driver shall have an absolute right to

1	challenge the deactivation pursuant to subsections 14.32.050.C and 14.32.050.D, regardless of
2	agreement by the TNC.
3	C. Deactivation Appeals Panel process
4	1. If the TNC driver and TNC agree to proceed to arbitration through the
5	Deactivation Appeals Panel arbitration proceeding created by this Chapter 14.32, the TNC driver
6	and/or a representative must provide notice to the TNC of intent to challenge the deactivation no
7	later than 60 days after the deactivation.
8	2. The TNC and the TNC driver and/or a representative shall attempt to
9	resolve the challenge informally no later than 15 days after the notice of intent to challenge has
10	been provided to the TNC, or within a time frame mutually agreed by the parties.
11	3. If the parties resolve the challenge informally pursuant to subsection
12	14.32.050.C.2, they must memorialize that resolution in a written agreement.
13	4. The TNC driver and/or representative must provide notice of intent to
14	arbitrate to the TNC no later than 15 days after the notice of intent to challenge has been
15	provided to the TNC under subsection 14.32.050.C.1.
16	5. If a TNC driver demonstrates that a TNC failed to engage in the informal
17	appeals process under this subsection 14.32.050.C, there shall be a presumption, rebuttable by
18	clear and convincing evidence, before the Deactivation Appeals Panel that the deactivation is
19	unwarranted.
20	D. Deactivation Appeals Panel
21	1. The City shall establish a "Deactivation Appeals Panel" ("Panel") for
22	purposes of hearing TNC driver challenges to deactivations. The Agency shall contract with one
23	or more persons or entities ("neutral arbitrator") to conduct arbitration proceedings to hear

deactivation challenges. The neutral arbitrator shall be one member of the Panel. The remaining
Panel members shall consist of an equal number of partisan panel members, representing the
interests of the TNC driver and the TNC, respectively.
2. The utilization of the Panel arbitration proceeding created by this Chapter
14.32 is voluntary upon agreement by both parties, except as provided for under subsection
14.32.050.B, and shall be of no cost to the TNC driver. If utilized, the Panel shall be the sole
arbitration proceeding for challenging the deactivation.
3. The cost of arbitration, including any fee charged by an arbitrator, will be
shared equally by the TNC and the Driver Resolution Center. If the TNC driver is not
represented by a representative of the Driver Resolution Center, the TNC shall be solely
responsible for the cost of arbitration.
4. The arbitration shall be conducted no later than 30 days after the notice of
intent to arbitrate has been provided to the TNC under subsection 14.32.050.C.4, within a time
frame mutually agreed by the parties, or as ordered by the Panel.
5. Subject to rules issued by the Director, the Panel may conduct pre-hearing
procedures, as well as an evidentiary hearing at which parties shall be entitled to present
witnesses and written evidence relevant to the dispute, and to cross-examine witnesses.
6. The Panel's decision in any case shall be by majority vote, with each panel
member holding one vote.
7. The Panel shall issue a written decision and, if appropriate, award relief.
The Panel shall endeavor to issue the written decision within 48 hours of the evidentiary hearing.
8. Upon a decision concluding an unwarranted deactivation occurred, the
Panel may order such relief as may be appropriate to remedy the violation including, without

1 limitation, all remedies provided in Section 14.32.170. Should the Panel order that the TNC 2 driver be reinstated, such order shall be limited to reinstatement to provide TNC services from a 3 passenger drop-off location or a passenger pick-up location in the City. 4 9. The decision of the Panel shall be final and binding upon the parties. 5 10. Nothing in this subsection 14.32.050.D shall be construed as restricting a 6 TNC driver's right to pursue any remedy at law or equity for an unwarranted deactivation. 7 11. The Director shall issue rules to effectuate the terms of this Section 8 14.32.050 including, but not limited to, rules regarding the definition of unwarranted 9 deactivation, driver eligibility to challenge deactivations, the selection of and criteria for the 10 neutral arbitrator and partisan panel members, and the number of partisan panel members. The 11 Director shall further consider methods issue rules on methods to protect passenger privacy and 12 address potential safety concerns during-Panel arbitrations for deactivations that include but are not limited to allegations of egregious misconductthe Deactivation Appeal Panel proceeding. 13 E. 14 Subject to the provisions of this Section 14.32.050 and rules issued by the 15 Director, a TNC may immediately deactivate a TNC driver if such action is required to comply 16 with any applicable local, state, or federal laws or regulations or where a TNC driver has 17 engaged in egregious misconduct. 3 this Chapter 14.32 is a violation.

# 4 **14.32.170 Remedies**

A. The payment of unpaid compensation, liquidated damages, and interest provided
under this Chapter 14.32 is cumulative and is not intended to be exclusive of any of the above
referenced remedies and procedures.

# 8 1. Interest shall accrue from the date the unpaid compensation was first due

9 at 12 percent annum, or the maximum rate permitted under RCW 19.52.020.

When determining the amount of liquidated damages payable to aggrieved
parties due under this Section 14.32.170, the Panel shall consider:

12 a. The total amount of unpaid compensation, liquidated damages, and
13 interest due;
14 b. The nature and persistence of the violations;

- c. The extent of the respondent's culpability;
  - d. The substantive or technical nature of the violations;
- 17 e. The size, revenue, and human resources capacity of the

18 respondent;

15

16

19

20

f. The circumstances of each situation;

g. Other factors pursuant to rules issued by the Director.

B. A respondent found to be in violation of this Chapter 14.32 shall be liable for full
payment of unpaid compensation plus interest in favor of the aggrieved party for the period of
deactivation under the terms of this Chapter 14.32, and other equitable relief. The Director shall

issue rules regarding the method of calculating unpaid compensation. The Director is authorized
 to designate a daily amount for unpaid compensation. For any violation of this Chapter 14.32, the
 Panel may assess liquidated damages in an additional amount of up to twice the unpaid
 compensation.

5 6

# 14.32.230 Private right of action

A. Any person or class of persons that suffers financial injury as a result of a 7 violation of this Chapter 14.32, may bring a civil action in a court of competent jurisdiction 8 against the TNC violating this Chapter 14.32 and, upon prevailing, may be awarded reasonable 9 attorney fees and costs and such legal or equitable relief as may be appropriate to remedy the violation including, without limitation, the payment of any unpaid compensation plus interest 10 11 due to the person and liquidated damages in an additional amount of up to twice the unpaid 12 compensation. Interest shall accrue from the date the unpaid compensation was first due at 12 13 percent per annum, or the maximum rate permitted under RCW 19.52.020.

B. For purposes of this Section 14.32.230, "person" includes any entity a member of
which has suffered financial injury, or any other individual or entity acting on behalf of an
aggrieved party that has suffered financial injury.

17 C. For purposes of determining membership within a class of persons entitled to
18 bring an action under this Section 14.32.230, two or more TNC drivers are similarly situated if
19 they:

1	2. Allege one or more violations that raise similar questions as to liability,
2	and
3	3. Seek similar forms of relief.
4	D. For purposes of subsection 14.32.230.C, TNC drivers shall not be considered
5	dissimilar solely because their:
6	1. Claims seek damages that differ in amount, or
7	2. Job titles or other means of classifying TNC drivers differ in ways that are
8	unrelated to their claims.
9	E. Nothing contained in this Chapter 14.32 is intended to be nor shall be construed to
10	create or form the basis for any liability on the part of the City, or its officers, employees, or
11	agents, for any injury or damage resulting from or by reason of any act or omission in connection
12	with the implementation or administration of this Chapter 14.32 on the part of the City by its
13	officers, employees, or agents.
14	14.32.235 Encouragement of more generous policies
15	A. Nothing in this Chapter 14.32 shall be construed to discourage or prohibit a TNC
16	from the adoption or retention of protections more generous than the ones required by this
17	Chapter 14.32.
18	B. Nothing in this Chapter 14.32 shall be construed as diminishing the obligation of
19	a TNC to comply with any contract, or other agreement providing more generous protections to
20	TNC drivers than required by this Chapter 14.32.
21	14.32.240 Other legal requirements
22	This Chapter 14.32 defines requirements for TNC driver deactivation protections and shall not be
23	construed to preempt, limit, or otherwise affect the applicability of any other law, regulation,

requirement, policy, or standard that provides for greater requirements; and nothing in this
 Chapter 14.32 shall be interpreted or applied so as to create any power or duty in conflict with
 federal or state law.

# 4 **14.32.250** Severability

5 The provisions of this Chapter 14.32 are declared to be separate and severable. If any clause, 6 sentence, paragraph, subdivision, section, subsection, or portion of this Chapter 14.32, or the 7 application thereof to any TNC, TNC driver, or circumstance, is held to be invalid, it shall not 8 affect the validity of the remainder of this Chapter 14.32, or the validity of its application to 9 other persons or circumstances.

Section 3. Section 3.15.000 of the Seattle Municipal Code, last amended by Ordinance
11 125684, is amended as follows:

# 12 **3.15.000 Office of Labor Standards created—Functions**

13 There is created within the Executive Department an Office of Labor Standards, under the 14 direction of the Mayor. The mission of the Office of Labor Standards is to advance labor 15 standards through thoughtful community and business engagement, strategic enforcement and 16 innovative policy development, with a commitment to race and social justice. The Office of 17 Labor Standards seeks to promote greater economic opportunity and further the health, safety, 18 and welfare of employees; support employers in their implementation of labor standards 19 requirements; and end barriers to workplace equity for women, communities of color, 20 immigrants and refugees, and other vulnerable workers.

### **Budget Action Description:**

This action substitutes version D2 of CB 119685, shown in Attachment 1, for version D1a. The substitute bill corrects a drafting error in the Seattle Municipal Code (SMC) by removing a \$20 affiliation change fee and associated footnote from the table found in Section 6.310.150 SMC.

This action passes CB 119685 which reduces the current Finance and Administrative Services (FAS) Licensing Fee to \$0.08 per TNC ride. Currently the fee is set at \$0.10 in the Seattle Municipal Code (SMC) 6.310.150, but the Licensing Fee was raised to \$0.14 per ride on July 1, 2016 by Director's Rule CPU-10-2016.

This Licensing Fee reduction included in CB 119685 is based on a determination by the FAS director that the cost to administer and enforce the TNC regulations has decreased on a per ride basis due to the rapid increase in number of TNC rides. SMC 6.310.150 authorizes the FAS Director to adjust the fee

based on actual costs for administration and enforcement. The fee reduction to \$0.08 per ride would go into effect on July 1, 2020.

This budget action substitutes version D2 of Council Bill (CB) 119687, shown in Attachment 1, for version D1a. The substitute bill removes one area of evaluation; adds two areas of evaluation; states an intent to consider future adjustments if state or federal law mandates elements of the minimum compensation standard; and adds a definition of "dispatch platform time."

This budget action also passes CB 119687 as amended which requires (1) Finance and Administrative Services (FAS) to complete an evaluation process to develop a minimum compensation standard for TNC drivers by March 31, 2020; and (2) the Mayor to transmit to Council future legislation to propose implementation of a minimum compensation standard by May 1, 2020.

# Statement of Legislative Intent:

This Statement of Legislative Intent (SLI) requests that Finance and Administrative Services (FAS) and Seattle Department of Transportation (SDOT) provide a report to the Governance, Equity & Technology Committee (or successor committee) on the feasibility of a City of Seattle Transportation Assistance Voucher Program to be funded by Transportation Network Company (TNC) Tax revenues. This report will be due on or before March 31, 2020.

The program would provide vouchers to persons with limited mobility, seniors and/or low-income households to be used on transportation services provided by City of Seattle for-hire licensed operators. The intent is that the report requested in this SLI will be the basis of a new Seattle Transportation Assistance Voucher Program that would be created by Council in 2020 and funded with TNC tax revenues each year. The report should also explore the option of leveraging funding through partnerships with existing programs.

To effectuate this change, Council should also pass Council Budget Action (CBA) TNCSPN-106-B-1 which adds the Transportation Assistance Voucher Program to the list of eligible uses of TNC tax revenues in Resolution 31914; pass CBA TNCTAX 103-B-1, which adds the Transportation Assistance Voucher Program to the list of intended uses of the TNC tax revenues in Council Bill 119684; and pass CBA TNCSPN-104-B-1, which imposes a proviso on \$500,000 of finance general appropriations.

# **Budget Action Description:**

This Council Budget Action imposes two provisos on Finance General Reserves related to Transportation Network Companies (TNC) Tax revenues.

Council intends to create a new Transportation Assistance Voucher Program or support similar regional programs after reviewing the report requested in Statement of Legislative Intent (SLI) TNCSPN 103-B-1. The Transportation Assistance Voucher Program would provide vouchers to persons with limited mobility, seniors, and/or low-income households; vouchers would be used on transportation services provided by for-hire licensed operators in the City of Seattle.

In particular, this Council Budget Action imposes the following two provisos:

Agenda

Tab	Action	Option	Version
TNCSPN	104	С	1

"Of the appropriation in the 2020 budget for Finance General Reserves, \$50,000 is appropriated solely to report on the feasibility of a Transportation Assistance Voucher Program as described in Statement of Legislative Intent TNCSPN-103-B-1 and may be used for no other purpose."

"Of the appropriation in the 2020 budget for Finance General Reserves, \$450,000 is appropriated solely to develop and implement a Transportation Assistance Voucher Program and may be used for no other purpose until authorized by a future ordinance. Council anticipates that such authority will not be granted until the Executive provides a response to Statement of Legislative Intent TNCSPN-103-B-1."

To effectuate this change, Council should also pass CBA TNCSPN-106-D-1 which adds the Transportation Assistance Voucher Program to the list of eligible uses of TNC tax revenues in Resolution 31914; pass CBA TNCSPN-103-B-1, which creates a SLI requesting that the Executive develop the program; and pass CBA TNCTAX 103-B-1, which adds the Transportation Assistance Voucher Program to the list of intended uses of the TNC tax revenues in Council Bill 119684.

### **Budget Action Description:**

This action substitutes version D4 of Resolution 31914, shown in Attachment 1, for version D1d. The substitute resolution:

(1) makes clarifying and technical corrections;

(2) allows for an increase in appropriations for the Driver Resolution Center and costs related to administering driver protections if the cost of those uses increases;

(3) amends the target incomes for rental affordable housing funded with Transportation Network Company (TNC) tax revenues and allows for income averaging of affordable units to meet targets; and (4) amends Section 1 of the resolution so that the list of specified transportation and transit investments that are eligible to be funded with TNC tax revenues includes the Center City Streetcar Connector, the purchase of transit service, additional support for the Sound Transit West Seattle and Ballard Link Extension, and a transportation assistance voucher program.

Agenda

Tab	Action	Option	Version
TNCSPN	106	D	1

This action adopts Resolution 31914 as amended. The non-binding resolution outlines the proposed spending plan for TNC tax revenues. It includes four eligible expenditures:

(1) funding the administration of the TNC tax and regulations;

(2) a driver resolution center and costs related to administering driver protections;

- (3) housing affordable to households to be located near frequent transit service; and
- (4) projects related to transportation and transit, as described above.

The TNC tax would generate approximately \$8.9 million in 2020. Based on the spending plan in Resolution 31914, \$1.5 million would be appropriated to the Department of Finance and Administrative Services (FAS) to set up the tax, \$250,000 would go to FAS to establish a new Driver Resource Center, \$3.5 million would be used for affordable housing near transit, and \$3.5 million would be spent on transportation and transit.

In the 2020 Proposed Budget, \$1.5 million of TNC tax revenue is appropriated to FAS; the remaining \$7.3 million in revenue is in Finance General Reserves to be appropriated through a separate ordinance to Seattle Department of Transportation (SDOT), the Office of Housing (OH), the Office of Labor Standards (OLS) and FAS as described in the spending plan in Resolution 31914. The Chair's Balancing Package transfers \$3.05 million of 2020 TNC tax revenues from Finance General Reserves to SDOT to fund transportation projects, including Fortson Square, Market to MOHAI, and the redesign of Thomas Street.

WHEREAS, Mayor Durkan has proposed further investments in affordable housing near transit, transportation, and a driver conflict resolution center using proceeds from a tax on TNC companies providing 1,000,000 rides per quarter or more on a per-ride basis; and
 WHEREAS, the purpose of this plan is to effectuate Seattle's vision to provide housing and transit opportunities for all, and support drivers in the TNC community by bringing educational tools and representation that is afforded to other sectors;

NOW, THEREFORE,

# BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SEATTLE, THE MAYOR CONCURRING, THAT:

Section 1. **Spending Plan.** The City shall use the proceeds of the transportation network company (TNC) tax imposed by Chapter 5.39 of the Seattle Municipal Code to accelerate affordable housing production for low-wage workers and their families at locations that are within the frequent transit network, make investments in transportation, including transit, and provide for workplace protections. Eligible expenditures include:

A. Funding of the administration of the TNC tax and regulations related to TNC
drivers up to \$2,000,000 in the first year and <u>sup to \$1,500,000 in the second</u>, third, and fourth
years. for the second year and each year after up to \$1,500,000. Beginning in year five, this
amount may increase each year, subject to appropriations, to reflect\_the rate of inflation,
consistent with the Consumer Price Index the cost of administrating the TNC tax and regulations,
and subject to appropriations.

1 B. Up to \$3,500,000 per year shall fund a Driver Resolution Center to provide driver 2 resolution services and costs related to administering driver protections. Beginning in year five, 3 this amount may increase each year, subject to appropriations, to reflect the cost of operating a 4 Driver Resolution Center and costs related to administering driver protections. 5 C. After administrative costs related to the tax and regulations of TNC drivers, as 6 described in subsection A of this section, and after funding the Driver Resolution Center and 7 other driver protections as described in subsection B of this section, up to 50 percent of revenue 8 from the tax over its first six full years shall be used to finance acquisition, construction, 9 rehabilitation, operations, and maintenance of property to provide housing that serves low-10 income households and provide for the housing needs of low-income households within the 11 frequent transit network, as defined by the Seattle Department of Transportation's Transit Master 12 Plan. The low-income housing funded hereby should serve renter households making up to 80 13 percent of the annual median family income, if the mean average of the rent and income 14 limitations for the entire projects does not exceed 60 percent of annual median family income, 15 and owner households making up to 80 percent of the annual median family income for the 16 statistical area or division thereof including Seattle, for which median family income is published 17 from time to time by the U.S. Department of Housing and Urban Development, or successor 18 agency, with adjustments according to household size in a manner determined by the Director of 19 Housing. Beginning in the seventh full year after adoption of this tax, up to \$5,000,000 (in 2020) 20 dollars, indexed to reflect the rate of inflation) per year shall be used to provide operating 21 support for Office of Housing (OH)-funded housing affordable to households with incomes at or 22 below 30 percent of the median family income.

Kate Garman/Amy Gore MO TNC Tax Spending Plan RES D1dD4

D. After administrative costs related to the tax and regulations of TNC drivers as described in subsection A of this section, and after funding the Driver Resolution Center and other driver protections as described in subsection B of this section, and after the funding for affordable housing as described in subsection C of this section, the remainder of revenue collected in the first six full years that the tax is imposed shall be used to support projects related to transportation and transit, including, but not limited to, the Center City Streetcar Connector, the purchase of transit service, additional support for the Sound Transit West Seattle and Ballard Link Extensions, and a transportation assistance voucher program, as appropriated. Beginning in the seventh full year after adoption of this tax, after the administrative costs, funding the Driver Resolution Center, and after up to \$5,000,000 (in 2020 dollars, indexed to reflect the rate of inflation) used to support for OH-funded housing affordable to households with incomes at or below 30 percent of the median family income per year, the remainder of the net proceeds shall be used to support projects related to transportation improvements and transit. Section 2. Every year, or at such other intervals as the City Council may specify, the

Executive shall prepare a report to include total revenue collected per year and the cost of administration of the tax and regulatory oversight related to the TNC tax.

Section 3. Accountability and Oversight Committees. For the purpose of overseeing the
funding for low-income housing with access to the frequent transit network, the Housing Levy
Oversight Committee shall provide a report to the City Council as to the progress of funding
received from the TNC tax. The Director of the Office of Housing, or the Director's designee,
will prepare and submit to the Oversight Committee, City Council, and Mayor an annual
progress report on the implementation of funds from the TNC tax.

### **Budget Action Description:**

This action substitutes version D4 of Council Bill (CB) 119684, shown in Attachment 1, for version D2e. The substitute bill:

(1) Makes clarifying and technical corrections;

(2) Removes the supplemental tax of six cents and increases the base Transportation Network Company (TNC) tax by six cents;

(3) Amends Section 12 of the bill so that the list of specified transportation and transit investments that are intended to be funded with TNC tax revenues includes the Center City Streetcar Connector, the purchase of transit service, additional support for the Sound Transit West Seattle and Ballard Link Extension, and a transportation assistance voucher program; and

(4) Adds a new section to the bill to clarify that the TNC tax revenues appropriated to the Seattle Department of Transportation (SDOT) are not counted as part of the "Minimal Annual GSF Appropriation" as required in Section 5 of Ordinance 124796.

This action also passes CB 119684 which creates a \$0.57 per ride tax for TNC trips originating anywhere within the City of Seattle operated by TNC companies that provided at least one million rides in the preceding quarter. The tax will go into effect on July 1, 2020; revenues are anticipated beginning in October 2020. Based on the estimated number of rides, a tax rate of \$0.57, and a July 1, 2020 effective date, the proposed tax would generate an estimated \$8.9 million in 2020.

In the 2020 Proposed Budget, \$1.5 million of TNC tax revenue is appropriated to Finance and Administrative Services; the remaining \$7.3 million in revenue is in Finance General Reserves to be appropriated through a separate ordinance to SDOT, OH, OLS and FAS as described in the spending plan in Resolution 31914. The Chair's Balancing Package transfers \$2.7 million of 2020 TNC tax revenues from Finance General Reserves to SDOT to fund transportation projects, including Fortson Square, Market to MOHAI, and the redesign of Thomas Street.

The legislation also amends several sections of Seattle Municipal Code (SMC) 5.55 to add the proposed TNC tax to existing general administrative provisions of the SMC, such as records preservation, rulemaking, and applicable violations and penalties, so that these provisions would also apply to the TNC tax.
